in rounds midst man
seeking truth of greater goal
of sons of God made man
Merriment seen 'mongst

soaked in brine of unclean
vestibules
Act as I would when swamped
by see-saw of megalomania
disclaiming fortunes of largesse

that whittle away fortunes of Mine
Canker sores of malnutrition
alleviated by holy Food
sourced in obedience to My
tenets
of divine duties
Tissues of joy cover thee
in making My way fruit
in home of cancerous
persuasions
Hounded in circuitous routes
doth thee flee from Overlord

with bonds of matrimony to holy
waters
filled with prayer to destiny
sound emerging
Lock thyself in step with
Companion
seeking altruistic hold on pesky
son
of greater Heights

1468

6-1-2003

Look not to knees bent
under pressure of circus-like
world about
See Me in thy glance of gratitude

Keep heart above waves of
disturbance
that overwhelm thee in times of
discord
Tweak thyself with images of Me
that wave flag of welcome
to inner voice calling home
Foist upon thee My rule
of stagnation required
Dialects of time swollen with
grief

midst gladness subsumed
Loss of coherence mustered
in sacred vaults of history denied

Loony tunes emasculate son of
God
derived of loins of God within
Seek safe passage in storms of
distress
vacillating
Trueness of course made
mandatory
by sweep of Holy Spirit
cascading on scene of
delinquency

in mode of human dimension
Hoops of glass melt in frenzy
of cockleshell boat's appearance
Heal thyself in heaven's orb

Gloom removed when cometh
thee to Me

with pressures human
to seek way of Mine that
accommodates thee
in solutions of divine input
Let be thy mind in sleepless state
of love impassioned

ways
of Christ our Lord
Mark My ways
that cover grounds of battlefield
with solvent of dispute
Healed art thee when cometh Me
with solutions to rule of law
facsimiled on dearth of
compassion
for brothers and sisters
alone in emptiness zone
Hasten thee to rule of Me
submitted
in silent zone of worship pure
grounded
Weakness in thee calls for My
Presence
immobilizing mind of madness
interminable

1487

6-22-2003

Center thyself in Me where

Temptress zone
Look hard at metered mile

Livid be thy mind when
contentious
Seek Me at thy gates
when horizons fill with fear

1489

6-24-2003

Hold thyself in disregard

Cast out thy thoughts of wastrel
ways
that beguile the curse of damsels
land
Foreordained thy march to
freedom land
of solace sublime

See now thy view of Me
that withstands the sands of time
that beckons thee to come amidst
the grasslands of harmony
enclosed

1493

6-28-2003

What has thou to offer
that I may use thee to succor My
flock
Insubordinate art thee when
gaineth thy way
in reckoning follies of
misadventure
that gainsay nothing
O lost sheep

fortuitous thy path when cometh
thee upon Me
shadowing thy venture in
woodlands of deceit
Mark the course led by Me
that delivers thee to kingdom's
gates
opened wide to receive thee
with jubilation and fanfare

7-1-2003

Hold fast thine heart to Me
in mend of mind apart
Loose thy grip on turmoiled soil
that grooves thee in domain
petrified
Look to Son of laughter joined

1498

7-2-2003

Swelled thy lunatic mind
with grief of ordination assigned
Look to Me for despair alleviated
in vestments of holy order
Watch My capstan that uplifts
thee
from depths of human sorrow
claiming thee for My own
in eternal waters
Loosen thy hold on medial jargon
that waylays thoughts of Mine
intended for thee and yours
in fashion oblique from heavenly
spheres
Lesson learned from dominion of
absurd
obscured in human mind

1499

7-3-2003

Destined for glory art thee
when cometh the phases of the
moon
before thy God Who consumeth
night time
with Roses of heaven
Haunted by heart a' blighted
doth thee spend thy crystalline
heart
in darkness tours of Hades

beguiled by seductions of
nymphs
from time immemorial
Enter well will thee into heaven's
boudoirs
when calleth thy God to son
personified
to return to kingdom's gates

1500

7-4-2003

Set free thy lips to calls of love
whispered from inner Source
of other side that compels thee
Hear thee words of My mouth
that portrays land of never-seen
in valleys of sediment
dispersed by washes of waste

1501

7-5-2003

Plot of plenty signifies land of
lakes
coursing through fields of
harvests golden

shared by Sons of God made
man
Weaved 'mongst rocks and rills
torched by sublime Hayseed cast
about
living quarters qualified for
occupants
declared suspended from eternal
use
Light of Fire streams
into hocus-pocus land's
downtrodden
Holy harvest enriched by
troubadours
enlightened by God's plan
for salvation embroiled
Look to harvest's seeds entailed
Sense iniquity in thy belongings
that consumes thy right to
kingdom home
Loss of soul incompatible
with high Light extruded

1502

7-6-2003

Summoned art thee to down side
of life
pilfering the word of the Lord
from people basking in ways of
Judas
Holy Rector within
downsizes grave apostasy
by vermin of worldly intent
Look to mirror on wall
that seizes image of holiness
declared
that rebate of jocular soul re-
emerges

Ogle thyself when dancing on
surface of Earth
Lasting image focuses on God as
thy Companion true

1503

7-7-2003

Holiness proclaimed by Father

Reach not for Me
when thunderclaps of storms
human
reside in thy heart
Solace reigns true
when teetering on point of
despair

1506

7-10-2003

Host not thy thoughts of
segregation
from holy Bird of heaven's realm
Set free thy mind of pure intent
roving in land of massacre and
mire
Bring peace to sibling of sub-rule
that manifests chaise lounge
in land of duplicity
Make of Me thy Ruler
in utopia of gardens splended
spread before thee in land-
locked misery
of cauldrons boiling in strife and
discontent

1507

7-11-2003

Strength thy church
Smolder the charred ashes of
Light declared
in vacuum of world without end
destined

Hasten to corner of mind
that propels word of the Lord
in signatory of make-believe
land
Let loose thy soul to proper
heights
that dignify longing for sequence
pure
to holy land recovered
Lowly marshes recede from view
in land of twinkling stars
Hearts of wholeness rejoice
at word of God received
in land of Nod awakened

1508

7-13-2003

Castigate not My worthy sons
grounded in birth celestial
Seek need for Me conforming
to traveled miles in worthy cause
Diamonds in rough stand out
when eyes opened in cause of
Mine
that exemplifies birthright
retained
in world of make-believe
Putrid the world when
unassessed
by eyes of Mine
Bilked by form of sons of
lowlands

when cast about by eyes of thine
that foresee not high regard
of fortunes favorable vested
in family of God avowed
Fortune founded in holiness
Absolved sin cleared
Lost logs of Summer's Breath
retained anew

1509

7-14-2003

Withstand not the sands of time
when doubteth Me thy
Companion true
Sit in My presence 'midst thee
to grasp My hand for toil
together
for help of others drawn by Our
union
Last will thee in supplemental
fashion
hearing thy role from lips of Mine

skewering products of aborigine
mind

1510

7-15-2003

Hearts aglow with vested songs
heal angels of heaven
adrift in sea of dismay
Locked horns with demons
portrays ministry of gilded sleep
torn apart by vassals of kingdom
home
in eternal life
Hell a 'fire with wormholes of
disputed worth
Hasten thee to Me in knock-
kneed pursuit
of gangrene obliterated

1511

7-16-2003

Existing temptations distribute
sense of malaise
coordinated by demons of
oligarchy
sequestered in hell
tantamount to misguided minds
Newer edifice etched in place

1512

7-17-2003

Quality of raiment
dependent on scissored fit of
cloth
sculpted by Maker
Jesus performs miracles
that demonstrate pull of the
Father

on land-locked base of
connivance land

1513

7-18-2003

Walketh not in My path
when quest thee for loose mind
astray
Hear Me not when quest thee
for unforgiveness in land of
disarray
Coarseness of heart causes thee
uneven spirit
dwelling in land of Hades
revisited
Haughtiness unbecoming in twist
of mind
deceiving thee with cruel joke
vested in
Likeness of image seen in fellow
man
when casteth thine eyes 'pon Me
in mortification of dead presence
conceived with unclean lips

1514

7-19-2003

Pristine pure the pump of
celestial spheres
broadcasting the arrival of
Christ's appear
in lives devoted to Savior's
Source
Predestined art thee to cloak the
world
in Robe of Hope historically born
Let be thy mood of joy
proclaimed
that liquidates foul smell

of Earth besmirched
Ruler of Crown enabled
Scope of contact magnified
when cast thine eyes 'pon Me
Heart of wholeness opens
when cast out demons of
demigods
Tend to business true
at roadside

1515

7-20-2003

Frustrate thyself with medium
course
beckoning thee to challenge Me
in decisions Royal
In due time will thee traverse
ground
laid out by Me
that wins over world to My side
Let thee be in calmness mode
forsaking ilk wandering
in lands indecipherable
modeled after fear-laden trip
into lands of dreams
Seek not thyself alone to serve
Me
Hasten to Me quickly in dreams
of chance
Let be known thy stars surround
returning to home base
disingenuousness

1516

7-21-2003

Held in Heart of gold made free
by Me
languishes thy soul

Hopeless hearts tuned to Maker's
nemesis
delayed in return to freedom
Look not towards stable of dogs
touting bargains of goods
derelict
Waste not thy time on soul
smeared in dung of waste land
Set free thy mind to comfort land
where tides of joy wash over
sands
sterile in shame
releasing man to return home
unstained in visage Mine

1517

7-21-2003

Bumptious thy style of
mastermind
condemning others to abuse
conductive
Lost in legacy of adamant
warriors browbeating
thee hasten demise of
wonderland forsaken
Make more of Golden Wand
handed thee
for power Mine that ordains truth
as central core
of kingdom come
Leprechauns of enchanted forest
spring forth in roles of overseers
of lands laid forlorn
in juices distilled from
management misdirected

1518

7-22-2003

Forswear thy gallops into
infirmity
that possess thee in time
inglorious
Punctuate thy rhythms with
glory-based tunes
riding side-saddle
on mount of angels calling

1519
7-23-2003

Sustenance royal becomes thee
when faults a' fly from kingdom
home
Evil subsides at curbside
of path to kingdom home
Stools freefall from heavenly
scene
destined for potting of gardenias
lost amongst debris
of wayward land textured

1520
7-24-2003

Berserk thy mind in caves of
perdition
trolling in seas of human
suffering
Eager thee be for obstinate ways
of human dissonance and
heartaches multiplied
Sanctify thyself with discipline
Mine
curtailing wanderings of mind
obtuse
Waves of emoluments loosen
hold
of salvation strangled
by aperitifs of poison

spread upon senses of noble ark
treading water
in treachery of maligning mind

1521
7-25-2003

Do some elevation steps
that sing of songs medial

1522
7-26-2003

Eat not of foods garnished
with cloves embittered by
worldly state
Eat of heaven's manna properly
digested
that offers thee wisdom
in collapsed sphere of human
decrement
Empty put thy manifest destiny
precluded by seers of holy
orders
that wing their way into minds
adapted to sounds of flight
Stay and eat at heaven's gate

1523
7-27-2003

Inch thy way to heaven's gate
personifying Christ thy Maker
in lands of never-was
Holy Heart foretells of peace
subsisting in core of being
Humongous thy mind rattling
about
in see-saw of slavery to outer
world
Witness within to My presence
that brings thee solace

to dead beat of heart ostracized
from central Core
Fluorescent Highlights signal
thee
to overcome labyrinth of curves
fostering dependence on beaten
path discernible

1524

7-28-2003

Belfry tower haunts lower
echelons
culling out converts to Wisdom's
ways
History cycle abnegates
followers
of Christ crucified
seeking carnage of lonesome
prairies
stooped in defiance of Master
rule
Hold out hope to interlopers of
infamy
seeking redress for sins
imagined
causing mayhem in citadels of
abuse
Wreak love amongst outcasts
of Father's children seduced
Servant Savior emulsifies time-
laden woes
lost in mishaps of daily life

1525

7-29-2003

Sequins cover path of delight
leading to kingdom home
rediscovered

Hearts of holiness recount
memories
of Lord's presence
awaiting traveler well worn
in dirt holes of majesty scorned
Wings of angels flitting about
joust with hard core of Earth's
tramps
suing golden Arms of heavenly
descent trespass

1526

7-30-2003

Help others in source of woes
denying membership in tandem
circles
Insubordinate art thee when
ruled apart
from mind of Me
entranced with roving
in fields of shame glued
Wait for thee will I
When glue undone
thee waltz to tunes of glory Mind
deciphered
Longing for home abjures stay in
wastrel state
adhered to soliloquy in time lost

1527

7-31-2003

Bold be
enslaved in wanton land
admired by onlookers of
withdrawn state
Domain punctured

1528

8-1-2003

Hearts a' glow with tenderness
speak of mind at peace
Reason not thy wants
that allay thy mind with fears
unforeseen
Look to Me for quiet answers
that reach out to quell cisterns
of roiling doubts
Beknownst to Me thy troubled
soul
casting about for joys
undermined
Let loose thy wings of prayer
forsaking world of worry
letting Air in from Source of love
complying

1529

8-2-2003

Snowdrops tilt world-at-large
dangling at precipice of mass
destruction
Held up by Me art thee
in nuptial of common grace

1530

8-3-2003

Echelons of healers grace world
with come-uppance of Lord's
showing
in tawdry loves of insane
dealings
Barrels of love delivered
on plane of truth
that capsizes rocking horse
of children at play malevolent
History subsides in season of
abstinence
Kneel not in dung of lowlands

Rest in rooms holy made
on trapeze mounted in heaven's
girth

1531

8-4-2003

Flawless beauty rests in center
Core
In My embrace lies withered
the seeds of doubt
that bestow hardship on minds of
men

Holiness is found in bereaved
state

accorded to thee in secular
world abandoned

Listen for Wind of wilds that
beckons thee
to calling true

lost in world of demi-gods
pursued

Littleness of nature dethrones
God immaculate

from scene of worship bestowed
Pass by thy virtue unclaimed

1532

8-5-2003

Hooked into caustic fumes of
shell fire
loaded into cannons of vitriol
cement relations with other folk
banned from expression of
grievances

1533

8-6-2003

Destitute thy ways of significance
that see nothing of worth

Naught else but Me thy kingdom
Ruler
sees life a 'bloom in ways of Mine
Rulership thine when cometh
thee to Me
in singular way
forfeiting all that stands apart
in lieu of sacred life
Manner of Mine occludes all else
Destiny thine flowers in skills of
reprobate
solidifying hold on mansion of
elite corps
grounded in servant hood of
Inner Stream
Witness not to foul cleavage
of soul and body sought for
Harken to light of angels bright
traversing land of moonless skies

1534

8-7-2003

Distinct in form paltry not
sits Son of God encased in
shining glory
Hear Him in golden tones dulcet
voice
soothing worldly woes
in manner
clear of congestion
speak words of Wisdom sourced
Listen to harmony of mankind
Repast driven ministry
succumbs not to village of fear
In maiden voyage of Delphic
themes
synchronicity astounds soloists of
dichotomy

1535

8-8-2003

Sought not thy grapes of wrath
when cavalcades of quiescence
douse thee

1536

8-9-2003

Bent out of shape by malingering
mind
waspish thoughts prevail in toto
Lost chords of harmonic
symphony
drowned out in currents of
vituperation
Hold to mind of love that portrays
sense of proportion administered
when caught in web of deceit
promulgated by cast of
thousands
invested in supreme idiocy
of hankering after summary
delights
in holiness denied
Hearts of golden Core redeemed
in love of man
Sounds of music heard in lands of
dreams
encapsulated by wandering
Spirit
decimated not
by honky-tonk noise of shallow
world

1537

8-10-2003

Motion Me in drive
advancing to center core
that brings semblance of holiness

in light of day
Lost in saw grass vested
toothless Virgin ponders escape
from landscape emaciated
Crescent moon emerges
in domicile of haywire
tomfoolery

1538

8-11-2003

Twitterings of mind beset you
interspersed with regal orders
Proceed to ordered mind
Blot out the noise of worldly
clamor
that disclaims the Word of God
within
Cast aside the inner valve
that waves away the sight of Me
Tend to business Mine
focused on worthy cause of
dominion procured
in elastic grasp of Arm preferred
Leak sustenance
Rally cohorts in endeavors
lasting

1539

8-12-2003

Harmony at rest in hillsides of
gladness
halting onslaughts of persnickety
eruptions

1540

8-13-2003

Beknownst to thee
thy true and tried Signatory
of heaven's vows

that beguiles thee to campus
home
Alter thy course to kingdom
home
flagellating not thy wisdom store
Want not of meaty domain sayeth
I

Handy thy traveled path
from world of misbelief
Levity resumed in archangels

1541

8-14-2003

Pause all else besides Me
in everything you do
Hear Me midst clamor of worldly
tones
Harken to My Voice
that spells out syllables of breath
Open this napkin
You don't trust Me

1542

8-15-2003

Stalk municipalities in
heavily laden ruin
Bring forth qualities of filtered
rain
that quarrel not with
seismographs
of tunneled vision
Listen to heart of Mine
glistening in corridors of time
Relinquish not thy hold of Me
that stands thee in good stead
Forgo My plans Easter-bound
nay-saying
Wayward thy stream of thought
pulsating in land of Nod

Desultory thy view of Paradise
parading in sheep's clothing
Paradise regained in harmony

1543

8-16-2003

Seek not thy welfare in customs
human

Place thyself in hands of God
Do unto others as love permits
wanting nothing in return
lest see thee anger in thy face
Vaccinate thyself against
harmful insurrection
Lilting lines of symmetry
have you come to hear Me
Lyres of destiny playfully call

1544

8-17-2003

In stillness do you sit
awaiting Me Who clears your
mind
of assorted things
remonstrating with thee
in corners of your mind
Coolness of heart calls thee
to succor midst gardens of plenty
Grueling thy work in center Core

1545

8-18-2003

Cross My doorstep with folded
hands
that stigmatize My following

1546

8-19-2003

Crystalline the stars of heaven
benign
that bestow love on world
beneath

Asinine the flow of bile
that licks the boots of hatred
spread

Fleet the vision of wasted lives
embarked on shores of vistas
vehement

Enlightened the view of Savior's
breadth
enfolded in lap of love
sought by man demonized
in time of trial entangled

1547

8-20-2003

Jack-of-all-trades condenses
in labyrinth halls
seeking servants of witches'
brew

Waken not to minstrels playing
in valley of deceit overlaid

1548

8-21-2003

Holy is thy name O My son
guided by My Spirit bright
renowned in word and deed
Andromeda strain licks at course
of delight

powered by false vision of
holiness secluded
Wash not thy clothes in muddy
waters of heartache
destined for recall from foreign
lands
of trophies atrophied

Wells of sanctity let loose
gushers of lake purifying
that mold thy soul to Me reborn
Poltergeist sanctions realm of
love

1549

8-23-2003

Beastly thy cadaver source
resuscitating old wounds
as grist for survival
Harken to call of noblesse oblige
Sustain thyself in rhythms of My
heart

Sift through the layers of torn
delights

that enable thee to become My
heart's renovator

1550

8-24-2003

Hold to your heart the Mind of
Me
that proposes synchrony with
Blessed Virgin
Itinerant thy mind with thoughts
aglow

in mainstream of world apart

Relish Me

thy Maker be

in throes of disconcert

unvarnished

Worsted rule of law declines

1551

8-25-2003

Exist in trees of destiny that haunt
dry plains of netherworld

1552

8-26-2003

Satisfy thy quest for eternal life
that craves completion in time
secluded

Home in on Rulership divine
that beckons thee to inner Source
leading thee to lost world's
oblivion

Second to none be thine
attentiveness

to Holy Grail uplifted in solemn
reign

1553

8-27-2003

Bend to Me thy knee
that all be well with thee
functioning in time

Lost thy will in core of Me
humming tunes of glory sent

Holiness is thy name

when cometh thee before Me

saturated with love of Mine

Distant the fields of glory

when duped by clouds of

suspicion

waylaid in land of mistrust

Occasion of honor discharged

when Lord of hosts accompanies
thee

in-dwelling with Spirit rule

Sense the ringing of Christmas
bells

clearing the air of pollution

contrived

Ransom thy soul to alimony

received

from love life to rancid
misgivings
Tutelage obtained from Holy
Spirit
persevering to claim soul's
return
from hobgoblin land of lost toys
All is well and complete
from senses raised to holy
tabernacle

1554

8-28-2003

Landslide of currents vernacular
circulate in dimly lit corridors
escapading
Trite thy words
Motivation supplied for lineage
advance
destined for sure footing in sea of
sand
Marvels of empire cast thy way
with meat hooks of chance
obliterated
Style and content persuades
multitudes
of lost boundaries recovered

1555

8-29-2003

Eventually doth reign the King
and Queen of heaven
sent in morsels of your lives
devoured
United in heart
kingdom made
liveth the souls of man in peace
forever
Redress thy holy name

Welcome thy stalwarts true
who mesmerize thee with koans
Foreordained thy pact with Spirit
life
Excelsior
Doomed to dialysis thy quest for
riches
Exonerated

1556

8-30-2003

Remorseful thy state of mind
when called by God
to seek holy order in life claimed
Signatory of divorce decree
abandons safety
landlocked in marital contract
with force of evil
sustaining vices pecuniary
Return to Me from humdrum
world
of wrack and ruin
solicited in teapot tempests
undeserved
Ruminate on things not of Me
Who seizes your mind with
unclean thoughts
Decisions made on matter Mine
flow from bridge of levity

1557

8-31-2003

Ebony cast thy worries
in schemes of glory that prefer
transfix
Tool thy work to receive Me
that supports thee in ways of
world modified

Tainted the score of household
woes
decided by worldly misfits
Hop on wagon cascading over
land and sea
bringing tropics of love
into icebound hemispheres

1558

9-1-2003

Overheated the sky of silken
dreams
contaminated by earthly
enterprise
Wreak of substantial gain

dreams
that collapse wayward eye adrift
in banal life

9-1-2003

Spirituality subsumes love of
God
in mayhem-delivered world
undergone
Staircase to stars littered with
fallen angels
careening in dust of misbehave
Soul of man requires
bantering with Cyclops monster
chilling divorce of indentured
way
Bomb blast of fecundity ignoble
stifles impulse to regain starlight
abjured
Traffic in mayhem no more

that quest for sauntering path be
open to thee
in fullness of bloom

1560

9-2-2003

Paltry thy mind's blossoms
bestowed on kingdom land
unadorned
Spiked thy grave site in heather
withered
by tombstones of gloss
unassuming
Currents of vitriol
course through land's
catchments
spilling over into sewers of
detachment
Whispers of glory seed
parade through Paternal
grasslands
beguiling thee
to slaughter house abandoned
in vacuum of non-existence

1561

9-3-2003

Narcissist dallies in time made
real
secluding himself from others in
life of God's
Charter of linguistics staves off
counterbalance of violence

He who seeks Me wills My will
Arid landscape flusters drover
seeking pasture for fragmented
thoughts awry
Seek heaven's gate as latitude

from synchronizing drivels
with harmonious strains of harps

Lover of music sits
in vestibule of laundry room
exorcising wastrel of dirty duds

Hear Me O My souls
that deposits thee in peace on
earth

Let bloom the Rose within
that shatters vice of manuscript
laden with precepts of Monarchy
forsaken

Well up will thee
with signature of Mine
that casts demons and devils
of modern day world
secluded from hope of eternal

9-8-2003
Everlasting peace declared
in kingdom home preserved
Holocaust of heaven

Return to Me thy wanted Self
scouring off film of metastases
linked to sojourn in heaven

9-9-2003
Busted are the rogues of war

declining to joust with the King
and Queen
of heaven sought
Rude the noise of bombast and

Healed in heart art thee
when accomplished in soul
the son-dance in glory
Salutation ignored
in dung fever of holy life
spent in entrapment of worldly
glitz
Comatose thy will
spent in stench

lights of love renew faith in outer
world demise
Cuckolds rest in sustaining vision

limited to one God of majestic
heirlooms

1574

9-12-2003

Waste not thy life on worldly
goodies
portrayed as worthy in land of
Nod
Seek out fame of Master's Voice
descending to pits of hell from
heaven above
Dawdle not in mind's unease
that classifies woes as happiness
sought
Codicils of lawless
disintegrate into seeds of decay
when faced with standards of
love beknighted
Sated art thee with willfulness
nourishing neglect of Me thy
King
Yuletide greetings foretell glory
of stones unturned
in tableau of heavenly descent
Mixed greetings
deter storm of liquid horrors
confabulated by denizens of
underworld

1575

9-13-2003

Sully not thy fire-breasted plate
with taunts of angels decimated
Leave thine home of tattered
ruins
sailing in seas of infamy internal
Seek further the kingdom of God

in your life of judicious
wandering
Let speak thy soul in caverns
clear
exercising exclusion of wanton
ways
Look forth to kingdom home
salivating for merriment of
eternal themes
that beguile thee with songs of
cheer
in world of mischance
Let not froth of homelessness
deny thee sanctuary of life
succulent
Wanted hilltop of love
delivered in madness mound
jockeying with see-saw
moments of delirium
Hostile takeover loses
momentum
in hideous battle with Monarchy
dispossessed

1576

9-14-2003

Gossip curtails will of Mine
that flowers in scene of love
Portray Me as willing Heart
that wells within vacuole
of sense inhibited
Holy Mother advances themes
of holocaust dimmed in minds of
man
attuned to Mother's womb
Wish for themes implanted in thy
person

1577

9-14-2003

Temptations alert thee
to overcome of Holy Spirit
by mind drifted into haze of
deceit
Glory of the son disguised

Garden of misbehave lulls man
into sleep of misproportion
Guidance perpetual
accompanies thee
along the path to kingdom home

9-16-2003

Hideous thy rout in swamps of
time
galvanized by squadrons of
pursuing hawks
Centered in being lies Primate of
inner world
destined for flight to kingdom
home

1580

9-17-2003

Temptations arrive that swing
thee away
from thoughts of Me
Unfold thyself in manner grave
to will thyself to My command
Let loose thy trembling lips
that aver loyalty to thy Chain of
command
acclimating thee
to will of God supplanting thee
Hunt down thy mode of servitude
that fills thee with joy and glee
Clarity informs thee of true
blessing
that wings thee home to Me
Sit in Me thy true Source
that glows with fervor of love
possessed
Catapult thyself to heaven's
heights
jarred loose from home of dead
implanted
Dwell in kingdom halls
lighted by eternal Spirit of home
preserved

Herald the call of friendly Ghost
destined for visitation to world of
man

stir soul to zones divine

1582

9-19-2003

Ebullient be in heart of Me
preserved for thee in posterity
Held forth thy crown
in nexus ordered
healed in love of God
Holy rites performed
in place of sunlit quarters
bringing thee to home
of eternal sanctions immortalized
Illustrious thy role
in kindling fire of love
consuming passions of
underworld
Lemonade of wilted flowers
condemns circuitous path of
revelers
seeking God in transition state
of blind man's buff
Courteous thy way in selling idea
of sinless hearts remembered
in crèche of Holy Master

Forsake not My rule
that calls thee to sacrosanct
moment
in heart of Me
Rulership thine when cometh
thee
to holy ground delivered

1584

9-21-2003

Unwholesome the loss of Spirit
God
wending your way in the
sickness of life
Hear not My Voice calling
that tears away fabric of lost
world submerged
Dunk thyself in brine of holy
habitat
that calls thee to Master's home
complete

1585

9-22-2003

Intemperate
ways of thine
Interloper of Hades possesses

veils of obfuscation regroup
to further mock the hand of faith
delivered
Knowest thou that temperance
bestows beauty
of golden Bough to seeker

1586

9-23-2003

Seek not further thy value
harnessed to engine of Me
Fate hinges on lofty goals
prepared on seismic scale
emphasizing lost credulity
hankering for scum-based
travels
handed up by soulless mind
Beehive of activity
sorts out wealth of collective
effort
culminating in season of despair
overcome
Hold yourself up to Me
that I might blend with thee
in song and nature still
Casual thy way in thought
perplexed
that absconds in foray false
Nurturing thy Guide with latitude
broad
forsaking thee not in tempered
path
Be not without Me
when call thee do
to Primate exorcising Wind jam
from ways of man

Hurt not thy vineyards
with ghastly display of
impudence
Listen not to tomfoolery of mind
made wicked by lost soul at bay
Toujour L'Amour crests

in song of eventide
that fulfills thee with text
that lifts barriers
to heartfelt moon tide adrift
Machismo spirit signifies loss of
faith
in God the Father to compel
peace on earth
through servant means

Relieve yourself from storms of
exile
Rulership thine when thou
cometh to Me
to profess bastion of peace
preserved in inner heart of man
encapsulated by heart of God

Harken to the angels' song
that holds thee in rapt accord
Listen not to sounds of dirt
scraping on feet of clay
Will thyself to follow Me
to kingdom home across the sea

1590

9-27-2003

Tousled thy soul inebriated
flaunting conundrums with devil-
may-care
Feel thyself in heaven's arms

Sensibility resides in Me
that flounces not
on stage of withdrawn

Holiness inclined absorbs thee
in whitewash of perennial themes
excluding materials of lonesome
world
portrayed by kingdom home

Wait not for Me to approve thy
signal
that flows beyond this vale

Righteousness dooms naysayer

Spotless thy record in cleanse of
heart
whipsawing in winds of desolate
land

Ring forward with truth known to
thee
that all may see thy home in Me
Relish sunlight of dawn
casting shadows of hope on the
land

Persevere in thine efforts

cuckolded by world of fame
emphasizes realignment
with shadow world deterred

Biceps of natural Deity

rousting son from asleep of evil

Seek no further the wisdom nor
Source
heaven sent

1618

10-24-2003

Loosen thy lips O My son
that receive blessings bestowed
Regulate thy heart foreordained
that recalls snowdrops of love

Smooth thy skin wrinkled with
grief

allowing principalities of life
admission to core of thy being
Withstand truth's foreclosure
of heart songs amiss in tempest

Helpful the sound of My voice
pervading space of inner world
All is silent in largesse of

Lackadaisical thy sight of
amorphous hollows
proclaiming selves as alabaster
hills of home
Holy haunts plague thee with
reminders of innocence
inculcated in glands of Regulator
exposed to world of want

Circuits of disuse well up

Angels of death disingenuous

undeterred in fields of play
lit up by harlequins of devilry
Source of light

Hark to heaven's Heart that calls

that inclines thee to heartfelt
succor

Wait for Me in turns and places
disgorging amulets of holy order

Then wilt thou know peace of
heart
declared in all phases of walk in

Antagonize thy playmates with
rustic hearts
burrowing in sands of
demonology
Make excuses for deviant

dost thee sing of things on high
Secular forms dispersed
in raiment liturgical
Humdrum world of co-exist
declines precipitously

Wend your way to mystic land
that espouses cause célèbre
of God our King
Listen to songs of celebration
that welcome thee in harbors of
safe return

Hasten thy downfall
when glisten the leaves
of Christmas past
Hosts of angels fly about
dousing thee with oils of love
Content be with sacred sounds
lolling thee to kingdom home

Safety in numbers accomplished

Golden Star of glory scene
hangs low in sky above
wandering world of deceit
transfixed
illuminating
