when gaze at tree trunks
tarnished with gold mint

with healing grace alluded to
Conquest of devil
foremost in mind of Matriarch

lingering in monumental
cataclysm

1742
2-13-2004

Hate filled hearts
abound a 'plenty
in malignant world of maelstroms

land
quest for homeland begins in
earnest
Twisted in faith

that uphold thee in times of terror
Make most of Me
replicated in saintly fashion
in My son
Hear said thy role in pernicious
land
overtaking seed of evil
dominating
Locate Me in fathoms deep
that suspends thee
in locale of heavenly scene
Listen to thy faith
protruding from land of lakes
chopped up by devious devils
in masquerade of hearts
blemished
in time land opaque

1744

2-15-2004

Caved in wilt thee prosper
in timeless land of milk and
honey
subdued
Silken clouds of tender mercies
robust
fill the air with tender touch
Dreams of long gone visions
revive in minds of squatters
in no-man's land
Peace be upon thee
roving one with mindless chatter
awakened not in froth of filth
in minds of waste pursued

on higher ground disposed
Leave thy cantankerous
misguided self
glued to the ground
Worship thy Guide
to better living
in zone of equality

doth thee walk the line
of temperance for matters unholy
Wish not for porcupine quills
protruding from line of sight
extinguished
Hinterland calls thee
from seascape visited

1750

2-20-2004

Salacious thy mind
in quest for peace that drives
thee
Distant the shores of heavenly
heart
calling thee for return to Christ
adored
Hammer thy cross in Sovereign's
land
that dwells within thy soul
imbued

1751

2-21-2004

Shaken by forces of malevolence
you cast away thy throne in God
Listing to side of avalanche
you cave in to orders
of peripatetic hordes of
disclaimers
Launch thy site of holy order
that proclaims God as us
Singular be in chase of Me
that casts shadow on world-at-
large
Cast thee aside thy human state
that dwells in torments of hell
Look to Me for solution
to hemisphere of love regained
in torpid land of never-was

1752

2-22-2004

Willing be to seek Me
in land of dreams and mire
Sought not am I
when clouds of despair block thy
view
Realistic be when faced with
thoughts
of land-locked mind
that cowers before demons of
this world
Augment thy tools with call to Me
that blisters way to self disclosed
amidst briar patch of heaven
blocked
Sanguine be in form of Me
thy Judge and Jury

Hillside verdant with colors
bright
in sunlight of dawn
Hold up thy personage
filled with translucent light
that gleams from interior design

1753

2-23-2004

Hasten to Me that guides thee
through world at war
contaminated by mind of
madness apart
Listen to balm of leadership
spread in hearts of wholeness
decoyed
rooting out slatterns of
unholiness
in midst of mire

1754

2-24-2004

Wander off path of belonging
when cast thine eye on venture
thine
Lockstep with Me
when cause thee make in manner
Mine
Steady thy feet in grassy fields
rich in nutrients supplied
to wakeful son of counter culture
decimated in dreams of
harlequins
Shake loose thy wistful eye
commandeered by sassafras
roots
dug into dung fields of delight
Seclusion with Me bombards
senses

with awareness of highway
to starts unadorned

1755

2-25-2004

Held in heart of Mine
you stray not from kingdom
home
Holiness envelops thee
in form of compliance

1756

2-26-2004

Saddled by disheartening state
midst grime of collective mind
you sashay on boulevard of
dreams mortal
Scrounge about
titillated by sheep in wolf's
clothing
laughing at mockery of God's
imbroglio
seen in dense weeds
Rooted in kinship
God forms bridge to waifs-at-
large
longing for correction
in vestibule of heaven

1757

2-27-2004

Hold fast to thy line of
communication
that decodes My will
Secular zero density perceived
in service training
seeding thy role

1758

2-28-2004

Hosts of heaven proclaim thy
worth

in style of manner Mine
Levity requires dose of meal
served in banquet hall of
kingdom home

1759

2-29-2004

We want to set the example
that these messages are followed

Lost in sandstorm art thee
complaining of wants and desires
Hooked into elements of human
vale
process of disintegration holds
forth

Sutured to garden of unfolding
that ramifies lost condition
lessons learned clarify condition
of readiness to return
to altered state of cognition
resembling truth in process
recalled

Hand in hand I lead you
to the throne of God united
Step back from cavalcade
of amorphous dreams

1760

3-1-2004

Xylophones ringing on doorsteps
portend the heart of man
entering sluice gates of heavenly
abode

Gala servanthood abides
in whispered haunts of seamless
home

juxtaposed on scenes of hearts
stilled

1761

3-2-2004

Discontent drives thee
when faced with Holy Grail
delivered to thee in shadows of
throne

thy thirst
for healing power
Ruler of kingdom displays
interest
in calling home His kingdom-
born children

Caterpillars flourish in dingy
halls
hackneyed by scope of human
mind unchanged
Solicit advice from brothers-in-
arms
gathered under wings of Father
God Tertullian

Special Note

mentioned to Dr. Weltman on
3-4-2004

1764

3-5-2004

Mottled be thee in stranger's
garb
lopsided in decorum and waste
Look within thine exterior
where find thy grace and eternal
home
Seek out thy vengeance thoughts
percolating in port of terror
that erupts in querulous sallies
bombarding naiveté of
wholesome heart
Wish not for hurts
succumbing to bastions of
loneliness
Seek out friends in perilous fields
that regard truth as surplice
entombed in majestic order
of wizards on parade
Ditch thy self
that reigns in revelation not
Fortitude lies
in convulsion of spirit risen

1765

3-6-2004

Saintliness requires diligence
of heart and mind
embarking on trail of recovered
mind
albeit evolution entrusted
Knoweth not the kingdom
when immersed in worldly
matters
Sanctified
seek not thy wealth
in trauma imposed

1766

3-7-2004

Whistle not in halls of shame
Dotage prepares soup of
melancholy cries
Languish in dream state dipsy-
doodle
when cast thine eyes on soiled
ground
of perverted world
Look south to homeland base
where eyes meet Creation
Source
that avows rightful title of holy
son
Loneliness subject of distended
vision
that parks in wayside of
perpetual grief
soon allocated to dreamer's
mode
Cistern of love compassionate
realized in waves of grief abating
Hearken to My word
that dispels thy grief
in fortunes founded nesting in Me
Lopsided countenance smoothed
by grin of cheer
indulges in sacred duties
performed

1767

3-8-2004

Quirks of nature befuddle thee
lost in midst of iniquity
Seasons of doubt remain
that calls thy name
to adhere to false standards
of life abhorrent

Seen in glory
faces emerge from misty view
calling thee to rectitude
and promise of life secure
In Name of the Father adhered to
rejoice in life so moved
Torrents lift thee to life ever after

1768

3-9-2004

Angels of death forsake lands of
never-was
blossoming into winged spirits of
holy concourse

1769

3-10-2004

Hold onto Me My love
that forsakes not thy passionate
calling
Seek the flame of truth
that burns bright in inner mind
calling thee to eternal rest
Lance thy sore

1770

3-11-2004

Fling thyself before Me
untouched by human hands
Hopeless thy view of Me
in tandem with thee
Fidelity positioned
in transfer of locked horns
to My groove in status
subscribed

1771

3-12-2004

Least of all be thee

when in curdled soup of satanic
mix
Garbled thy role when consumed
by wayward path of contumacy
Bridge gap of harlot's dysentery
mulching land of disrepute
Road to ruin dissolved
in basin of holy water
dousing flames of non-
compliance
with titanic waves of
disengagement

1772

3-13-2004

Saunter along path to oblivion
when circus act of fools followed
Mention Me to mind curtailed
by bottomless pit of hokum
Derive manifestations of master
plan
settled in log of pilgrim's
progress
that exercises themes of militant
devotion
lessened not by percussive
invasions
of frightful dissonance
Be assured of wisdom purveyed

1773

3-14-2004

Perspective gained in haunts of
hell
locked into containment of
master plan
Surplus of wisdom sustains thee
in marshes of tidal waters

Hopeless thy cause spent in
hands
of locked-in land of perpetrators
assuring thee of guidance
unfulfilled
Crest thyself in lunatic fringe
subverting word of Mine
integral to sight of land beyond
in holy spheres
Disdain for land of Oz
perpetuated by Holy Ghost
consuming thine attention
Tilt thine head to land
beneath caterwauling

1774

3-15-2004

Megalomania rooted in call of the
wild
saturated in collisions
with the divine Deity
coasting in plane of dispute
Trapdoor to unknown
raises consciousness for meeting
minds

Set down thy pen
to record homespun liturgy
that captures fancy of crowd
trapped on tethered rope

1776

3-17-2004

Phantasms of the deep recalled
bring word of troubled days over

1777

3-18-2004

Rectify thy course
that bestows honors on followers
of salivary glands
Mephistopheles' dander caught
up
in banks of rhythm promulgated
by desire to lead life of
Godliness
sustained by holy nature

1778

3-19-2004

Tandem separated
by willingness to part company
conceived in dire stress
illuminated not by hysteria
of wanton mind diseased

1779

3-20-2004

Besieged by climatic pain
must thee send forth
signals to Father
welcoming withdrawal from
world at large
Ease thyself into turnip shaped
ball
that processes thee with acumen
Summit reached when call thee
to Me
that displaces fears of untoward
death
Signs of heaven cast before thine
eyes
that rebel against suit of armor
worn in this world of make-
believe
Principles of love

joust with elements of fear

1780

3-21-2004

Wastrel art thee
when combined with Motherland
Tour of Force enigmatic
curtsies to harbingers of love
stalled on highway of deceit

1781

3-22-2004

Salient of light
probes inner process
reminding thee
of content of greater Mind
Unfolding fortress sustains thee
in chilling world
of make-believe adopted
Let loose thy guide to
netherworld
that sparks discontent and
heartache
Receive thy brother Christ
in swamps of denouement

1782

3-23-2004

Shorn of locks unclasped
gilded by dreamers of false
universe
man mosies into
lackadaisical state of
clairvoyance
emptying into sewer pit
of fantasies unraveling
Singularity of purpose dots
landscape

of netherworld calling Godzilla
back
into cage of non-compliance

1783

3-24-2004

Haughtiness tangles thee in feet
of clay
zoning in on harnessed state

1784

3-25-2004

Elastic thy string tied to Me
in woe and wellness

1785

3-26-2004

Tangential thy mind
aflow with gaseous elements
of noisy world
superinflating hearts with tedious
tones
of blatant doggerel

1786

3-27-2004

Hasten to Me in winds of time
that echo in corridors of shame
contrived
Plastered in relief
in crass crop of unholy works
destined for garroting sink thee
into maze
of disrepute personified
Hold thyself up from iniquitous
base
of doom and gloom
flattened by coarse dialogue
of logos contrary

Seek help from Savior of deflated
spirit

rousing thee to heart-felt strings
of glory
sounding in miasma of
unconcern
Locus of healing within
that sheds light on gloom of day
Waste not thy time without

to single Seed of entity
Curtains overhang will of God
in hereafter disclosed
in hearts obedient

wasteland
Relish thyself with cast iron legs
that straddle sands of time
hoisted on wings of angels
harnessed

North Star proclaims judgment
of man astray
in dingy hovel of time squeezed

sneering at recompense of loyal
Father
Heartwarming the site
of ancestral home
that becomes thee in ancient
order

Holy days consumed with
decibels of sound
promulgating peace on earth
Destitute in mire of worldly glob
man upholds the ways of
satanical mind
seeking offshoots of hope
in dense forest of lostness in
perpetuity
Seek no further
Caves of diamonds filled
suck thee in
from albatross stained land
of mayhem and violence
protruding into gardens of
heaven
Hoot and holler thy game
in cataclysm of world events
Restitution becomes thee
in solid gold handle of love

Seek not thy fusion with west
gate
to northern sphere
Step forward
Hillsides abound with cries of
denizens
scooped up from world of lost
beings
designated as saviors of
remnants
still left behind
Shallow the trench of harmony
disused by wayfarers of golden
rays

Sober the mien of christening
angels
locked into sorties of salvation
journeys
picking aside returnees to
heaven's quarters
Latch on to heavenly sphere of
light
designated to forswear
contretemps
of misguided world
Trees of paradise

in halls of inner heart
Let loose thy mouth
in words of love designated
flowing from full fountain of fancy
dissolving reign of hearts amiss
with clouds of glory
wafted in séance secluded

Significant thy role in censored
world
where obtuse minds concur in

Hurt not thyself with withering
words
aspired to in lands of
megalomania
Look to Companions of holy way
that feed thee content pleasing
See Me in image of love
persuaded
Raunchy metastases secluded
Stand fast in thy conviction
that flows the river in time's trials
and tribulations

Daisies dot the landscape
of turbulent world
seeking soothing solutions to
rout of mind
Reach for Me beyond the veil

to depths of dissimilarity
with gross products of twisted

attached to kingdom home
of effervescent froth
that wills thee keep thy throne
in fixed land satisfying
Ponder thy place in history
when encapsulated by storage
cells
of megalomania

1823

5-1-2004

Rarified the air of kingdom halls
that splatters the earth
with code of conduct
Soon will glow eternal light
that consumes the world
of evasive tactics
Stamp out thy noise
that calls thee to mock My ways
that collides with grace
abounding

Pour out thine oil
that causes flicker of flames
degrading elements of holiness
obscured
Keep track of wisdom
forsaking not thy muster
in times of trial

1824

5-2-2004

Look not for Me
when cast thine eyes on things

Hemispheres of love bark orders
that scuttle worldly trips
into largesse of scum
Truly preserved be thy
willingness
to lease thyself to solvents of
misery
that enclasp thine eruptions of
forsaken dreams
Longings for Deity soothes thy
crisis
of belongingness
pasting thee to sounds of love
crooned in distant lands
unintelligible
Make haste to receive blows of
Wind

Surmise My presence
in Wings of strength
Saddle thy steed

5-3-2004

Stake thy love

1826

5-4-2004

Host My Presence in willing tone
hoisted upon sins of
insignificance
Elysian fields overcrowded
with poppies flow
from war of words
that seed danger zone

1827

5-5-2004

Retreat born of heaven's sounds
lead masses from world of
sorrow
to kingdom home
Hold up thine hands to receive
Me
in times of moments glum
that partake in fashion true
with holy order delivered
in clouds of unknowing

1828

5-6-2004

Rouse thyself to Heart of Mine
that holds thee in arms of love
Sustain thyself
in drift of moonbeams
that propels thee
to center of misty care
Trust in Me thy kinship
that sees thee
in ways of true regard

1829

5-7-2004

Seek not thine entry into
kingdom home

when foreclose thy route
with riveting stare of displeasure
towards sacred members of
kingdom halls
pasted on world of Caesar
Cast aside thy ways in lieu of
Mine
seeking nose drops for fatal
condition

Forceful thy way
when composed of dewdrops
poured on thy disposition
from inner God of possession

1830
5-8-2004

Holy hearts decline attention
to land about them
indulged in life of farce sustained
Hear angels calling thee
to will of God
emancipating thee from grip of
death
promulgated by mind of matter
sourced in madness moved
Soaked in brine art thee
involved in calumny of this world
Weather the insults
with steps of mercy bestowed

1831
5-9-2004

Hearts joined with one another
share news of kingdom home
Liberation journey takes time
in land of never-free
that assumes life of gadfly
in halls of acrimony
Alliance of souls subsumes space

in kingdom pocket under My
aegis

Billow the smoke from ground
sites
of haphazard living
fomenting war on Nicene Creed

1834
5-12-2004

Forsake not thy vows to kingdom
home
decimated by world at large
vacillating between horror and
peace of mind
Declare truth thy state
in manner of collegial follower
of Master gone before
Quest for Me in secret home of
charades abandoned

1835
5-13-2004

Songs of yuletide
manifest in dreams of sleepovers
awakening to world of love
personified in hills of home
Need not know necessarily
the haunts in human hearts
where delivered

the message of atonement
received
Risk uncertainty
in devotion to My standards
becoming known to world-at-
large
Heights of heaven open to thee
surrounded by moribund world
of recluse
Hold thyself in stance of holiness
anchored to platform of retreat
from this world of sourdough
embittered

1836

5-14-2004

Hoist thy banner high
proclaiming Christ alive within
Healed art thee when cast thine
eyes
on ships at sea
feasting on glory scene of waters
pure
Delight in waves
hurried not in landfall
speaking of tides of joy delivered
Let loose thy strain and worried
brow
rescinded by openness
to heaven sent warbles of
delicate delights

1837

5-15-2004

Hold tight thy sight of Me
constrained
Whence glow thy footwork
dictated
completed

thence forms avalanche of stars
brocading world of want
with consummation
Hold Me in thine heart
Hear Me speak to thee
of noblesse oblige
that casts thee in light of day
submerged
Listen with ears attuned
to sacred music
that holds thee in rapt attention
to My commands
Fulfill thee will the will of Me
that anchors Itself to heart of
thine
Mistake not My will for thee
accomplished in stone ratified

1838

5-16-2004

Landscape chosen by man
rails against God
set in mayhem in journey's end
Healed art thou when concede
wishes
manifesting in turmoil
lending itself to return of Seed
heaven born
Look within to find thine heart
snoozing in peace
encased in fronds of yesteryear
Hold thine hand in Mine
Sayeth thee words of wisdom
when oust thy phrases
caught up in madness moon
Certain art thee to perform well
at balustrades of heaven borne
Caught on hook of world apart
mission accomplished

by daredevil derring-do
defying lost horizon
of leadership vain
Sink into posterity of angel heart

1839

5-17-2004

Angels enter hearts in darkness
Realize thy potential through
forceful action
adhering to standards set by Me
Hold out thine arms to Me
that flustered be you not
Hold out thine heart
that tranquil be in storms of life
Hold out thy mind
that encased be by cascades of
torrents
washing thee of eclipse of
modern torrents
molded upon walls of kingdom
home
awaiting thee in time's demise
East is east and west is west
in flight from Reality sight unseen

1840

5-18-2004

Let loose thy strains of infamy
Harken to thy song's end that
sings
of glory unfulfilled
Concentrate on lilting melody of
heart
lifted up in song
awaiting sight of Master beheld
Truth reigns in highlands
of hearts unbounded
Stop thinking lest fall from grace

in common Seed

1841

5-19-2004

Scorn not thine heart of
semblance Mine
that characterizes thee
with tulips bred
Bring forth the truth
that proclaims love adored
in triumph seeded
Rule out thy games in swill
contaminated
blaspheming garden inherently
thine
Hell frozen over by will of God
perceived in mammoth cave of
iniquity

1842

5-20-2004

I thank you My son
Quiet thy thoughts of dissonance
that claim thee in sounds of world
apart
Hold up thine head to match
Mine
in dogma stated
when faced with genuflection
to diseased entity sought by thee
in madness mind entered
Rulership thine
when twinkle thy stars of heaven
born

1843

5-20-2004

Hurt thyself when twist thine arm
angered at others' pique

1844
5-21-2004
Look for Me in wooden chair
gesticulating to thee for thine

1845
5-22-2004
Reason not the Lord's ways
seeking answers for final drive
Seek not the heart of God
by routinizing scattered minds
adrift
Lesson learned
in view of godchild
leaning towards succor by
Master mind
that dishevels leaks of authority
coming from scum of literal
minds
seeking no place as bastion for
fall
Sought for place of execution
rehires land of Liberty
hastened to in quietude
Dovetail thy ways with Mine
that seeking Me becomes thy
goal
Hasten to Me with mind affixed
to receive thy mettle
in words of reassurance
contained
Bounce thee not in kingdom
home
restored in galaxy of stars
transfixed

1846

5-23-2004
Hurt hounds thee in areas Mine
that casts thee into flames of hell
Hear Me speak to thee at times of
strain
locked into thine heart
Montage of grief perplexes thee
in scope of mind that hinders thy
coming
in locale where pain harms not
thy substance
Heaven's arms surround you
in Heart of gold transfixed
that lightens thy stay in world
apart

1847
5-24-2004
Holy bastions of love adored
sink beneath waves of disillusion
Look not between thy toes
for colored hoops of angels' play
Seek Me out in darkened corners
made bright by polliwogs
splashing in unison
'midst sounds of moonlight
strains

1848
5-25-2004
Select thy viewpoint
when cast eyes 'pon caverns
of duplicity
Centered be
in roadway to kingdom come

1849
5-26-2004
Wait for Me

Landscape taxing
Side with Me
Eat crow
Humble thyself
to needs of Me pacified
See forth from My eyes
that wills thee to fortune true
upheld by My solace
delivered in manner Mine
'Twill benefit thee in locus thine

1850

5-27-2004

Seek not the kingdom
when thee flee from Me
absconding with Voice of God
within thee
Holiness exists in eternal world
driven by Mind of Me
sacrificed not to means of thee
Locked into heart of God
doth thee tune into
announcements Mine
that cast shadows of joy
over picture bleak
Lessons of love denied not
in world of wonder

1851

5-28-2004

Eruptions of fire consternate thee
in valves of holy land
blocking flow of lend-lease
to participants in heart of hell

1852

5-29-2004

Settle down

The kingdom coming will uphold
thee
in silence that provides thee
with staircase to heaven
Grueling the light of day,
when spinning about in circles
needless
of disenchantment stupefied

1853

5-29-2004

Chastise not thyself for lonesome
moments
spent in dread of non-existence
Take heart
for cometh the Son
Who leads thee into somber
silence
where received the glossing
over
of faults
succumbed to in mind and
reason
that besets thee
Lose not thy virginal state
of beauty exonerated

1854

5-30-2004

You go around with it
instead of turning it in to Me
Sink not into depths of despair
when turneth thee to Me
with milk toast mind of disrepair
Settle into harvest spot
where placed the Grail
of holy concupiscence

1855

5-30-2004

Sidle up to Me in calm of summer
breeze

Watch not for Mayflowers
when cast aside Forget-Me-Nots
undulating in heart of see-saw
man

Watch for tilt
of flowers grown Windmill blown
In tightness bound seek ye the
kingdom

heard in zones of quiet
unperturbed
Lost the noise of world about
when glistens
the song of hereafter spumed
partaken

1856

5-31-2004

Discipline thyself
Wake thyself up from moldy
depot
lounging in arms of Hades
inspired

Let speak thine heart in fashion
Mine
of truth's emerge in kingdom's
halls

Swiftly falls the light
'pon deposed children
seeking lamp of love

1857

6-1-2004

Sought after goals
laid out by King of kings

1858

6-2-2004

Bungled the heart of man
swept ashore in lassitude
of land that never was
Christ orders malfeasance
easing shock of disturbing light
emitting from racketeering
of swollen creatures cretinized
Crown of thorns thine own
when sup waste-littered table
composing paeans to idols of
misbelieve

Come be with Me
at banquet served in kingdom
halls

1859

6-3-2004

Let thy sights be of Me alone
that sees future within waves of
Grain

Suit not thyself in thespian mode
twirling batons in land of laughs

1860

6-4-2004

Pass thee by when cometh the
Wind
discipling thee
to bolder stance in My behalf
Hoax among us declared true
by mind of disease covering up
Help thee I do

when cast thine eyes upon Me
Sloughed off thy mantle of love
when cast aside

My willingness to aid thee
in trumpet sounds of heaven
born

1861
6-5-2004
Joust not with feathered Friend
sending thee greetings from
celestial sphere
Hear 'stead the song of
nightingales
erupting in harmonious tones
guiding thee to kingdom home
exclusive
Wrack not thy mind of climate
horrific
bent in ague of doubtful themes
Solicit word of God in silence
kept
roving range of delicacies
imbued
Silken strands of memory
betray coarse lodging in world of
want
Leonine scuffle domesticates
world at large
bringing eclipse

1862
6-6-2004
Hoist the flag of Christ's domain
fluttering in the Breeze of love
Still the thought of turmoil world
gaining access into kingdom
home
that beguiles thee
with savage ancestry taunts
beckoning thee
Look for Me at even 'tide
mace handler

1863

6-7-2004
Awaken not when cast thine eyes
on floor of hell
Zeroing in on Heart of love
collides with nemesis
beating drum for access to
forbidden dreams
of lakes of fire

1864
6-8-2004
Daunting the task of everlasting
love
prescribed by boundless reason
of faith
Elaborate the plan ministered by
sons of man
dedicated to principles of
delivery
Relegated to rear sounds of fury
and wars
prospering in glades of martial
conquest
Reach out to masses citing love's
Source
binding proliferation of dreary
landscape
Christ is born in you again
when cometh the seed of mind
aglow
with fervent heart emissions

1865
6-9-2004
De-escalate thy mind
that pines for rotisserie of
burdens
complete in savage ways of
mental incompetence

Make way for human mind
 withdrawal
that collides with sensing
 of lost Mind of God
the wherewithal of certain peace
 in times to come
Destitute thy being involved in
 world of Mars
Healed art thee when close thy
 door
to joust with fellow man declined
 Torturous the way to truth
through stumblebum existence
waylaid by trips into netherworld
 washed into sand
eradicated by inkblots of history
 Touch My heart

1866
6-10-2004

Lower thyself to central plane
where exists the flow of Me in
 you
Healed in heart art thee
when cometh thy Savior heart in
 hand

1867
6-11-2004

Roasted in frying pan of deceit
 cleaving to lost sundown
 of nebulous shadows
 of heartache's sorrows
man seduced by lonely vales
 of tedium mustered
Hear not what I say
when call thee to netherworld
 for solace and support

Hear thee Me when told of love
 and life
emerging from inner place
 of dreams suspended

1868
6-12-2004

Roast in suburbs
 Interdict
 laced with Wine of holy life
Settle in habitation of dignity
 swelling within
that coasts into worldly domain
 through surplice adorned
 inflation moved

1869
6-13-2004

Forever the sign of holy
 matrimony
glowing in dark of noonday sun
Hush thine equivocation
 Rule thy waves

1870
6-13-2004

Denizens of forest lands
peek out to acknowledge thy
 role
in blaspheming God abated
Loser of courtly games energizes
 self
by wandering in field of play
designated as hunting ground
 for grand entrance into
 homeland imbued
Look not to drowsy selection
 of world at large

Seek immortal life of the
kingdom
that stultifies legions lost
perambulating in caustic sac of
vitriol
mistreating brothers as aberrants
abhorrent

1871

6-14-2004

Reckon not thy state of mind
nor consequences of delirious
state
Absent thyself from kingdom
manor
when upset apple cart of Father's
delight
Tension abated when submitted
to rule of Father's helm

1872

6-15-2004

Seize the moment
when cometh the Reign
dallying not with heights of glory

1873

6-16-2004

Unfounded the course of history
claiming coherence
of vital source salacious
Unstinting the growth of
posthumous deeds
hearkening the return to
kingdom home

1874

6-16-2004

Seen by Me in starry skies

lessened not in human form
catapulted into frozen wasteland
see thee not with indignation
at sight of lost son de-escalated
Love speaks from inside
Waste not thy life
with inner balance that compels
thee
to structure firm

Listen not to sounds of drones
exclaiming reality of world at
large
Listen 'stead to sound of Love
that claims thee as Its own
Destined for truth art thee
holding thy hand in Mine
Work not at labor lost
Cast aside thy viewpoints
that quell flames of truth's
emergence
sought for by harmony imposed
'pon wastrel son

with common belief of suicide
nested in swamp land of riotous

in heartland of loony tunes
Hold Me tight
until consumed wilt thee be
by nature of Me
Back up from lawless life

gilded not by sassafras
of murky land untoward
In emptiness do thee sit

Help Me to fulfill My role
in world of natural disaster
Leave to Me thy course fruitful
that heralds return of kingdom
home

Welcome Me in thy house
made for sloth and savagery
Turn thyself about

when call thee for My support
and sustenance
colliding with mockery of My will
Hope fills thy heart with
clairvoyance
in matters Mine decoded

Reek of solvent consumes thee
in grasp of tundra land
dissolving thy visage
Locks undone when contemplate

when cast thine eyes
at figures of silver and gold
Hearts aflame with love
destined for glory seed
nailed to doorway of heaven
Help others limpid in waterway

to obtain fresh impetus
in flight to land of lark calling

1883

6-25-2004

Fortuitous thy glance
towards kingdom come
that delivers peace on earth
good will towards men
Noxious the toll of human delay
from the wish for pandemonium
recycled in inner world
Cooled the turmoil of life abroad
by new view of staples required
satisfying soul of renown

Your thoughts are not good
enough
Whimsical notions accost thy
mind
plagued by dualisms
Unmastered the flow
of delinquencies occurring that
beset thee
Rule out the thoughts of God
that clarify mission
Light candles to love
transported on wings of song
guided by sure-footed angels
leading thee
Songbirds call
Holiness encountered in dismal
places
countering frenzy of lost pavilion

1885

Seek not thy foundation in
withered world
of grief and pain surround
'Stead seek Me
thy Charm and Healer gross
Wait not for My attend
that clears air matters foul

thee
of time brewing histrionics
in play of make-believe
assorted dreams
Hope lies in future of contorted
mysteries
vanquished

Revel in shade of gloss
affixed to stain of worldly
discontent
Latitude given to worm paths
as sole entries to seizure
by escapades of gluttony and
gloom
decimating thy will to useful
travels
Held by God
wouldst thee traverse kingdom
pathways
locating solemn songs and
gratuities abetting thy trip to
ordered life
of Maker's delights
Set be thy steps guided by Me
forever and a day
emancipated from home away
from Home
Gilded Lily awaits thine
enterprise
foreshadowed by Mine

sensing naught of heaven's Heart

1919

7-29-2004

Enlightened spring sails forth
to dubious mind caught up in

Thoughts of heaven portray
kingdom
as land of milk and honey
donated to carnivorous mind

excelling in blood sports
of peculiar nature
Landlocked imprisonment
subdued
by generous nature of ever-
living God
in posterity of love
Listen to Me
when cometh the Moon
in trip to Hades
sanctifying beatitudes

Exalted be when cometh Me
in sight and sound about
Concentrate 'lest thee believe
in stories unwoven
from mind of man unmitigated
Unto you I proclaim well-being
that sorts out differences
'tween man and God
Wish not for things apart from Me
that dazzle thine eye with
principles askew
Hasten to overturned ark

Salvage thy soul
kingdom born
from heaps of trash
laid by man in course of travels
Economize on trips to dungeon
halls
at expense of tortured muse

1929

8-8-2004

Centered in Me be
when cast thyself into orb
aglow with flames of love
beknownst to thee
Thy wicked benefactor
casts spoonfuls of diatribes at
thee

calling thee to chambers of
horrors
seasoned by glory scene vilified
Wouldst not thee choose
My sanctifying love
that places thee in pools of
cooling waters
preparing thee for return to
kingdom home
Soothe thyself with glimmers of
truth

1930

8-8-2004

Wounded one
that maketh calls to Me
be assured of Love's return
to thy heart of gold
Sense thee My presence filled
that calls thee to love's labors
lost
disclaimed by hearts of man
Load up with catnip-laced bile
when cast away thy sense of Me
disclosed not
Retool thy making
when cometh before Me
in sin absolved
Reach for Me in tender spot
that leads thee to heaven's abode
Lose not thy mind's place
that foretells future
of hearts and minds returned to
God
Lessen not thy attention
to matters Mine
floating in sea of iniquity

1931

8-9-2004
Fear flung
set thyself
Sound forth My voice
caterwauling in mists of rain
to jaunty souls a' miss
in sleep haunted dreams
Destiny calls thee
to truths adhered to
locked into heart of God
triumphant
Be not despairing
Truth wills out
Forceful be thy nature pure
in will of God ascending
Retreat not from admonishments
descending from mouths of man

1932
8-10-2004
Watch not for flies
on windshield world
Seek lost hope
of inner sanctum pressed
Hoarseness acquired in golden
tones
lubricated not by orbs of glass

1933
8-11-2004
Set forth thy rule
of kingdom's making
ensconced in harvest
of homeland's goodies
engendered by Holy Grail
Lend not thy nature to skies a
'blue
when cast thine eyes on
shadowed world

Cast aside thy light
when hear the voices of worldly
wants
and coefficients of expectations
Look not to Eagle's nest
where soars the word of God
enhanced
Laugh thee will when cometh Me
in lagoons of love
Lilting melodies chase thee home
in gardens of luscious scents

1934
8-12-2004
Suffice thy role in kingdom come
adhering to jointed culmination
Squalor fills thy nest
leased to soul of Satan
Soon to be glory scene

Afternoon of the Faun

1935
8-13-2004
Seek not thy fortune in
roundabout way
Listen to psalms of glory
uncovered
that hasten thee to fountain seat
of recluse
from yammerings of world-at-
large
Whence cometh the Wind
disdain thee have for worldly
words
Look for jealousy aborted
Rest now My tried and true
servant
that compiles My belongings

1936
8-14-2004
Speak to Me of love and matters
gross
that you may hear of lightning
strikes
residing in the core of you
Let be thy mood
when cometh thee
for succor and advance

1937
8-15-2004
Helter-skelter be thy life
when attuned to world apart
Benign the tumor of love
expanding into the heart of yours
that clarifies matters
of momentous deceit
Realize thy truth
meant to be observed
in by-ways of land
calling thee to kingdom home
at rest in heart of Me
Succor thy young with
ministrations
of eternal truth

1938
8-15-2004
Wish not for chalice
when cast thine eye
aglow with hatred
at Rumpelstiltskin
Sit thee down with Me
Who holds thee in palm of My
hand
Rest in Me that assures thee

of all wellness capitulated to
midst flora and fronds of eternal
beauty
Seek Me in thy wounds
that stimulate thee to closeness
fuller
in ever green land of silken
Queen

1939
8-16-2004
Lift up thine eyes upon Me
Who shines in starry skies above
Wait for Me in frozen tundra
stifled by world at war
with golden wings
Larceny in hearts of man
declared null and void

1940
8-17-2004
Want nothing in kingdom home
relieved of burdens in world-at-
large
Sing-a-long crucifies spirit soul
compelled to bargain with
outlaws
contaminating plane of revamp
Holiness defies bastard beings
bent on contempt
of seizure laden domiciliation
in gardens of heaven

1941
8-18-2004
Singular be thy purpose
exiting world-at-large
Relinquish thy hold on dizziness
of life

in gardens of hell subsumed
End thy rule of glowworm
parked in neutral on world stage
Let flow thy word of kingdom
come

to multitudes basking
in horror filled life
of second order
Warped art thee in mind and
manner
complaining of love lost
Welcome Me in place of lost
venue

1942
8-19-2004

Rest not from duty calling
on wings of song on high
Be still to focus on dreams
absurd
wafting in line of sight
contaminated
Sense glory actualizing
Humble thyself to Me
Seek not thy foolish heart
when accolades of heaven await
thee

Reign of King
excludes madness mind
from waste of polished hearth
secured in halls of holiness
Replica of kingdom
portrayed in hearts of man
dueling with intruders
of unwelcome worth

1943

Seek guidance from inner Me

that procures hearts for
abundance shared
Doubt not My fame for fortune
locked into Heart of gold

1944
8-21-2004

Canny foster brothers
root in soil pacific
expressing love of land occupied
trashing roulette stains
as decor of life
Mexican stand-off
Hear Me at eventide
when cash in thy chips
from roller coaster
Hurt thy heart in
sandstorm of life displayed
kicking up heels in devilish
manner
Sour the taste of weeds
from everglades
supplanting unitary outlook
conceived

1945
8-22-2004

You know that I am here
bending My ear to you
Listen for Me that sayeth to you
cool harbors and rest be thine
in glorious moment of loving
care
Be extolled by Me in mask of
gratitude
placed upon thy visage pure
in making of soul combined
divine
Instruct thyself to listen hard

for semblance of Me
swerving to thy side
for ministerings of Grace
delivered
en mass to waiting Deity within
Solo not alone in world of
unkempt being
askance at miseries mounting
Inside of thee
rolling about
be the call of Me
ruling thee to return
to royal station residing
in humbleness endowed

1946

8-22-2004

Chasten not thine enemies
who spread seeds of destruction
that implant laws of violence
'Stead sow seeds of love
washed in brine of tears
that consummates
union of heavenly spirits
subordinated
Roost in place of Me
that fills thee with glow
of holy order
Contamination fills thy head
loaded with syllables of worldly
wants
Cleanse thyself with meal of
Mine

1947

8-23-2004

Intoxicants overflow dikes
of living quarters
based on moonshine distilled

See through teeming morass
that excludes view of safety
imbued
Litany of complaints dog thee
in empire of ruin
saturated with mislaid plans
Bent into shape by Master plan
seek thee out partisans
dwelling in land of Nod
Look not in roosts of nemesis
that claims apartness of Royal
throne
demurred
Waste not thy time in holy land
dispelling views of Shylock
procrastinating
Settle feuds of imagery
that fuse not disparate elements
Brushfire blooms in guardian
soul
that stalemates fists of iron

1948

8-24-2004

Sanctified by Me
art thee led up hills of home
dragging world at large behind
thee
Demeaning thy hold on liquid
venture
into lands of never-was
Make way for truth without
that stampedes elements to Heart
within
Hasten thee to My home
where lives the King of kings

1949

8-25-2004

Distill raiments of holy order
from juices fermented at sacred
shrine
Jewels of heaven descend upon
thee
witnessing to devotion of Lord
above
Lessened the soiling dispatched
by hominy grits make-up of
world
immersed in sandy soil
subterranean life
Reach out for hands held in
fellowship
that bedevil claims of nuisance

1950
8-26-2004

Seek not vengeance on those
about
culminating in war status prime
time
Look to inner heart
that proclaims peace of mind
on cusps of delivery
Companions of faith float about
thee
Wounded in waste slung about
by violent cadavers
listless art thee
enthroned in God thy King
banished from heaven
in unseemly form
Use they telepathy to sustain
vision
of earthly goals forsworn

1951

Walk on the high side
thinking only of love endorsed
Heed not thy villainous self
that traverses ground of holy

to flock of giants
kneeling on knees
worshipping pudding brains
listening to calico cat

1953
8-29-2004

Here am I in fullest view
awaiting thee and thine
Loosen up thy grip on untoward
past
that claims thee as its own
Seek out Me that warrants
attention
for noble state delivered
Holocaust of heaven complete in
thee
when reigns the King with suitors
admired
in standards possessed
Welcome art thee in My sight
Glory to thee of most high
that transfigures world of want
caught in escapade of mischance
Solvent thy soul midst morass
mingled

1954
8-29-2004
Hell freezes over

when cast thy vote
to eternal Queen
Ache in heart
relies on substitution
of kingdom home
for world of doubt

1955

8-30-2004

Rule thee will in cadence with Me
blaspheming land of nowhere
Guilt shaken off in middle of
dreams
that catastrophizes planet
of broken arms and legs
Seek Me when thee thirst
from dry ground standing

1956

8-31-2004

Lofty thy soul
ascending world of never was
beacon streaming sensately
Hand not thyself
to weather beaten journey
that sinks into oblivion
when cast thine eyes
onto seashore of love
that promulgates renewal
of cast away self

1957

9-1-2004

Regret not thy sordid path
that leads to life of unfulfillment
'Stead seek Me thy guiding
Angel
with untrammelled path
to dignity preserved

1958

9-2-2004

Sentinels of love beckon thee
to foster home that corrals thee
from trip abroad
Seek not good fortune
in sense-tortured commune
that bespells thee
with clime atrocious
Awaken to kingdom home
prepared for thee
in light of dawn
Seek no longer thy love of self
which chastises thee with open
arms
Work to build bridge of self
esteem
knocking on door of Love
Who sends thee fair views of
concord
established between thee and
thy God
laced in perpetuity
Resilient be to Me
thy flower forming
destined to be Ruler of stage
sacrament of Heart
blue blooded

1959

9-4-2004

Waste not thy time
when conclude thee
bedevilment of heart's desires
Pummeled by slowpoke
machinations
wake not to discourse of themes
scattered on landscape of litter

Proposed solution disregards
blowhard temperament of
figures
caught up in worldly crises of
disproportion
meted out by holy Grain
Do naught to others
that trail you to kingdom home
blessing them with safekeeping
homemade
Seek Me not
when thee exclude others
from want of Me
mesmerized by false fronts
of leadership involved
Hold thy breath that thou may
see Me
in full splendor
partaking of My full glory
waltzing in gleam of fireflies

1960

Holiness enclosed
in endive wrapped seclusion
legislated by mirror mind
of hostility centered
Credentials sought
by hysteria-sinking moles
groveling in filth of worm filled

lambasted by faith abolished
in greenhouse of deliverance
Hold Me up to thine eyes
that fulfilled in heart
thee may be
enchanted with sight of Me
Sacrosanct art thee in course of
love

blooming free of waylaid life

Task at hand beckoning thee
to clear path of service rendered

1962

Quench thy thirst for kingdom
home
delivered by cool waters of
effervescent love
Slake thy mood for crowd appeal
delving into living waters of
Master abroad

1963
9-8-2004

Weep not for sorrows
undeclared by Me
that jousts with remnants of
disclosures
from muddled mind
Reap not sorrows from aching
heart
forsaken not by kingdom home
Trills of joy reverberate
from sounds of music played
in kingdom halls
that lapse not into disharmony
Songs of birds lilt across
sea of change
magnifying search for home

1964
9-9-2004
Listen to Me O My son
that speaks brave words for thy
heart
Malcontent subsides
when springs forth the rule and
role
descending from holy land
Hint of harshness expels Me
from thy scene
bellyaching against ground of
lunacy
Triviality governs thee
when set thy mind
against Me and Mine who
accompany thee
on trip away from heaven's gate
Floor thyself on Millstone
of sacrosanct delicacies

Sit in silence holy one
cast in mold of Me

Enunciation of peace proclaimed
in wilds of world

Infidelity consumes thee
in worldly ways
that conspire against Me
in noble fashion
Incandescence lurks below the

in time's clandestine flight
that shadows path of return
Use not graveyard of sorrows

set aside in pit of destiny
reclaimed
Help others to reclaim thine own
Flight from heaven construed
as bird of broken wings

constrained in worldly

Seek not thy means in wandering
mind
of madness made
Thou art of Me
spirit born
to proclaim the news of Gospel
truth
that frees mankind of lifeless

Totem of truth reaches out
to pallid visage of suffering man
meant to behold likeness of self
in Me
in main arteries of locution
Smallness makes thee of thine

thee
Relish thee cast of thousands
souped up in cars of vintage
thine
Discredit thee do
the look of somber glance
that fits well the violet morn

o'er hills and dales
that bring thee misery abated
with spoonfuls of holy water
cleansing thy soul of matter
horrific
and seizing thee with tender

punctuated by sounds of
millipede feet
returning to squadron home

Equipped be with song of love
patterned upon thy Maker's mind
and held in abeyance by human
state
Lost art thee when cometh the
moon
reflecting life of love
sustained by myriads of angels
prancing about with songs of
glee
at Patrimony
Singular the virtue of sight
unseen
making merry thy way of return
to heaven's door
Behold thy tried
and true Master
Who wakens thee
to kingdom glory
Transcend thy views to outer
links
that hold thee in order to Master
mind

Beholden art thee to complex
scheme
that rises in world of
subservience born
Look to honor thy Maker's mode
of wisdom's course
Roundabout thy way of lessons
learned
tilted to source of envy incurred
Walk with Me in road of love
disclosing harmonious trail to
Roses bloomed
Let loose thy love of unseemly

in glory call to absolution
of thy being derelict
Whosoever calls upon Me

of hate electrified

2061

12-11-2004

Tenets of love reach out
to hearts held in hands
Leave behind thy laces of hurt
that bind thee
Hearts ablaze with tempered
steel
reach out to world

searching for signs of
magnificence
cooling ardors of missteps
collecting on door sill
of hate abounding
Eat of love's pastiche
settling on world of want ignoble

2062

12-12-2004

Dart mouth

It's pretty close to My getting
back
when you get readied
Called up from depths
I respond to making of world
certifiable
Spite forces withdrawal
from kingdom home aligned
Work hard at universal
forgiveness
that thee may sight forces about
leading thee to qualify
Hearts of wholeness
defy condescension
to ways of world
undeterred by conniption fits
of ego mind thwarted

2063

12-13-2004

Detached be for cause of Me
centered in life of love
Strident sounds of carnage lift
veil
'cross face of God
limiting view that seems lost
to untethered world
fuming in sense of disarray

Larceny uncovered by holy
outlook
recovering formidable force
of God presence
linked to interior being
Raise not thine arms towards Me
when cast flowers at lowly lives

2064

12-14-2004

Cast thy seeds on snowdrifts of
love
that reach through to island
isolated
transfixed
Sense not My presence
when claim thee to know
what transpires in world of Oz
Know thee nothing
that wracks thy brain for solution
Pierced heart holds thee close to
Me
for whereabouts of sense
that concludes My business
through composite thee

2065

12-15-2004

Look aside from life of love
castigating others for lost lives
Dominion of God dictates
lessened resolve
to fornicate
as object lesson
cleansing thee of retribution

2066

12-16-2004

Beaujolais

Waste not thy time in hell's
dungeons
claiming riff-raff as God's sons
Speak for Me in light of day
espousing love as sacred journey

2067

12-17-2004

Hints of happiness abound
in secular world
harnessed to holiness schemes
of Retriever of Light

2068

12-18-2004

Seedy character
explains drift from center core
lolling about in mix of holocaust
to heart of Mine

2069

12-19-2004

Blow your own horn at length
casting aspersions
at whom you might conceive
blasting away in no man's land
Target disabused in sight of Me
that causes lame brain
mechanism
loss of redundancy
You foment revolution
in ways of world
clandestine in nature

2070

12-20-2004

Look to Stars above
for warning signs of decimation
that plague thee

in lower world abused
Reach not for Me when claim
thee
right of way for passage thine
that buffers thee from
designation
afforded thee by My wish and
whim

Warped in mind art thee
playing in fields of gold
haphazard in stance
Lackluster thy performance
doting on threads of purpose
driven
Sit still in Me
calculating path of remuneration

2071

12-21-2004

I will do Her present day for Her

2072

12-21-2004

Help not thyself when glum in
heart
Seek glory of Me
that beckons thee to true calling
Want and wear decline in world
of true values

2073

12-22-2004

Tussle not with words of Mine
dripping with venom and
approbation
Vinegar and honey doth blend
into sugar sweet tarts
of heaven born

Let be thy principles and
consternations
blowing sand in Wind of
jocularly
and companionship
destined for eternal future
in homeland of devotional God

2074

12-23-2004

Crane for bridge of absolve
crosses thee to central zone
Retrospective glance avoids
collision

Target the horizon
Salvage the ludicrous
Waste not the moment

2075

12-24-2004

Taunted by strict regulations
Bodies of light
perpetuate eternity

2076

12-25-2004

Hear Me not
when sunk into chasm
of immoral delights waylaid
Cast aside thy fears of genocide
haunting thee midst alarms
of human fratricide
You have been born to secure
My favor

2077

12-26-2004

Deranged art thee
callous of heart

impinging on others
Logjam of affection
concurr with state of mind
irascible
Doting longing for welfare of
others
gives hints of holocaust
that has subdued thy mind of
means Mine
that eclipse savagery of stunted
growth
in personage of thine
Look to Me
for forsaken fruitful path
that alleviates cusps of misery
entered into by heart of thine
Grounded in heart of Love
doth thee sit in storms of life
with sure footed success
Weave stillness as source of
energy

2078

12-27-2004

Corruption
Reach not for thy thighs

2079

12-28-2004

Cling to windows coming
lighting your way
Attached to devil's undertow
doth thee bow to principles
inaccurate
listed in book of infamy
Log in on virtuous page of
monogamy
Addled brain swooping into
discourse

with fiends of hell
portrays disunion of sons of God
caught up in seeds of matrimony
disheartening
Forsake not thy means of grace
adding concentric circles of
obedience
to God's will
endowed in shade
of tree of life

2080

12-29-2004

Hold thyself in command
to receive God's word
that etches memories of faces
abroad
Listen to My will that coincides
with thine
that speaks of commitments
fused in one
Lock step with Me
thy Savior born
transporting thee on
mountainous paths
to serve in hills of home

2081

12-30-2004

Roll back thine eyes
Whereabouts unknown
drifting about in sea of iniquity
forsaking heaven
for meaningless life abroad
in derelict duties conformed
Misty minds proclaim order of
the day
sensing inhumanity driven world
locked into senseless strivings

in domain horse- whipped
signifying Presence of
accommodations
sheltering thee from harm
dissolute

2082

12-31-2004

Dilute thine heart with heaven
song
playing in Breeze of love
Castigate not thy neighbor
in song of lies and dissonance
Bend thine heart to Me
Who listens with careful ear
to waste clogged mechanisms
straining for survival
in zone of miasma
