calling upon Me to ease thy mind  
of worries and naught  
that satisfies thy search  
for voluminous grasp of pettifoggery  
descending upon thee  
Anchor thyself in mind of Me

washing thee of curds of waste

of angels welcoming thee  
to severed world retained  
for thy resumption

on playing field of folly

Hallowed ground calls thee to  
presence

Lost souls dally in richness of life  
exploiting fools gold  
as currency of value

2108

jurisdiction

hobgoblin dreams

endeavor  
leaving thee with drills of intention  
to moonlight in sacred tasks

See not the truth

Listen to love calling thee  
shredded in world of want and woe

History of hurt

drowns out messages of heart line  
destined to collapse wayward path  
of incessant wanderer

as bulwark against lost entity

Hear not the songs of love  
when composed  
Holy is thy name  
intending not to waste thy time  
in humdrum drills of neglect  
Perish the thought of love abandoned  
when secluded with Me  
in humpty dumpty world of misuse  
Lack the brain of triviality  
when called by Me to stir the vision

of Inner Voice calling to exploit  
captions

Hasten thee to tumbleland  
when cool thy heels on side of road  
drifting from cyberspace totality

2115

1-31-2005

See not thy flowers when cast bait  
at poltroons of graveyard shift

dripping with concern for matters

Mine

2116

2-1-2005

Forsake not thy trial to evermore ever  
widening

2117

2-2-2005

Blasphemous this life of gold diggers  
searching for meaningless heart  
in company of devil's blood  
Battered and bruised  
man elopes from early state of  
deterioration  
bringing phosphorescent light to  
millennium  
Healing hearts abound in tranquil  
state liquefied  
Bountiful the stars of love treasured  
by man

in dipsomania fulminating from  
lockjaw of leviathan

2118

2-3-2005

Look not to the stars above  
when princes and paupers portray  
your game

Wistful the eyes of blinded beings  
caught up in web of chicanery and  
deceit

Watchful the eyes of God your  
Savior's countenance  
seeking full bloom of Roses in thy  
being tall

Rulership thine when cast thy vote  
for glory seat filled with presence  
thine

Suction draws thee to seat on high  
that clasps thee from further fall  
into inky depths of sight unseeing

2119

Restlessness overcome by faith  
in heart of God  
that despairs not in heaven's service  
by likes of you

that co-exists with sterling  
performance  
complied with by you  
in winter's haven locutions  
excised not by tarantulas of demon  
mind

2120

2-5-2005

Recognize not thy well being  
attuned to My care and presence  
Set stock in Me that transforms thee  
in heart and mind  
Incubation period performs wonders

2121

2-6-2005

Peace be with you O child of Mine  
listening for truth and knowledge  
observed

Likened to Me art thee  
when cast thine eyes on figure Mine  
Peace be thine O My son  
encapsuled by Me in troth of heaven  
lacking nothing in My will for thee  
engendered by love of My heart  
flowing like a stream intact  
into vicissitudes of thy life  
Balance of heart returns to thee  
in My care  
that resembles kingdom availed  
for eternity of days  
Be soothed My betrothed

2122

2-6-2005

Haughty thy view of tempest teeming  
locked into stall of miscellaneous data  
Question thyself  
steeped in lore of love  
dangling from precipice  
Hindrance of heart evaporates  
in stillness of life

locked in glands of sleeping giant

2123

2-7-2005

Held up by flow of lava  
concentrated in tempest zone  
man eludes zone of contentment  
deep satisfaction

2124

2-8-2005

Small parties leadership takes over  
Watch for signals of devotions desired  
Wait not for Me at sundown plaza  
that percolates ditties of false nature  
Loveable nature of man  
found in dim dwelling of cellar  
nesting in shower of shine

2125

2-9-2005

Sanctified be thy name  
when cometh thee before Me  
to bring love and peace search to man  
Knoweth thee well My commands  
to fulfill Me in all thee do  
'lest creep into thee  
shadows of miasma choking thee  
in mists of gloom  
Awaken loves to Me thy spirit Maker  
that assures thee of life everlasting  
in mock world of man-made dreams  
Winged song from heaven on high  
calls thee to hearts a' fire with love

2126

2-10-2005

Young lady drinks the Wine

2127

2-10-2005

Seek sea green fields of grass  
Haunted art thee by missteps feared  
lacking Grace's acumen  
Willed art thee to sender of mixed  
messages  
that flabbergasts others to commit  
mayhem  
in name of god secluded from truth of  
divine Source  
Listen to Me invoking leadership  
cast upon the waters.

2128

2-10-2005

Hearts held in hands given to Me  
promote legendary response  
on tabloid page  
Willed am I to relay thy wish  
to Center of being  
processed for beleaguered son  
of My womb

2129

2-11-2005

Tovarish

In Christ do you sit  
lend-lease  
as aftertaste of marital ceremony

2130

2-12-2005

Seek not thy ways  
in tender loins satisfaction  
Cast thine eyes upon Me  
thy viewpoint clean  
that mesmerizes thee  
with center sounds of Glory heart  
trolling in waters of diaphanous  
meaning  
Arcane acidosis eats away  
at locked sternum  
producing path to symbiosis with  
heavenly body  
Shunt aside thy magnitude  
to listen deep for Voice of God  
instructing you in ways of love  
barricaded behind self interest  
in world of wanton derivation

2131

2-13-2005

Crushed and tattered  
man sits amidst his wreckage  
bone-weary and dry  
encapsulated by walls of degradation  
Washed up on shores of litter  
accumulated  
man seeks his God  
calling for help unswerving  
that eases pain and shame  
Beribboned and sophisticated louses  
of love adored  
beat retreat in holocaust of horrors  
singled out as cause of multi-faceted  
dreams  
that caused dereliction of duty  
in guard posts of mankind

scoured by Master's rule  
scrubbed clean of debilitation  
Seated at throne of God  
willful will thee be to rule of Me  
Thankful be for crest obtained  
sustained in harmony of like purpose

2132

2-14-2005

Loose thy tongue of love  
that chastises not thy companions  
worldly  
caught in mishaps of daily life  
twirling like numbskulls  
in caves of eternal confusion  
Seedy disposition disposed of

2133

2-15-2005

Champion the cause of ne'er do wells  
with papers claiming peace on earth

2134

2-16-2005

Root out thy flagstones  
placed beyond My reach  
severing ties to the afterlife  
Munch on napkins of unholy feast  
when close thy door  
to sepulcher of My love  
Reach for Me in zone of quiescence  
that feeds thee tender Grapes  
of My own

2135

2-17-2005

Sinking into oblivion  
course of action subsides  
letting wanderer appeal  
to judicious Agent  
for right of way to kingdom home  
of heart's desire  
Crushed down  
besotted with dreams galore  
man draws water from cracks in rock  
submerged in pool of destiny

2136

2-18-2005

Realize the truth of thy domain  
catastrophizing in lint of bodily  
concerns

Listen to Me in lieu of pain  
watching thee with care filled eyes  
waiting for ardor summons

2137

2-19-2005

Send forth thy vibes under sleeves of  
granite  
rallying cohorts to reign of Queen

2138

2-19-2005

Humble thyself to Me  
that supports thee in all thee do  
when called upon to forward My  
matters  
in glass cage of human posturing

2139

2-20-2005

Realistic be with hounds of war  
clinging to death as final end  
Root out evil from man's soul  
listening to rat poison  
as symphony of sound  
Twilight of the gods features bastion  
of light  
that fulfills God's intent  
to bastardize human endeavor as way  
of life in error  
Dipsy doodle dimwit casts shadows  
on Grape Vine of love  
simmering in warm breeze of sunlit  
skies

2140

2-21-2005

Father assumes command over  
commiserating mind  
ducking into doorways of ascent into  
heaven

Warped domicile excludes jewels of  
love  
damaging locus of expression  
with heart throbs of mayhem

2141

2-22-2005

Sift through thy things ill-tempered  
that wing through thy mind  
finding no place for peace  
Solitude brings thee quiescence  
looped about framework of love  
Heart strings abroad rebound  
Reach not for clouds of joy  
when cast gloom upon thy brothers

2142  
2-23-2005  
Zoned out from inner space  
disheveled world places migraines on  
plate  
Avoid hemorrhoids condition

2143  
2-24-2005  
Seek through the holiness of you  
collaborators in science of love  
that expires not in make-believe land  
of sunshine  
Twisted fate of landslide into demigod  
rheumatic  
expires in kinship tools  
solicited by soul mates of heavenly  
realm

2144  
2-25-2005  
Rudiments of behavior seen in  
primates  
distilled from subterranean source of  
holocaust principles

2145  
2-26-2005  
Cheesy area smokestacks  
define coddling of waste materials  
Syllabus of saintly lives on  
in wear and tear of disjointed  
meanderings

2146

2-27-2005  
Misty eyed art thee in gloom and  
despair of carcass life  
that unfolds like a sieve of bleeding  
tomatoes  
Righteousness demands attention to  
Me  
clasping thy soul to camper born of  
infinity  
laced with juices of holy water  
flowing from pools of succulence  
ingrown  
Hasten thine acceptance of tranquility  
offered  
by thy Shepard of endurance  
Rustling dawn of love  
sets fire to dormant slaves of  
underworld  
chastising them to come clean  
of outer world domicile  
hooking them to salubrious gesture  
of foaming mountain  
Austere sandwiching of mind astray  
directs telecommunications of love  
potion  
sent by God to His infant children

2147  
2-28-2005  
Stents of love bypass zones of  
iniquity  
bleeding hardships into land of Oz  
Laudable the ring of cheer  
echoing within from freedom  
accomplished  
Stasis achieved

2148  
3-1-2005  
Rush not past the required moments  
that predispose thee to joined  
configurations  
which within are great in claim  
and calm disclosed  
Forsake not thy wandering mind  
when cast shadows o'er thy proof of  
love

2149  
3-2-2005  
Hipster in disguise  
discretion lacking  
satisfies thy need  
for torrential rain of sorrow  
accumulated in bird bath

2150  
3-3-2005  
Walk not on the high side  
when demolition work seeks fruition  
in tumbling world of hate and hurt

2151  
3-4-2005  
Seek not thy spleen  
capsized in moments of heat  
vowing vindication for spurious  
claims

2152  
3-5-2005  
Crafty be thee on swings of rope

descended from opening in heaven's  
skies  
spreading wings of song from on high

2153  
3-6-2005  
Weep not at thy fortune's unfold  
Cast aside doubt about meaning of  
life  
appended to My school of thought  
leaking through to you in syllables  
and phrases  
Upended thy mind by Mine glowing  
in darkness  
heaven sent for thy usage in world-at-  
large  
Be assured of work well done  
in capsule of time imploded at My  
command  
'lest you falter in doubt by thine own  
whim

2154  
3-6-2005  
Set forth thy rule  
absconding from world of Heart  
divine  
enclosed in waste matter of  
deleterious consequences  
Make not thy show of matters Mine  
sickening thee with closeted mind  
of thine own making  
Matchmaker condenses seeds of  
virtue  
for delivery to soldier of fortune  
See not the future with eyes askance

from homeward journey  
Lackluster eyes dimmed in sight  
by coverlets of guilt  
sense not the call to arms  
from freedom loving God of intuition  
immaculate  
Bring forth the bells destined to chime  
love land's call to subjects  
misbehaving  
in land of want and woe  
Digest My songs delivered to plate of  
believer  
filled with contents of extended Heart  
macrocosm  
of majestic heights revered by soul-  
filled believers

2155

3-7-2005

In tune with Me be thee  
nestling close to My side  
snug  
Hasten to My call  
foreclosing on title to land  
stripped away from heaven's gate  
Be thee the number of souls  
eclipsed by thy Maker  
who presumed spatial dimensions  
known as real

2156

3-8-2005

Scene of guilt portrayed  
nemesis of God the Father  
Who dictates offerings  
from His children enmeshed

Seek not thy values  
locked into conflict with inner  
standards  
proposed by God of love  
Beckon not to inner source of  
disbelief

2157

3-9-2005

Secure thy masthead  
endangering thy ship of state  
Chortle thee with glee  
when canst substitute Me  
as thine own in oblivion

2158

3-10-2005

Lilacs trimmed in summertime  
hasten growth of newly set buds  
commissioned for future viewings

2159

3-11-2005

Insolence becomes thee not when  
serving  
Harassed by vitriolic mind  
thou succumb to lattice of lies  
about thy neighbors  
planted by notions of neediness  
forgetful of Me thine abode  
Rest in Me

2160

3-12-2005

Seek here calumny's end and strokes  
of love refurbished

Hold fast to thy ways of preparation  
that places thee within reach of My  
boundless heart  
consuming thee with fired ardor  
unconstrained by vestiges of human  
vapors  
Place thee in center of Being  
stagnant not in loopholes of earthly  
desires  
broadcasting news of non-existence  
Make thee Mine O My beloved  
Make thee Mine in cast of Glory  
seeded

2161

3-13-2005

Plundered be when cast thine eyes at  
the doorstep of hell  
believing in other than the reality of  
Me  
Snippets of love stew in dreams of  
dismay  
loosing land of hope  
in drama of earthly proportions  
pilfering sky of blue from thy grasp  
Winged tips of holy flight  
bring thee to doors of heaven  
where cast down thy burden  
to premiership of God  
ordained in mind of slippage  
Winged Steed of victory tidies up thy  
gloom abandoned

2162

3-13-2005

Traveling on road to nowhere

discombobulates thy mind  
of connection to greater Source within  
ruling thy universe of total real  
Excise thy mind of collaboration  
with notions absurd a' twitter  
Harken to My word that nears thee  
with salient truths compelling thee  
to affirm My convictions about thy  
life eternal

Leave no stone unturned  
confronting thee with miracle  
leading qualities  
fetching juices of solutions  
for world-wide signatories of bonds of  
unity

2163

3-14-2005

Latch onto coat tails of Mine  
that lead thee to progression  
Sawdust spread on floor of open  
sewer  
Kinsmen lactating lust are new  
mercenaries of lawless breed

2164

3-15-2005

Extend thyself to Me  
poised at the epicenter of dominion  
seeking disclosure of future plans  
Distaste for home rule presents  
opportunity  
for Voice of God to enable thee  
to become fixture for light  
extruded from central hall  
Listen not to earthly drones

beckoning thee away from kingdom  
halls

Listen 'stead to sounds of music  
cart wheeling in space before thee

2165

3-16-2005

Help thyself to Me  
forecasting what thee must do  
leaning into the Wind of subjugation

2166

3-17-2005

Let live thy righteous self  
proclaiming word of God  
unholstered from thy lips  
Aquarius boomtown  
descends upon common people  
miscalculating earthly views  
sedentary

2167

3-18-2005

Rhapsodize  
Lessen thy woes caused by worries  
calculated to defeat thine attempt  
made by mind of the ego  
to recollect seasons of song within

2168

3-19-2005

Unprecedented the call of relief  
to worldly woes by children of God  
Let loose thy might to serve  
showpiece of God poking splinters

into heathen hearts of denominational  
warfare

Zeal inspired by family of man  
countered by product of Holy Spirit  
lapsing not in Pedigree declared  
Look for silhouette  
of Master mind disclosed

2256  
6-6-2005  
Rouse thyself to My command  
Who ushers in world of peace attained  
Listen to Me in all thee do  
encompassing thy strides  
Let bygones go  
Be centered in My rule  
that calls thee to misfortunes  
challenged  
Versatility desired  
in hands down confrontation  
with people of the world  
hemming and hawing at breakneck  
speed  
Glib tongues secure radiant glow  
of Newsmaker excavating fertile  
ground

2257  
6-7-2005  
Rid not thyself of golden armor  
that locks out sense of morbid world

Wanderlust consumes thy mind  
renting space in forlorn furrows  
activated not by Source of golden  
hues

Set forth thy standards true  
that eschew clumsy life  
of coxswain mired in mud  
cemented in place

2258  
6-8-2005  
Tumble down the loosened soil  
of hilltops of heaven  
encasing thee  
with foundation firm  
for work of art  
inclined by lilies white and bright  
in scavenged soil  
of earthly domain stripped  
of Godly intent inherited  
Rule out ragged son  
in sunshine dotted land  
mistaken for cliff dweller of higher  
realm  
Gaping holes in birthday suit  
lay waste to claim of versatility  
in bounds of chocolate meltdown  
washed by meteoric flow  
of cosmic cannonballs

2259  
6-9-2005  
Help Me to preserve the Light of the  
world  
donning glow of inner Radiance  
persuading others

Evangelistic tones uttered  
charm  
Rugged be thee when castigated  
by throes of others  
mealy mouthing thee for service due  
to Me

Loosen thy command  
of salvation occupied  
stonewalling Me from fracas pre-  
occupied

Let My love dictate  
means and measures of resolve  
that classify affronts  
by standards of Mine alone

2260

6-10-2005

Sorrow overtakes man  
devoid of Leadership extended  
Bowed to Excellence  
wilt thee find purpose  
tracing back to God the roots of our  
passion

2261

6-11-2005

Fretful thee be over meaningless  
course  
abandoned to ways of world haywire  
Ridicule abhorrent meets thy path  
festering in minds of man  
that seek lost destiny  
procured by pursuit of want  
of world immobile  
Realize thy gain in land of dreams  
abolished

Troubled life deters you  
from simple tasks routine  
Sit still in thy ways of prominence  
Wait for Me  
descending in tides of joy  
from mounts of freedom

2262

6-12-2005

Remonstrate not with Me  
Who guides thee to Reality's rule  
Mention to Me thy wish for healing  
preserved from Source of love  
regained  
Move over and let Me take thy place  
that fulfills thy wish for peace  
preserved  
in manner Mine  
that wills not thine intemperance and  
bodily format  
Look inside for My intention  
to rouse thee from sleeping state  
interminable  
that wishes thee harm and eternal  
blight  
sacrificed to god of misery and guilt  
Tender thy charm to Voice of God  
guiding thee to quintessential remote  
experience  
of God's presence  
in haphazard world of make believe  
that serves thee well  
in doldrums causing epilepsy  
in mind of misguided men  
Incarcerated art thee  
in world of dreams inexplicable

dousing thyself with millenniums of  
    mischance  
    and misadventure  
serviced by madman mind of mishaps  
Savior surfaces in cemetery of lost  
    sheep

2263

6-13-2005

Reckon not thy fortunes  
ruminating in human mind morose  
    Sealed in inner chamber  
    ubiquitous family of God  
    Cool it

Rankle not over unseen moments  
    destined to come thy way

    Wrinkle not thy brow  
casting about in sluggard manner  
    for toys of embryo yet unborn

    Hold thyself upright  
    not knowing what I might do  
to whittle away excess baggage  
    from Zephyr sleek son of God

    Healed in history traversed  
    log in on time machine  
dedicated to son of God's removal  
    from world-at-large

2264

6-14-2005

Wouldst thee not seek Love's tender  
    grasp  
    that bestows blessing upon the  
    beholder

Wouldst thee not have the likes of Me  
    cool thy brow of haughty heat

Let Me take thee to climes of air  
    filled with breeze and fragrance  
that matches that of kingdom home  
    of sweltering heart undone

2265

6-15-2005

Listen to Me for instruction  
    of noble purpose intended  
Wait for Me with watchful eye  
    occluded not by heart beat human  
Sit still in thy vast store of knowledge  
    expanding

    brought to you in heaven's Arms  
that bypass clogged pores of human  
    station

2266

6-16-2005

Set death amongst thy many burdens  
    allayed with Pentecost retrieval  
    Rest in Me in nature pure  
    realizing health and well-being

    Settle not in place despicable  
wounding heart with toys of delirium  
    that cast black pall of smoke  
    o'er lands of ever-free

    Reach for rays of eternal son  
blocked not by cocoon of nonsense  
Heart in hand approach My throne  
    Raise thy roof

Let pour within My seeds of love  
destined for distribute as panaceas  
    for global revival

christening world of dark dismay  
    Strain not thy vessel

reaching for Love's service  
Let fall thine eyes upon inner Source  
rallying thee to host Signature  
becoming thine own  
Realize Essence as life fulfilled

2267

6-17-2005

Riddle perplexing stalls thee  
wasting away in latitude of  
disablement  
Make most of help proffered  
by Holy Spirit dogging thy tracks  
into oblivion centered

2268

6-18-2005

Destined art thee to commit mayhem  
living in world of unbalance  
justified by authors of life without  
course  
Matters mine deflect villains  
seeking to impose values  
upon mainstream of love  
flourishing in central part exhumed  
Waters turbid lease thy life  
to crooked ways of heart strings  
tangled up in nonstop tomfoolery  
Lend thyself to motives Mine  
that reduce thee to compatibility  
with notions flowing from stream of  
love sequestered  
North winds diminish in caring hearts

2269

6-19-2005

Look to Me for all thee do  
without shame  
derision or downcast  
Wait for Me on cusps of  
consciousness  
letting go of all you think or think you  
know

Realize thy limits in cursed course  
of brattle and battle let loose  
by mind of bipolar humans  
Look-see into madness convinces thee  
of things gone wrong in  
warmongering mind caught in realm  
of lostness

Let Me be thy mind and moor  
where find thee will  
the holiness and comfort sought  
endowed by Me

Rest in Me for work of worth  
that responds to My benediction  
Wait for Me to intone My will  
to subjected mind of thy choice  
Surely will reign the cosmic God  
in place of venture sought  
attuned to Me

2270

6-19-2005

Listen not to songs of love  
when smirk at times of disengage  
wanting platitudes of banality  
in place of holy themes  
Loosen thy joints to receive  
harmonious movements of Spirit  
centered within thee  
forcing recovery

of gait and mind of heaven set

2271

6-20-2005

Hear Me in the evensong  
left alone by warped mind adrift  
Hear Me in senses  
unstrained by melodies of tangled  
hearts  
in multiple woes  
Let Me in thy hearts  
to twist about thy gaze  
to memories of seeded past  
planted in lap of loving God  
fondly gazing at His creation  
Realize thy potential  
Walk beside Me in your stroll  
looking for news of another way

2272

6-21-2005

Hilltop centered life  
relieves suffering of dormant sphere  
messing around with tilted world  
of locked in savagery

2273

6-22-2005

Seek not thy food in denuded land  
that wills thy way to loneliness  
countered  
Join with Me in happiness  
embroidered in thy depths of solitude  
listening for My mind entrancing  
Readout provided by Holy Spirit  
lists forms of delights

2274

6-23-2005

The kingdom of God  
We are carefully being enriched  
Sought for riches  
in ground of miracles grown  
Hold onto thy seat  
Realize tempestuous progress  
Willingness to lie in paths of glory  
resonates with lower order  
patrolling seas of shame  
diverting themselves  
from miniscule feeling of selfhood  
Reach out for songs of love  
that terminate gestation  
of principles of futility enmeshed

2275

6-24-2005

Whisper not in My ear  
the cause of thy vacillating  
running herd on notorious thoughts  
of underworld  
Seen not the throes of confiscation  
that expire at clasp of My hand  
in yours  
Twist not thy life  
when thee call to Me  
exercising right of return  
to solid ground  
Forecast thy role enduring  
in clutch of Savior  
that casts aside villains  
perpetrating falsehoods in land of  
never was

2276  
6-25-2005  
Masquerade  
Rule not by thy standards  
negotiating rights to false witness  
Link thyself to Me  
thine Interpreter of right reason  
Who guides thee to heaven's door  
unblemished by sordid past

2277  
6-26-2005  
Listen not to sounds of everyday  
world  
that tease thee with distortions  
of multiple minds  
Signify thy intention to change the  
world  
from nondescript haven for madman  
dreamers  
to pulsating pier for arrival of  
kingdom  
Lose not thy thoughts of Me  
prancing about in time zone of non-  
exist  
Set thy sight on caring mist  
that calms thee in heaven's flow of  
water course

2278  
6-27-2005  
Set not thy sight on alabaster hills  
when consumed with grief of earthly  
world  
Nose to the grindstone

abide with Me

2279  
6-28-2005  
Wash not thy leaves protruding  
Gild thy lily  
anchorite

2280  
6-29-2005  
Set forth thy rule  
emasculating sons of God  
Sanctuary of heaven calls thee home  
to truth and grace everlasting  
Let live thy will to bond with Mine  
calling thee to heaven's doors  
Lost thy grimy countenance  
wiped clean of human fodder  
revealing sense of kingdom halls  
conspiring to set thee free  
from claims of devilry dominion  
Situating thyself in arms of Me  
that rules thee with everlasting vigor  
Close thy space apart from Me  
that withers in concupiscence  
attending to thy Creator

2281  
6-30-2005  
Seek not the kingdom  
when thee blink thine eyes  
at rolling hills of thunder  
conveying messages  
to those who seek Me

2282

7-1-2005

Waste not thy time  
on dingy drab institutions  
of loveless world  
Kinship with Me thy Mentor

2283

7-2-2005

Drift not into abasing thoughts  
Authority exists in tenuous tones  
Dance not in dirty waters  
lest seeds of forfeiture  
implant in muddy tides  
Increase thy stature in Me alone

2284

7-3-2005

August the Winds of shame  
disqualified  
pursuing frame of septic world  
Ancient corridor lifts pretense away  
from Master mind delving into world  
at play  
synonymous with Devil's trap  
looking askance at civility  
nurtured by home brewed charter  
Listen not to sounds of music  
when engaged in diverting thyself  
from central theme  
Doomed thy role  
dispersed to four corners of world  
emasculating thyself with heathen  
heart songs  
Help thyself in turn to Me  
guiding thee in strange forests  
of loneliness absorbed

2285

7-4-2005

Warranted the clothes of Christ  
exhumed from burial place in human  
soul  
Listing ship of body armor  
displays consequences of full moon  
madness  
attached to delinquencies of sordid  
state  
Monastic rule certifies greenery  
of bulbous origins  
mixed in with trash of Lightning  
scarred refuse  
Hurdles of camouflage dissipate in  
mind's eye

2286

7-5-2005

Set forth thy word spelled out by Me  
ringing in history of divided land  
Let loose thy view of common goals  
commandeered by Maker of worldly  
disposal  
Withhold not thy seasoned voice  
spreading love of God for all about  
in synchronism with holy edict  
declared

2287

7-6-2005

Lost in dream land art thee  
accosting Me in My appear  
Succumb to Me that I might deign  
thee

My helper and servant of thine abode  
Lost in channels of sloth and venom  
attend thee to Me Who cleanses thee  
with scraping rod  
dignifying thee in ways of love  
returned  
to tender hearts adrift

2288

7-7-2005

Sift not through treeless land  
that beckons thee to carnage gross  
See for thyself the ruins of countless  
infirmities  
that bode not well for hysterical  
humanity  
Lost are thee in fruitless land  
Send forth thy vibes of heartbreak  
seen

that muster thee will  
souls of humanity

rocked by seedless plane  
Watch for signs of development  
that preclude waste of life adrift  
in nomad's walk into perpetual hell  
Dastardly thy state of mind  
rolling in logjam of human contempt  
Crimped thy style of love  
Roadblocks in place  
to fortunes founded in Me  
Listen for Me in place of bound  
borders  
of frozen arctic zone

2289

7-8-2005

You have to become your self  
Hit hard at noble treetops  
escapading in stunted growth form  
as dwarfs registered to service  
in arbors unclean  
and detrimental to holy order  
Risk all in defense of quagmire crazed  
denizens

scooting about

searching hinterlands  
for sign of perspective  
leading them to safety  
in stable region of forests protected  
Reach out as force immovable  
Sink not into devil's brew  
casting thine eye on sunlit sky  
Danger zone established  
in holocaust of heavenly principles

2290

7-9-2005

Leaderless art thee in casket of life  
declining in old age of paralysis  
Ensure program of divine origin  
when you cast aside  
indignities of worthless world  
of harlequins jumping about  
in tights of fools  
Bent out of shape  
doth thee travel wrong road  
into oblivion unadulterated  
Retract thy vision into central core  
where sleeps the Giant  
unscathed by improper mode

2291

7-10-2005

Rule out thy views  
lest accomplished not  
synchronized state of mind  
adaptable to thy course  
sent to you by Me  
Inner Guide in place  
will standardize thrust  
Heartfelt rhythms cool thine ardor  
to adore thy view  
from Mine and Mine alone  
that turns thee to faithful perform  
Washed out themes of monotonous  
world beckon thee  
when trample on My rule  
descending into locked mind  
demeanor  
of wasteland origin

2292

7-11-2005

Sought for kingdom rests in Me  
Who delivers shades concealed  
perspective to onlookers  
cast aside by curmudgeons devoted  
to kingdom's demise  
Submission of self declared valid  
by Suspender of honky-tonk world  
Hasten to My side where counteth  
thee  
amongst My own  
Estranged art thee from world-at-large  
licking bootstraps of comical players  
Enhance thy vision pure  
with soapsuds of heaven

2293

7-12-2005

What would you behold  
waylaid by divergent paths  
Pop your cork  
Commiserate

2294

7-13-2005

Holy Name calls thee to rendezvous  
seeking architect for handling peace  
on earth  
Holy Heart roams in land of never-  
free maneuvering  
seeking out last vestiges  
of Homeland relief required

2295

7-14-2005

Halt thy ways of vituperation  
that claim thee from heaven's  
doorsteps  
Moisture fills thy land of graves  
beckoning thee to clean sweep  
Halted in stride  
seething nature lessened in power  
horizontally impaled

2296

7-15-2005

Heartfelt  
songs of love  
that detonate disciples  
of love lost realm

2297

7-16-2005

Leaves fall from tree of death  
persuaded by call of Me to life  
unseen  
Brainpower of modicum deleterious  
decreases in Light of summer storm  
flashing on eaves of portico  
Tempests cloud the sky  
of unwillingness to fathom luxury  
of deeply molded places  
in psyche of individual  
You're being mongolized  
Watch not for the songbirds of love  
serenading thee with sunbeam  
choruses  
lifting thee out from boondocks  
of mortal meanderings

2298

7-17- 2005

Look not past Me  
for sense of worth  
that passes on from Me to you  
Decide what brings thee peace  
and quiet time in midst  
of clamor and self-doubt  
Portents of divine origin  
made clear when cometh thee to Me  
for grace and well-being  
No man's land calls thee to armistice  
derived from settlement ground  
of God's will imposed on unruly  
children  
warring in make believe land  
of imposters created  
Waltz in land of love subsumed

2299

7-18-2005

Halt thine endeavors  
supplanting Mine  
that call thee from wonder world  
Wretched thy state  
in kingdom home dissociated  
leaving nothingness thy choice  
of dimension defined  
Etched into heart be My name  
that rectifies disallow of God's  
presence

2300

7-19-2005

Astute

let be the flow of Reality's course  
dreaming in the land of Nod  
heckled by mind of misbehavior  
Zoom in on Witness to Holy Grail  
exhibiting legion of merit personified  
Lust for land of abasement demonized  
disintegrates in Wash of purity  
denied access in specie of heartland  
wasted  
Massive My mode in preparing thee  
for work well done

2301

7-20-2005

Henceforth thy name will be Mine  
thy spirit true  
thy self-redeemed  
thy pasture land restored  
thy crops renewed

in wayfaring ministry  
in the cup of Christ  
Senseless be for Me  
Who streamlines thy will and way

2302

7-21-2005

Regulate thy thyroid secretions  
emerging in zone of halted activities  
Rock thy baby to sleep  
that can emerge thy will to do Mine  
posthumously

Simultaneous fusion of cohorts  
activated by wanton urges abandoned  
in senseless sleep of lower dimension

Sit still in thy stew  
Surge in influence felt  
when cast thine eyes  
on inner Being of life pursuit

2303

7-21-2005

Lance not thine own stream of  
thought  
when encapsuled in sullied field of  
dreams  
muddied by insolent moments  
Lassitude depends in will unkempt  
from draughts of fermented juices  
driving thee tipsy  
from hands of slave holder  
enmeshed in land of tattle tales  
and skullduggery

Hold yourself in check  
for fortunes founded in Me  
Desolate not be  
Rodent tracks defile you  
walking amongst the living dead  
Zombies kick up dust in bee hives  
chilling atmosphere of potential

2306

7-23-2005

I want you to attach yourself to Me  
Intention drawn from sphere of love  
magnifies Lord's teachings  
abounding in minds of disciples  
present

2307

7-24-2005

Your heart is opened to My abode  
let loose amongst thee in simple  
fashion  
Perplexed thee be when felled with  
doubt  
of My accord holding thee  
in tempered grasp  
disheveled not by bonds of matrimony  
to false gods of thy discretion  
Place thyself before Me  
for altered course  
to kingdom home delivered  
Hemisphere of love  
dots landscape morose

with salutations  
leading survivors to land of ever-free

2308

7-25-2005

Relax in the Spirit of God  
that holds thee  
from the fire pits of hell  
closing in from supercilious worlds of  
no return

2309

7-26-2005

Wish not for stars above  
Hear not the call of Me  
when inclined to wishes thine  
that foment revolution  
Dance not to tunes  
of dawdlers waylaying thee  
Cast aside thy mind's qualms  
denoting doubts of success planned  
Wait upon Me thy Fortune true  
for fulfillment of intentions  
awaiting thy completion  
washed of sandy sites destabilizing

2310

7-27-2005

Hurt not in sunlit climes  
absorbing lethal rays of dogmas  
human  
Robust love chintzy in harlot's life  
spoon-fed in dribs and drabs  
of interlocutor domain  
Watch not for rainbows tier

Ought not decipher My rule as yours  
distancing yourself from logjam  
metered by Me  
Pituitary symbolizes force of power  
embodied in your skull  
that denies Me right  
to administer love to all My children  
hanging precariously  
to slender thread of life  
while tipped to egregious plans  
of self-made rule  
Lost in depot of malfeasance  
thee must learn to depend on Me  
for change that satisfies plan  
of correction for self-emulation  
Emptiness fills thee with tales of  
gloom  
that perceives world at large  
as apart from central Source

2317

8-1-2005

See now with eyes of Mine  
that bestow goodies of love  
enabling thee to center  
in masquerade life adrift  
Weapons of war travesty  
disintegrate in light of life extended  
See through the veils of lost  
continents  
blabber mouthing meaningless  
matters  
of poisonous content  
self-destructing in loins of monster  
creations

Let down thy gates to pristine pure  
participation  
with holy order of heaven  
prepared for thy partnership

Stillness reigns in Christ the King  
drawing all to His abode

Sink not into the oblivion of hell

of travels apart from marital Source  
Lease not the scoundrels of war

Rhapsodize thy tranquility aloft  
in songs of love meant for ears

by heaven born gladiators

2326

8-10-2005

Neck and neck they race  
to tranquility  
with flourishing God  
accompanying thee to finished travels

2327

8-11-2005

Watch not for raindrops  
dropped upon thy head  
when cast shadows long  
in world of want and decrepit

2328

8-12-2005

Astute be  
when jackals of life  
carve thee up  
for sustenance degrading thee

2329

8-13-2005

Fire in the belly  
coincides with lift  
from kingdom home directing thee  
to distinguish between mad love song  
of Deuteronomy denied  
and lost carols of holy Synod  
upbraiding rupture  
from roses strewn path of heaven born  
Walk not in fields of fire  
when costing thee time  
in merchandise outside

2330

8-14-2005

Reach not for sordid ways  
of home wrecker world of disbelief  
Escape latitude and longitude  
readings  
of world at large  
that ponies up semantics of worth  
trivial  
leaving in the dust  
values of golden throne of heaven  
Sublime work perishes not  
in sandstorms of malfeasance  
calling God to your side  
for humble service in His name  
Rushed are thee in whirl-about  
Set thyself to receive Me

Who parades in sight of lost minds  
compelling thee to victory dance  
in lagoons of love  
Deny not thy reason for being

2331

8-14-2005

Willingly say to Me  
Thou art my Master my King  
Who calls thee to servitude in matters  
Mine  
Docile be to touch by Me  
recording words of wisdom  
longitudinally for thy use  
Be Me in thy walk and way

2332

8-15-2005

Reason not thy road nor way  
captivated by mongoloid dimension  
that swerves not from path of God  
Sorrow extinguishes joy of fulfillment  
casting about for mind-numbing  
experience  
in world of pain  
Looseness of heart  
freed from decrepitude  
lifts mind to heights of well-being  
uncluttered by bric a brac of nonsense

2333

8-16-2005

Retribution indicates lost state of  
humanity  
tinkering with lessons learned  
from nomadic mind spilled over

from amnesia of divine rites  
Use not thine mind to surpass Mine  
Listless be in foaming waters of  
breakthrough

2334

8-17-2005

Lost in debris of life's storms  
march to My beat trailing thee  
washing in blood of the Lamb  
Moon tide propels thy wish for  
healing waters

2335

8-18-2005

Premises of love declared null and  
void  
by stuttering tormenters of ego world  
climbing over juxtaposition of  
likelihood  
in crop of outcomes  
Rest in Me for wants and needs  
that scatter thee about  
tantalizing thee with solutions unholy  
Sit tight in lustrous light  
extended to thee from  
Phantoms of the night calling for  
Herculean effort

2336

8-19-2005

Sea of starvation surrounds thee  
motionless in lost tribute  
to noxious life upending thee  
Twisted format distracts thee  
from love of life distinguished

deposited in ground  
seeded by God of immortality  
Report for duty airing holy gripes  
meandering in mine field of worldly  
woes  
conducting thyself as misanthrope  
battered by beliefs of cold heart  
disembodied

2337

8-20-2005

Hesitate in handing over  
life long conflicts  
dominating thy cruise  
through lush land of laparoscopic  
neologisms  
that perverts the sense of reality

2338

8-21-2005

Race not into doom's day  
machinations  
twiddling thy fingers in graves of sand  
Listen to Me thy foremost Bearer  
of good news and receptive mind to  
love  
embracing what surrounds thee with  
tender care  
Move over and let Me steep thy brew  
of healing language that helps thee  
to kingdom home reserved and  
recovered  
for thy usage in world immobile  
fixed in grief and tears  
Swerve not from kingdom home  
in imbecilic residue

postulated by blatant bleating of lost  
sheep

Recognize truth spewed out  
by inner doctrines  
lapsed but not lost  
in caves of wisdom

2339

8-22-2005

Cryptologist

Labyrinth of love lies before thee  
cascading deluge of waters upon thy  
brow

cleansing thee of turpitude and ill will  
towards one and all

Lift up they head from forlorn ground  
assimilated

to receive blessings fraternal in good  
order

Let shine the light within that  
accompanies thee

Steam into port

Hearts held in abeyance  
forfeit sense of God

liberating you from senseless  
chicanery

masquerading as meaningful  
deliverance

in world of nothingness stored

2340

8-23-2005

Hindsight offered to colossal blunder  
paying tribute to likes of you

as God's significant son

Genocide fostered by ships at sea

competing for same berth of safety  
clogging channel of entry

2341

Ring-a-levio

You're it

Sustenance is yours

Itch thy feet

to be free from perpetuity  
in world of want and woe

Toast thy Maker of dreams absolved

Vent your spleen

Assiduous be

Hornets corner thee

2343

8-26-2005

Wonder not about resources due  
lifting thee to zone of recovery

Fractured life

walks amongst trees

2344

8-27-2005

Slatternly love life envelops thee  
with misgivings

when cast thine eyes in mongrel way  
Sands of time deplete stores of energy  
regained by absorption of dribbles of  
love

Destiny takes time to arrive

2345

8-28-2005

Watching movie from outside  
man made error  
order of the day  
centers in love of loss  
Make do with primal touch  
of Musketeer Who guides thee  
in ways of living precariously  
in catastrophic circumstances  
Let be thy wish for My intercourse

2346

8-29-2005

Want not your Savior's hands  
Lost your central zone  
Heavenly rosebuds dwell in kingdom  
home  
pursued by drifting images  
of faulty vision's hijackings

2347

8-30-2005

Corruption  
Lily ponds emerge  
in dark pavilions stuck  
Welcome  
It is good to be aware  
Reach out for Me with arms extended  
receiving naught but love on high  
Listen for sound of Me  
raucous not  
that flows into quarters of life abroad  
Estuary blocked by sandbar causing  
backup

2348

8-31-2005

Estuary tilted  
Ground swell alleviated  
Daddy's plans are going to be right on  
time

2349

9-1-2005

Torrents of love melt thee down  
to mobilization of divine origin  
Weep not at fortunes lost to silly  
games  
of world-at-large  
placed before thee as sacred rites  
Let loose thy strings so closely drawn  
on potsherds  
Cavalierly spent fortunes  
unfolding from miles below  
spread unctuous order

2350

9-2-2005

Set not thy feet on soil of glacier  
erupted terrain  
Wait for Me Who shellshocks thee  
with coming of My presence  
pioneering path to kingdom return  
Lassitude lifted from trip to dream  
land  
Waste not thy time on trifles deigned  
glorious  
on land of sea sick waters

2351

9-3-2005

Listen to Me for fruitful news  
Extend thyself to lands of the unfree  
Make known the destiny of landscape

thine

Sauté

Will thyself to center stage  
entranced with love of God entered  
into

Relish the site providing thee  
with barbecue sauce for famished soul  
seeking taste of heaven delivered  
Ameliorate thy stress

2352

9-4-2005

Insulate thyself to manner Mine  
dealing with matters aloft  
Let others be in shape and size  
detailing shreds of broken lives  
combusting  
Valley of decision comforts thee  
with still waters and open hearts  
Reel in thy words of recompense  
drooling over party line of languid  
world  
Immortal sounds of rondolet  
beckon thee to call of home  
surrounding thee with unbroken  
borders  
nesting thee  
Lackadaisical be not  
over offerings to Me subscribed  
jutting out from squid filled waters  
Murky be the depths of colostrums  
contained seas

awaiting cleaning of scum  
that masks clarity of vision  
of searchers for higher terrain

2353

9-5-2005

Reckon not thy path  
for past crimes absolved  
Peculiar the wave of man  
doping out solutions to tide of joy's  
return  
to Cyclops land  
Relentless the approach of heaven's  
hordes  
to rescue thee from bits and pieces of  
life  
strewn about in wayward stream  
of mismanaged affairs  
Let solutions come from bottomless  
pit of Heart  
tuned to ignominious trials of  
mediocrity  
boosting power of sacred soul  
to partake in kingdom's efforts  
for resurrection to reality real  
Speak to Me of trip home  
from lands of demons particleized  
Waltz about in delirium  
conceding to interests in everyday  
world  
Bask in light of swamps  
caved in to distractions of netherworld  
peering in at jewels of fruitless desires  
Delirium trembles at sight of  
escapading Avenger

thrashing cobwebs from eyes of  
seduced victim

Listen to Me Who seeks thee out  
for recovery of throne of God  
from baseless pot of foreign soil

2354

9-6-2005

Loyalty to kingdom pronounced  
in flood of love 'mongst brothers  
garbed in surplices  
Hold thy ship upright  
sailing in cool Breeze and Summer  
warm

Mark My way to follow Me  
destined for kingdom return  
and world decline  
Lifeless be in cause of truth's return

2355

9-7-2005

Ransacked the kingdom of jewels of  
God  
floating in refuse of netherworld  
Asphalt road's Stingray  
prods thee to close ranks at watering  
hole

2356

9-8-2005

Resolute be  
hinged to Me  
thirsting for service outcome  
incarnate  
Rudiments of love  
expressed in dingy halls

of shame and indiscretion

2357

9-8-2005

Resurrection theme postponed  
when climb thee mountains of despair  
draped about

Walk thee in path of My footsteps  
that clamor for thy pursuit  
wakening thee to lost heights  
of kingdom home sought after  
by soul of My making

2358

9-9-2005

Hate not your enemy  
so close to yourself  
Loose ties to underworld  
that beguiles you  
to sanctify false image  
Realize the truth of oneness  
'mongst all brothers  
contaminated not  
by rot of mindless subjection

2359

9-10-2005

Seek not thy values in monster land  
waiting for train to ill-repute  
System in place  
for recollection of treasure trove  
that entraps thee  
with glorious glut of heaven's Heart  
awaited for succor true  
Repent for Savior's choice of diligent  
path

Crafted the doors to hell  
designed to circumvent blessed love  
from holding sway  
Landslide of great proportion  
loosens loyalty to central theme

2360

9-11-2005

Progression occurring  
hinting at doomsday scenario  
lurking in background of ego world  
dissolved in catastrophic climax  
of workmanship by God of love  
within thee  
Cease warfare against those you love  
engaged in discretionary choice  
that lampoons fraud of divisive  
elements  
in world-at-large  
Listen to lives of love  
extending between habitats of fallen  
creatures  
that supersede moping diligence  
on catwalk of fuming fury washed  
away beyond recall

2361

9-11-2005

In thine extreme  
do thee masturbate  
with clauses of dialect  
confusing thee with charms of  
pittance  
worth naught  
Skyward look for somnolence  
lifted from soul

flowing with milk and honey  
home style brewed  
See through the camouflage  
of worldly ways wasting thee  
in misery revisited  
and shameless toil in ways of death  
declared a virtue  
Come to Me for grand sight of angels  
calling  
to see of God demonized  
on lonesome trails to bitter barns  
of sackcloth  
Send Me thy permit  
for oversight of barren trails  
abandoned  
replaced by jaunty steps in light of  
day  
fervently hallowed as path of return  
to finalized destination

2362

9-12-2005

In seamless state  
listen for Me in all thee do  
Let not thy dander up  
over haphazard ways of tinder land  
exploding before thee in wayward  
manner  
Cycle thyself to meet Me  
in garden of love  
transforming thyself into beacon of  
light  
shining out into transfixed world  
of dodder brains mixing  
with melted down corpses of minutiae  
stewing

2363  
9-13-2005  
Distress  
thy flow of lava load  
coming from inner fortress of love  
lost  
Periwinkles decimate skills of love  
Look for Me in sunshine streams  
midst playful shadows of joyous  
world  
sent to you from heart of love  
Listen for sounds of Wind  
calling to thee in despair lifted  
evangelizing world in nectar  
nourished

2364  
9-14-2005  
Reach not for heaven's borders  
lapsing into disgruntled mood  
on shady side of madness casting  
about  
for righteousness  
self-defined  
Irreconcilable differences plod about  
in mayhem of storehouse  
leading thee into slogging  
through impenetrable miasma of  
defeatism  
Let cool thy heels entering Me  
for warehouse of goodies  
proclaiming kingdom near  
available to those nesting in  
welcoming arms  
of thy beloved Creator awaiting thee

Ruin not thy relationship with Father  
God  
imitating hoosegow dirges as  
preferred changes  
in volunteer army destined for  
fulfillment  
of God's enhancement  
Detriments removed  
when sequence of love  
enabled to pass through thy marrow  
into upstart world of virtue denied

2365  
9-15-2005  
Destine thyself for My will  
to be done in fractious world  
of non-believers  
Position thy self to claim thy role  
in adjudicating tensions  
of mortal mind impinging 'pon life of  
romance  
in kingdom world  
'tween consumers of God's bread of  
life  
Trail not thy brethren in costly  
foolhardy run  
peeking at statues of misadventure  
Place thyself at forefront of love  
unhindered in world of want and  
decay  
Root in Me thy trusted companion  
Who signals thee with harps of gold  
Listen for sounds of yesteryear  
displaced by moorings of harbor  
in sands of time  
Lay steady hand on Guidepost

willing thee to central port in sea of  
love

2366

9-16-2005

Beside thyself  
adopt Me  
thy Harbinger of spring  
Relay thy message  
expiring in sandstorms of delight  
coalescing with jib sails  
parked in medium of Holy Spirit  
Hasten thy homeland retreat

2367

9-17-2005

Levitate thy mind to welcome Me  
sitting in storeroom of gloom and  
doom  
Be free of tangled lives  
that aspire to cook thy goose  
midst clouds of misinform  
Reel in thy baggage topside  
capsizing thy boat  
flouting Winds of change  
delivered to fo'c'sle  
Aid thy brothers true  
with hooks of iron  
land based in bastions  
of true love secured  
diminished not by rattlebrain  
subsidiaries

2368

9-18-2005

Realize the need to depend on Me

thy Savior and future Dweller  
Cast thy lot in storms of grief  
with Me thy Stabilizer

Who guides through thick and thin  
to troubles door emerge

Willst thee go with Me  
thy true Companion

Who deems thee fit and complete  
inside of Me

thy realm eternal

Heartless be world of no return  
deputizing scoundrels for rule of law

Celestial sphere claims right  
of ordinance revisited

that projects beam of light  
on pathway to stars

recalled by homeless man run amuck

Rattle thy brain

with sounds of Me bequested  
fulminating up from inner depths

of borderline state

Sparkle thine eyes

when cleared of devious days  
spent in disharmony with rudiments

of quagmire

practiced by pests of ludicrous land

Leave pickings lean

for sumptuous feast of Fatherland  
nourishing thee with succor

unbounded

2369

9-19-2005

Waste not thy life in no-no land

usurping rule of Father God

Let live the spacious realm

of treetop land that expunges  
life of lull  
in la-la land of feathery proportions  
Let live the name of thy Creator  
homogeneous  
with burden free exist  
in ripe orchards and sumptuous  
repasts  
designed for thee in perpetuity  
Wreckage of doomed specie left  
behind  
Listen to Lovebird sitting in squalor  
Live not thy life in domain of mad  
tranquilized to loss of Easter view  
Do-nothings of deliverance  
posit false premises  
engaging thee in worm holes  
of meaningless existence

2370

9-20-2005

Agonizing the thought of God  
not being near  
shelved in anteroom of corridor  
Sing song of love  
characterizing jilted homestead  
left behind in charcoal cinders  
Windstorm senses vibrations  
of those tuning in  
listening for yodels of central plane  
Lean into Wind of eternity  
that collects thee from dust bin

2371

9-21-2005

Register thyself with Me

In silence sit  
mastering pathway to heavenly realm  
proportioned to thy fit  
Squeeze into thy role  
of master instigator of change  
dew lapped with Me  
in contiguous frame  
to oversee congestion in world's  
bottlenecks  
Listen not to your voice untrue  
that baptizes you with hate and hurt  
Recognize thy truth in listening mode  
beguiled by Source of love  
unblemished  
categorizing thee as holy heir  
of God's largesse  
Speak truth freely

2372

9-22-2005

Entourage of angels  
accompanies thee  
to side door of vaudeville show  
exiting on street to milky way  
Lessons learned

2373

9-22-2005

Bed rock of eternal kingdom  
perceived in Stations of the Cross  
visited  
Episode conveys loyalty of Son  
to Father's domain  
situated in world of want and wear  
excavated for remainder of fluidity  
exhumed

2374

9-23-2005

Fork in the road leads you  
to heaven's door  
assuring thee of safe passage  
Break through thy landlock  
galvanized by streams of torrents  
synchronized  
Pedigree by Jesus  
obscures ways of man obliterated

2375

9-24-2005

Roust thy life's work  
ameliorating sorrow in lonely world  
of discernment false  
Ripples of tide come forward  
elongating sphere of influence  
Set forth thy views on solid ground  
hibernating not in slumberland of  
sloth  
Speak in pristine pure polemic

2376

9-25-2005

Rest in Me for thy repose  
undergoing stress of heart in review  
Let be thy wounds  
pulsating in mind of thee  
refreshed by My fervent care  
of troubled state  
Magnitude of well being  
dictated by fortitude and love of Mine  
indwelling in thy spirit  
making haste to repair breach

in wall of harmonious rapport  
existing as be-all in heaven's harness  
Fondness for food and drink  
foretaste of heaven's climes  
that will thee mode of laughter loved  
Entertain thyself  
Waning hours beset thee  
calling thee away from fruitful ties  
Demand of Me thy resurrect  
in My mode  
adhering to bonds of vibrant connect

2377

9-26-2005

Search for Me in harvest time  
latching on to kingdom glory  
Drab the world of shame and tears  
located in valley of indecision  
and lopsided views  
Re-view thy thirsty mind rebounding

2378

9-27-2005

Wisely seek Me  
for pain bearing solutions  
Sense the tide flowing in  
looting the world of unseemly  
treasures  
Rolling stone adheres to matted soil

2379

9-28-2005

Seek not thy vision  
emboldened in belief  
Look to Me for viewpoints Mine

that condemn paltry sight in bitter  
view  
Lean forward to thrust through  
myopic scene  
with eyes of Eagle shared  
from love of thee  
My commendable child  
sitting in disownment personified  
You shall sail o'er oceans blue  
with grief abated in world-at-large  
Celestial spheres advance  
in uncharted waters of gloom and  
doom  
Make hay where the sun shines  
Last thou will in sunny 'climes

2380

9-29-2005

Listen to Me Who sends thee vibes  
of intercourse that spring free  
from songs of love  
Let loose thy twitterings and  
nonchalance  
baiting Me with surefootedness of  
composure  
casting aside megalomania of thy  
twisted mind  
Lead Me on to center of stage  
propelling thee to mixed nuisance  
flagellating thee with barbs of  
untruths  
Let My way be thine  
juicing thee with prospects  
of home delegated for thine eternal  
usage  
Look not to thy needs

which sacrifice Me  
as thy Beholder and true Source  
Weather storms of temptations  
seeded by Me thy Vine replenisher

2381

9-30-2005

Risk not thy life  
in steady course of kingdom renewal  
Hallowed halls hold thee  
from random searches in ransacked  
lands  
Sink not into soup of frost  
hugging yourself with forceps

2382

10-1-2005

Lopsided thy view  
snared in trap by dogs at bay  
Looming horizon of world tethered  
to sink hole of oblivion  
Withstand thy Source of Love  
compelling thee to wayward side  
abandoned  
in sunshine state of serenity  
Water thy stand of tulips  
bred in Kingdom home of reverence  
Listen to doldrums  
with musical ear tuned  
to lost chords of harmonies celestial  
Watch for My tap on door of entry  
into thy heart  
Wait for Me wherever thee go

2383

10-2-2005

Wherever your spoon is  
that's where I am  
Snorting game prevails  
in linguistic exchanges doted on  
by sadistic mind of human  
contemporary  
Brave soul of Mastermind conjoined  
lifts thee from certainty of dualism  
and deposits thee in land of the  
unborn

2384

Crucifixion ameliorates life style  
condemned by God as useless and  
wearisome  
by maker of dreams supplanted in  
world of Oz

Dream state emerges from hidden

dusted off  
distained and discarded

2385

10-2-2005

Listing ship righted in course  
to Me in earthly domain  
Set forth thy views in subterfuge  
laden land  
pill rolling  
Destined art thee to glamorize  
holy saints passage  
rescinding ways of man demoralized  
status freed  
Lariat of love extended to thee  
wishing for acceptance on thy part

Rulership over dwarves maintained  
on escalator to higher Power  
reaching for Hand of turbulence  
control  
Loose thy grip on handrail of self  
deception

2386

10-3-2005

Seed thyself in silence kept  
in lockstep with holy matrimony  
Gangsters reach not for Me  
in strident tones  
listening to voice of underworld  
Seek location divulging sure  
knowledge  
of rituals that underlie harmony in  
vitro

Thoughtless be excavating the land  
of God's carousel

2387

10-4-2005

Reach not for slander strings  
of purpose driven life  
when tied in knots by wayward world  
Weep not over misfortune's troubles  
that guide thee into behemoth's mouth  
All is made well in hands of Me  
that lift thee 'bove earthly world  
to kingdom site of woes at end

2388

10-5-2005

Plod not on tortured soil  
belying truth of grandeur sought

Look beneath the waves of glory  
where found ballistic Presence  
of face saving attributes  
wilted not from dry heat of hades'  
heart  
Cast aside thy grief  
relegated to rear of sorcerer's entrance  
nullified by Me

2389

10-6-2005

Let freedom ring in soul of thine  
foreclosed to Me  
Listen to Me thy Soul mate  
Who brings thee home  
from temptation's shore  
on elastic string stretched out to thee  
Ring thy bells of perpetuity  
Grand stand  
Plunk thyself down in midst of Me  
Who saves thee from disorder  
See to it that thee observe My rule  
in times of crisis midship  
Restless thee be when preserving thy  
rule  
in rut trailing thee amiss  
Fortunate thee be in zone of Me  
thy Perpetrator of goodly acts  
wisdom stained

2390

10-7-2005

Resplendent in God's eyes  
effervescent in daily toil  
locked in trails of benevolence  
do thee succeed in material world

Suit thyself with golden stars  
dazzling in brightness tones of inner  
light  
Destiny calls thee to outer picture  
scandalized by fraudulent life  
of hipsters' desecrations

Held in

here lies the Flamingo of southern

rasping away at incline  
to monotonous moments  
destined for purgatory  
Reach out for golden plumes  
listless in night skies of damnation  
Roost not in dandruff flakes  
of personal tree  
that blots out marshes  
watering thy steps

Pestilent the son of God  
revolving about the world of shade  
and dingy  
Nomad life in desert of ill-repute  
marks end of royalty  
censored by blaspheming mop head  
of putrescence  
Angels gather in reservoir of love  
guiding thee to refute lies  
and bogus claims of needy world of  
dishonor and deceit

broadcasting status quo of kingdom  
home  
Reality bound art thee  
awaiting kinship re-visited  
Sense the style  
Re-habitate thy country Villa  
Downsize thy listless self  
Discard thy dreams of multi “you’s”  
Signify thy oneness with Me alone  
Who adores thee with unbridled  
passion  
Let live My son of love  
in place of Me  
Who deigns thee equal partner  
in paradise sojourn of upliftment

Longing in desperation  
fits not My mode of seeking  
Let live thine ardor to serve Me  
callused  
reaching out to root of thy soul  
which connects thy voice to Mine  
Roll thy heart to center of Me  
thy Cornerstone  
Traipse about Earth  
disconsolate  
Bootleg

2395

10-11-2005

Rinsed in soil of balmy love  
platitudes disassemble  
Sledgehammer blows  
hasten crumbling of walled cities  
defying God’s edicts detailing arousal  
of kingdom within  
Set aside thy vanity  
for inner push  
preserving sanctity of domain

2396

10-12-2005

Humble thyself before Me  
that seeks truth  
knowing things as only I can  
Let be told My way and word  
that provides thee with wisdom Mine  
deposited within thee  
for safe-keeping  
Rule thee will in style of Mine  
foreordained for purposes Mine  
Keeper of lost memories  
banks on lucid thoughts  
for recovery

Work not at labors lost  
Seek Me for fulfillment  
that absolves thee of duress  
Look not for sweets in laundry closet  
opposed to nature of soul endowed

Consumed art thee by madness made  
listening to voices of dead

Waste not thy time in dawdling  
matters  
Listen for love of God  
descending to thy ears  
emancipating you from works of  
world  
complicating thy path to kingdom  
return  
Wistful be for sight of Me  
ballooning before thee  
in vivid color vibrating  
shimmering  
Steadfast be  
locked into journey  
back to the stars  
Let Me be with thee  
in return trip campaign

2400  
10-16-2005  
Manage not thine affairs  
embarking on trip to heaven  
armed with side Companion  
Let thy trip be guided wholly by Me  
thy Master cruise control  
Sail not into seas of storms  
gliding on wings of Messenger  
from on high  
Rickety structures fall away  
Shavings of the Cross float down

into world at slumber  
desecrating life of splendor  
stirring up repugnance for lost venue  
of soul's miscreant activities

2401  
10-17-2005  
Statutes of love  
demand risk free collaboration  
with God on high  
See through the frost of night time

locked into seasoned vestiges  
of holiness Heart

2402  
10-18-2005  
Answer not thy vengeance call  
siphoning blood from treasure trove  
of Heart royal  
Wait for Me  
thine intransigence Ruler  
coupling thee to peace of God  
waving wand of leadership  
Tread not in design of Mine  
when cast thy view before thine  
eyes  
Watch for Me  
thy Savior born  
to move thy feet in ways of Mine

2403  
10-19-2005  
Stretch thyself into commission  
See that all is done  
Railroad in place

for abjuring land of no-retreat  
whistle stop  
Will thyself to suffer  
for strain of Me  
Lamppost divides

2404

10-20-2005

See not with eyes open  
when counting sheep  
in land of disablement  
Semblance of sanity recorded  
Head off ailments  
when reset thy valve  
where Moon shines bright  
Counterfeit the way of life  
consuming thy will and latitude  
Gracious be in land of lump  
to Valedictorian of old school  
Who calls thee to seminar on love  
aquatic style  
Repertoire of hope distills bunny hop  
Two lane highway to hell  
discharges passengers  
on roadside of grief  
planting nectar bulbs  
in garbage dumps of indiscretion

2405

10-21-2005

Center thyself on Me  
thy Cause celebre  
for sustaining thyself  
in Windy weather  
Relief granted in nose of Wind  
caulking up leaky spots

where wayward mind drifts

2406

10-22-2005

Save not thy sight  
for blessed events  
erased by crass viewpoints of monster  
mind

Saddle soap protects thy seat  
in kinship realm  
braced by firm hand of fluorescent  
Fixture

Thunder Galaxy insubordinate  
to mixed up mind of madness  
evolved from fruitless forestation  
Walk not on path of least resistance  
that slows thy growth and maims thy  
mind

2407

10-23-2005

Slip on slope of disenchantment  
leaning towards notorious side  
of beleaguered souls  
canvassing world for truths  
unbelievable  
Let's break for Bread sweetening life  
Rocks a' tumble from crumbling base  
of lattice like world  
spewing nonsense themes  
Reconstruction of kingdom present  
solidifies from casting aside  
thy worm's-eye view  
Linger not in alleyway of deceit  
Worthwhile the sight of God in  
splendor shown

to pygmy world blustering in  
crookedness and shame  
Harmless be to lotus eaters caught up  
in time and travesty  
unhinged by waves of disorder

2408

10-24-2005

Sadness reigns in collared son  
swept away by torrents of world  
deluge  
Sections of soul taste heavenly  
domain  
reserved for quiet heart held apart in  
seclusion  
warped not by rains of shame  
Listen not to timbre of souls divided  
calling for solutions to broken heart  
Wait for standard tone of Love's voice  
clearly imparting instructions to son  
worthy of holy entourage  
participation  
Rule out treason  
succumbing to mind of God fixated  
See to it  
Lesson learned forthcoming  
Let there be love between you  
Help each other

2409

10-25-2005

Reach not for succotash  
when fielding gems  
Risk not thy sanity in muddled mind  
that brings curvature  
to wanderer of lonely path

10-26-2005

Reach not for fork in hand  
lifted to thy mouth  
by unseen Dweller  
latched on in season of temperance

2411

10-27-2005

Set thy foot  
on doorstep of kingdom home  
But wait  
I'll call you  
Wait not for thy sexual pleasures  
which corrode thy vestibule  
Lift up thy voice to heaven's  
chambers  
where see the moon and stars  
in bright display  
Keep easy

2412

10-28-2005

Foreordained thy role  
in world of scum  
masking modern moments  
Heads break open  
Storm clouds gather  
in symmetrical fashion  
washing mankind's footprints  
from world of time

2413

10-29-2005

Argue not with Me

Who sustains thee in all matters  
Let shine thy light  
provided by Me  
Let be what must be  
following Me in quarters of My own  
Wrestle not with thy quandary  
forsaking Me as thy home  
Rest assured in My plan  
to overcome world  
stationed in thy midst  
Hold on to thyself imbued with Me  
that traverses world in splendor seen  
Holy order condemns world of trivia  
past

2414

10-30-2005

Warped be My namesake  
flitting in turmoil  
wrapped in worries  
Sever thyself  
from chicanery of minstrel show  
absorbing thee in tenacious grip  
sucking life blood from golden arm  
Hurdle  
Hold out thy heart to Me  
for stamp of approval  
designated for counselors  
of holy realm  
Levitate from early real  
to sky view clear  
waltzing with companions  
sequestered with thee  
Bloom in fields of daisies strewn  
copulating with never ending paeans  
of song

2415

10-31-2005

Relish not thy thoughts  
replacing Mine thine own  
Outlandish  
Fruitless thy path to kingdom come  
seething in moronic displays of  
trepidation  
Lasting longing for holy venture  
senses imperfections of retreat  
from riverside of placid dominion

2416

11-1-2005

Restful be in shade of Me  
duplicating the Home of divine  
resources  
Stew not  
Look 'stead for heart of Me  
that hastens thee to kingdom home  
Beach thyself in tide of joy  
relegated to survivor of earthly  
mayhem  
Disarm  
Realize thy powers  
inverted by dippy doodle clan  
of madness inherent  
Reject claim of dissident froth

2417

11-2-2005

Seek not thy will to overwhelm Mine  
and cast away flowers  
Seek not discredited self

that fumes and fusses at glitches  
present  
in world of dismay and mottled minds  
Look to Me for assurance  
in mindset of steadfastness  
Listen for breaking waters o'er thy  
fevered brow  
Rock not thy vantage point  
carousing in mind of mortal sin

2418

11-3-2005

Listen not to tales of woe  
that beset you in world of madness  
made  
Focus on Me your Reclaimer  
midst green grass and pasture lands  
overlaying forsaken soils of minotaurs  
Reach not for thy standards  
that supplant Mine  
Think not 'lest thou dwell in tinsel  
town  
of thine own making  
Realize the truth of thy demise  
caught in lair of self-immolation  
postulated on ground of grandiosity  
Let loose thy verve  
careening about in moonshine  
Stability returns in rehearsed program  
under My wing

2419

11-4-2005

Calm thyself  
Uprising shaken not  
Cast not thy lot in spleen

aggravated in delirium

The enemy is storming the gates  
Please press home  
Breakthrough occurs in hiding  
shield  
stimulated by cohesion of forces  
on field of truth  
Hilltops green with snow caps  
dazzle viewers of greater world  
intent on becoming demon deliverers  
to God of mankind  
malformed from dusty bowls of  
quirky concepts

2423

11-8-2005

Salvage thyself in mean streets of hell  
Look for Me in life beyond

for little can thee do  
in cast of shame  
See through My eyes the value of love  
cascading down slopes of mortal  
world

2424

11-9-2005

Rule not thine impulses  
casting away My direction  
of eternal themes  
Listen to Me for Sabbath decline  
of roller coaster ride  
in kingdom of mortal wound  
Space for memory locked into leisure  
land

Hidden from sight

Ruler in view

Set scope

2425

11-10-2005

Healing Mother is all about  
It is your time to shine  
Deposit your trust  
Scatter not thy seeds  
when horn blowing posed  
Look to Me for solitude  
that gains favor  
enmeshed with My thoughts  
of future domain  
Holocaust decried

2426

11-11-2005

Risky thy trip to kingdom home

slaving over fiery furnace  
of clandestine activities  
Reasoned route of Attaché  
coordinates call of cyclical trip  
by Master of thy fate calibrated  
Give Me your heavenly mind  
that secures thee to Mooring

2427

11-13-2005

Fractured thy life apart from Me  
sitting in the world of no-receive  
Lifeless thy form held in abeyance  
from Source of Me communing with  
thee

in splintered silence

Walk not in telethon of life amuck  
dribbling ditties of false appeals  
to garden of mayhem circulated

Walk with Me thy Standard-Bearer

Who trusses thee to truth unobserved

fleeing from madness zone

of wet noodles and soured mind

Hosts of angels await thee

Lampoon not

Lagoon of love washes over thee

calling thee to My side

Temptations desist

Values promised that lead thee forth

2428

11-14-2005

Where is your trust in Me  
You need to resist former outbursts  
Let not thy hands be free  
countersigning My decree

Reach not for golden throne  
annihilating others with distilled  
anger

Lock into mind of Me  
where flows waters of disenchantment  
with ways of man  
Listen for leaks of love  
that disenfranchise setting

2429

11-15-2005

Realize thy role  
in rat infested world of insecurity  
Rush about mindless one  
sustaining thyself in world of dreams  
Loosen up thy screws to home plate  
calling thee back from wanderings  
in faceless land  
hog tied  
Boisterous thy tone  
from mischief mind  
misbehaving in world of mental  
madness  
Tenacious be withholding ire  
from scene of battle

11-16-2005

Solve problems in Me  
thine inborn Savior  
that quells riotous programs of  
murderous world  
Hear Me Who transcends viability

2431

11-17-2005

The King brings new information  
Rule out thy stuff  
that precludes ownership  
of fate endowed

Real the rewards of kingdom home  
decimating unholy alliance  
with never-never world  
Crushed by My minions  
will thee plant rows of winter wheat  
that place sustenance in hearts of  
mankind

Roll out thine hills of home  
that cast flour Son baked  
on people's plates

2432

11-18-2005

Let thyself be coaxed  
into love birds nest  
Register thy song with Me  
thine Encapsulator listening to thee  
Heart to heart talks loom before thee  
as Co-Creators of schemes  
to emancipate mankind  
from its licentious activities

2433

11-19-2005

Derelect art thee in duties performed  
wasting away thy stance in Me  
Prepare thy vittles  
Hateful thee be  
when descended into depths of morass  
stultifying My grip on thy shoulder  
Balloon up moments spent with Me

culminating in washed out gully of  
love  
that fractures bind of lost lagoon's  
flow  
Respite

2434

11-20-2005

Loosen thy lips to songs of Me  
that well up in hearts accorded with  
Mine

2435

11-20-2005

Reach out to Me through bonded lane  
expressing thy will to return home  
Let Me speak to thy venture true  
alleviating crossroads of kings and  
crowns

worn by earthly arbiters of shame and  
seduce

Debilitating thine outlook wasting  
away

in sockets of malfusion  
perpetrated by mixed alliance of

malcontents  
and con artists

Reach not for knobs of control  
that parade goodies of paradise before  
thine eyes

whisking thee away from avaricious  
vices

of lost lands

Detour debacle

2436

11-21-2005

Let go thy vision  
that thee may see with eyes of Me  
Contemplate thy willingness  
Wish not for things unsaid  
in vitriol laced cabanas  
on high seas of hell  
Reckon with Me thy true Friend  
Who guides thee to kingdom hall  
of sentient thought abrogated

2437

11-22-2005

Hit thyself with gremlins  
casting away Me as thy Maker  
Bottled up thee be in nascent pursuits  
Put thyself down before Me  
dallying not in supercilious mode  
of earthly world

Place thyself in My care  
Place thyself in square one

residing with Me  
in center zone of tranquility  
Match Me at thy side

2438

11-23-2005

Seek thee the kingdom of God  
in My stead  
that thou may declare thy willingness  
to perform the amplitude of My work  
Last thou will in place of Me

2439

11-24-2005

Risk not thy route to kingdom home

vying with Me thy Leader still  
Synchronize thyself  
Hold thyself to Me  
Lift thyself to My sphere  
that thee may sing in warbled tones

2440

11-25-2005

Rig thyself for presentation  
'lest thee float away  
from silent tribute to God the King  
Wrestle with trouble brewing  
casting aside net of no return  
stifled

2441

11-26-2005

Waste not thy mind  
on trivia of daily life  
Invest in Me thy wholesome Deliverer  
that makes thee companion in heart  
song  
lusting for senses of heaven born  
Listen to Me thy Dual Pilot  
reminding thee of snake-filled  
memories  
escorting thee through trash of corrupt  
world  
that blocks thy vision  
of luscious fields and granaries  
partaken of by model son of My loins  
Douse thyself with My sacred dew  
drops

2442

11-27-2005

Hold thyself up to capture Me  
that doubts be set aside  
Franchise thine operation  
to secure Mainstays  
that absent themselves from lineage

Do nothing

Tear apart thy command

Settle into dew drop rain

History repeats itself

Wait for engulfment of thy vision  
by floors of enchantment  
that guide thee back to kingdom's  
aware

Rule thyself with increasing vigor  
to stay awake to internal Vision  
at thy hand

Love thyself in Wind of calm

awaiting thee per My instruct

Release thy fumes of humors

decorating thy cornerstone

fancied as real by hobgoblin mind of  
eroded world

Await thy weather change

percolating within

that registers salient of harmony

at thy disposal

2443

11-28-2005

Seek not thy food in sheltering arms  
obliging thee with warmth and caring  
concern

'lest thou see thine hideout obscured  
by eyes that cannot see  
Wouldst thee know Me  
thy reserve in toto

2444

11-28-2005

Lose thyself in turmoil of world  
speaking from ghosts of all that's past

Rudimentary evidence  
disclaimer of lawless land  
stylized on berating of self and others

Wait for Me thy Transgressor  
Who rocks boat of naughty dreams  
pledging fair skies and calm spirit  
as one with thee and thine

2445

11-29-2005

Rustproof thyself from waters of  
iniquity

flowing in veins of non-believers

Satisfy thyself with bones  
picked clean of edibles

Vault the fence of graveyard  
to lands green with honey flow

Dunce cap worn by molester of  
heavenly soul

acclimating itself in world of peeve  
and insult

'Lest thee be caught in grip of tyrant  
place thyself in hands of Mine  
shackling thyself to Winds of change  
irreversible

2446

11-30-2005

Seek not thy views of things to come  
Riposte delivers enmity to secular  
values

that clash with holy intention

Seed My field in Grain

Wizened by thy stately form  
surrounded by mockery of everyday  
world

hale and hearty be  
when touch the womb of Master's  
consecrated Airmail

2447

12-1-2005

Righteousness stands alone  
guttled

Reach not for My vestibule  
Listen not for My comments  
when indulged in horseplay  
Section off thy mind that wills thine  
own repartee

2448

12-2-2005

Whispering loudly  
lies the soul of man  
taking toll on the false image  
espoused

Ransacked the love of God  
in exuberant flashes of exiles'  
pageantry

Toss away needless heart  
of circuitry blemished in cauldron of  
deceit

2449

12-3-2005

Rhapsody of heaven  
untangles thy grip of false values

that consume thy mind  
in rinse of reason maimed  
mixed

2450

12-4-2005

Help others to do as you  
seeking Me

Let others place themselves before  
Me  
without fear lessening the mode of  
contact

Recount thy way you travel  
Realize thy truth in zone of heaven  
that ministers well-being to partakers  
Hearts of holiness browse in secure  
borders

Hear Me in thy heart  
Who flows with combustible vision  
igniting thee to sense of need  
for thine action  
Listen to work scheduled for thy  
completion

2451

12-5-2005

Sink not into blasphemy  
worshipping devils of this world  
Lessen thy viewpoint

2452

12-6-2005

Sought for approval  
wings home to you  
listening for banquet call  
Headlong do thee plunge

into sanctimonious trifles  
that enable thee to maintain life  
without Me

Recognize thy roots calling thee to  
ground level

Hasten to My side foreordained one  
who mixes truth with quagmire of  
nonsense

Holiness abounds in place of madness  
murky  
awaiting thee in timeless accord

2453

12-7-2005

Hurt will thee  
when hounded by mind of madness  
tones

Release thyself to mind of Me  
that flagellates deacons of wandering  
tribes  
erupting in desert of stones  
and servitude to misnamed gods of  
wrath

Pull thyself in to inner place  
of momentous meeting with servant  
God

2454

12-8-2005

Risk not thy sanity  
in road to ruin  
dwelling in hell hole of savagery  
Place thyself in arms of Me  
that returns thee to heaven's borders  
Mission accomplished  
dwelling in hills of home

hoisted by legion of angels  
accompanying you

2455

12-9-2005

Holy is your name  
destined for secret knowledge  
that blooms in rapture of kingdom  
divine

Holiness enables thee  
to counteract forces of this world  
contradicting benign presence  
of fulminating God within

2456

12-10-2005

Lift not thine head  
from storms of trails  
that transform thee  
from master to monster  
elongating thy stay in meaningless  
mind of madness monopolized

2457

12-11-2005

Seek not thine enemies close by  
wallowing in filth of holy order  
neglected  
Wasted art thee in monsoon of hatred  
portrayed by imagery of vessels  
selected  
lacking source of God's presence  
Let be thy stillness accomplished  
that brings thee replicas of Personage  
fused to magnanimous nature  
Tasty thy treat to world at large

becoming snowman  
in heated circles of discontent  
Juices of fortitude flow forth  
slowing flames of malaise

2458

12-12-2005

Sing forth thy rule of law upheld  
in frequented quarters of cinema  
verity  
Hooked to Me art thee  
when comb the dust for lost icons  
of stratosphere filled with heavenly  
resources  
Ignite thy tool box

2459

12-12-2005

Hearts held open to Me  
swing wide the doors of recompense  
Fruitful the life of willingness

2460

12-13-2005

Follow your Guides  
who have been sent to you  
Humble thyself  
Loose thy grip on tender loins  
befitting thee not  
in scars of war  
between battle of sexes  
And all the kings horses  
and all the kings' men  
couldn't put humpty together again

2461

12-14-2005

Wait for Me to imprison thee  
in suburbs of kingdom home  
Lost art thee in outer world  
fishing for sustenance in waterless soil  
Thy kingdom come wells up in thee  
when dastardly deeds set aside  
in world of nothingness warranted

2462

12-15-2005

Wince when thee see the likes of Me  
peering into thy soul chamber askance  
Mottled grime pasted on tentacles  
repulse daylight's sight

2463

12-16-2005

Curious be when experiencing  
light of Love  
Holy Heart divines character  
stuck in places of worldly martyrdom

2464

12-17-2005

Hold thyself up to Me  
that claims thee as My own  
Let thy feet slip not  
from path of healing  
tooled to foster growth  
of thine imminent return  
Placate thyself with assurance Mine  
that all be well in fact and form  
addressing thy need for tempered flow  
of Deity's presence in world of Oz  
Radiate out thy shine and glow

from office within Me partaking

2465

12-18-2005

Think not with thy mind  
but with Mine  
present and available to you  
Grove not with questions deep  
allured by Me from task  
inconsequential  
Rest in arms of Me  
that fills thee with good things  
palatable and nourishing  
for thy goal at hand  
Foggy art thee filled with grief  
waylaid by mind a' wandered  
Tiptoe through land of curds  
engulfing thee  
awakening to My belongingness by  
thy side  
in cult of mania  
'lest thee drift in unseeded kind

2466

12-18-2005

Soapbox declarations wasted format  
intoning destiny  
Alarmed art thee at call of Love  
to sites of designation  
Hustle to sacred ground  
where glance of triumph festooned  
celebrated

Robust the world of God

filled with sounds of laughter  
willing the people of God to excel  
in duty mandated from on high

Provocateur

Hints of heaven

rustle on shores of beaches  
dedicated to preserving contact  
with holy waters washing over thee

2469

12-21-2005

Send forth thy sounds of peace aware  
that cometh in waves  
Lock doors of prattle demonic  
Children at play in courtyards of love  
disseminate God's beatitudes

Rest thyself in Me

thy green Grass of home

Slumbering in shade of salty mire  
pools of cool water

brush thy cheek in fashion Mine  
tantalizing thee with definitive answer

2471

12-23-2005

Treat thyself to dandy dessert  
of love's fortunes exhumed  
Mistletoe hanging on tree of life  
awaiting thy concupiscence  
dwarfed in fields of golden haze

Will thyself to do My work  
in seasons of ill-repute  
Let down thy guard to pills of Mine

2472

12-24-2005

Costly the winds of shame  
embracing thee

in lost starship of heaven's hosts  
Obligated art thee to make amends  
for lonely course in universe of no  
end

2473

12-25-2005

Listen to the mocking bird  
singing sweet messages of homeward  
bound

2474

12-26-2005

Debate the news of Christ alive  
Risk not thy course

with hosts of angels  
that fly about in widening circles  
Listen for them share their news  
of treasure trove  
awaiting thy scan and interact

2475

12-27-2005

Hold Me tight that thou not slip  
into harangues of others  
in feisty fashion  
Live not as King and Queen  
if festered within

Lift thyself up from grimy ground  
to irreplaceable portion of God's  
presence  
Wouldst see Me not  
when succumb to lights  
of trampoline world  
playing havoc with thy mind  
Match Me beckoning thee to My side

2476

12-28-2005

Reach not for scuttlebutt insincere  
Wash thy hands of dross  
linked to curvature of world sinking

2477

12-29-2005

Withhold not thy service due

2478

Hunt down

Write for Masterpiece bulletin  
Union forestalls selection  
of God forsaken mind  
that nests in catacombs of human  
desires

Lessons of love betrayed by rogue  
marketers  
Help others who are in need  
Hectic the world of Oz  
sleeping in the sunshine of lunatic  
land

bedeviled by orifices of lust  
Sanctify thy love with eager hands  
raised in capitulation  
to holy ground immersed
