Hearts held high to Me  
benefit from My stores of good and  
grace  
Hateful hurts tuned out  
when I come upon the scene  
leading thee to tunes of glee and  
symphony  
Make hard thy turn to Me  
for deciphering canon law  
that places all things beneath My  
soaring eye  
for rules and regulations advanced  
to thine inquiring mind  
Planted in soil harnessed to monster  
system of love delegated to poseurs  
of God  
lacking vitality

rule  
Rinse thyself

with Prince of peace offerings  
that shade thee from turmoil of  
demonic dosings

2922

3-4-2007

Cast off thy thoughts  
that plague thee with mesmerizing  
fantasies  
Empty thy soul that blockades  
the truth's aware  
Patsy art thee to clouds of vipers  
subjugating thy mind to villainous  
imagery  
Cleanse thyself in waters of heaven  
begotten by dual worship of  
Fatherly kingdom  
and Merchants of love  
obliged to warm thee with sacred  
contents  
Technology remains with Me  
escalating universal call  
for return to home  
Least of these significant to recall

devoted to where and when  
of mystical proportions  
in lives of man unadulterated  
Heed this now for thy Namesake  
Seek not thy ways over Mine  
that blaspheme the altar of God

Freshen up thyself with tabloid  
news  
that Christ the King  
brings peace on Earth  
Distinguish heart  
from mind of human cells  
that perceives not  
the cause of want and woe  
Place thyself on My altar  
for steps to oblivion  
and care beyond  
that swoons thee into My arms  
and life itself aboard  
Sense not the opening to new day  
order  
sinking the ship of fools

despair

Wrest not control from Me  
Who obeys the commandments  
of the universe sanctified  
Leverage needed supplied  
by eminent domain  
Tinker not with certainty  
Sink not into oblivion  
casting thine eyes at foils of world  
Set sight on ships at sea

bringing thee Master cargo  
divining thy way  
to cruelties of world  
needing ablation  
Sound the alarm  
Loosen thy screws on truth held  
down  
that fulfills bemoaning  
of dung filled diatribes substituting

that alleviates world of wear and  
woe

condemning thee to heartache's  
incandescence  
and feelings overwrought

Lockjaw cremated in fields of bliss  
where singing fire  
mows down abuse of soul  
Hurt not when you come to Me  
in slumber lasting  
cooling fires of hell  
burning in thee  
from land of misplace  
Cool thy heels in circuitous retreat  
upholding appeal of My victory  
promised

Take thee to central home  
where matters not  
thy will nor way  
Prune thy vines  
to receive discourse from Me  
that fills thy void  
Wait for Me to send thee news  
of rapture Mine and replace  
Sink not into oblivion

coasting aside kingdom of heaven  
Let fur fly

2962

4-12-2007

Hasten to Me with shoulders  
squared  
attentive to My step on grade  
served  
Double thy time living with Me

2963

4-13-2007

Class will be yours  
like Mine  
I really appreciate that  
Home safe  
Flexible be when tumble thee  
Unclouded thine horizon secured

2964

4-14-2007

I endeared you

2965

4-15-2007

Hand up thy cup  
to be filled by Me  
with lavender touched grace  
midst heartache and tears

2966

4-16-2007

Waste not thy time in doldrums'  
blues  
Let fly thy flag of emancipation  
wandering not in downcast days  
Forsaken not thy mementos  
of translucent vision

shaking thy feathers free  
folded inward

Rejoice in tandem with meteoric  
Master

flying in ecstatic moment  
of joy and peace aware  
Receive from Me thy peerage

2967

4-17-2007

Waste not thy time on family jewels  
violating laws of universe unseen  
Be calm and be loved by God  
Don't sit under the apple tree  
with anyone else but Me  
'til I come marching home  
Midas touch delivers change  
to supernumeraries

2968

4-18-2007

Help is on the way  
securing for you past time

2969

4-19-2007

Will not thy way for things unseen  
that impede My will for work  
performed  
Shake not thy cords of control  
that blemish foreground of site  
conceived  
See to it that thou call upon Me  
when engrossed with signs of life  
preserved

2970

4-20-2007

Grounded in gardens of prosperity

slick with dew moistened seeds  
patches of plants break through  
encircling the tombs of the risen  
dead

2971

4-21-2007

Earthly faces sink into oblivion  
cursed by ignoramus mind  
that bleeds holiness dry  
Naught gained  
but future filled with dreary days  
lost in moonscape monotony

2972

4-22-2007

Growing in time  
the love of God perpetuates His  
image  
leading to natural joy  
and kingdom of heaven  
implored by you  
Knock not without My answering  
Risk not thy time  
plastered to walls of worldly life  
destined to failure  
of pursuits followed  
Reckon with Me thy Grand Master  
of time well spent

2973

4-23-2007

Let's be friends  
Uncork  
Assume the position  
Rest awhile  
Let change occur

2974

4-24-2007

Seek not thy socializing  
'mongst braying mules on earth  
Search inwards  
where find the blue birds of  
happiness  
that alight on every mind  
attuned to wisdom of the ages  
flowing forth from fountains  
of magnificent life  
Sit down with Me  
and juggle thine accounts stair-wise

2975

4-25-2007

See to it that you speak of Me  
thy Founder and Creator  
that expires not in land of  
misbegotten  
Woe to thee Who disclaims Me  
thinking only of bare feet  
shod in sandals cast aside in holy  
ground crusade  
Workaholics walk in pathway  
following Me  
Wouldst thee declare the truth  
of salvation's ways  
knocked knees in tribute  
to God almighty Savior of heaven  
and earth  
before Whom all shall fall  
in devotion and holiness served

2976

4-26-2007

Water not thy ground  
with infidels' ravings  
massed on borders of madness  
pervading

I need to use this space

2977

4-27-2007

Wait not for Me in punctual manner  
that smoothes the way from collision  
course

No-brainer dividends pay off

2978

4-28-2007

Let love be trapped amidst the  
flames

lessened not by heat of conflict  
in world of warp and wear  
lying in its embers

2979

4-29-2007

Go not where I go not  
musing on madness unforsaken  
Warm thyself at My side  
where Host I am to troubled thee  
Consent to My aware  
flustered that you be  
Magnanimous be to sight of Me  
working in your behalf  
to curb inner violence to yourself  
and others

Let live thyself as would I  
Healed in Heart of gold  
diaphanous moonbeams  
flow out from thee  
granting freedom and love  
to those entombed in darkness  
pejoratives

2980

4-30-2007

Sought for advice  
sealed and delivered

Forget it

Seek Me not in thy stores of Grain  
lopsided in outlook  
welching on true vision  
Magnify thy vision in Me

2981

5-1-2007

Lest you forget  
remember Me in your dreams  
wandering in land of make-believe  
Resist signs of non-conformity  
wasting away  
Hokum fills the void  
of flowers trampled in dynasty of  
God

2982

5-2-2007

Hasten to My side  
that I may deliver to you  
the wherewithal  
that occludes the sightless eyes  
of beanball participants  
in world of drones

2983

5-3-2007

Wash not thy soul's glitter  
in sour juices of fermented rot  
generated by evil mind of human  
décor  
Pass by the gates of world-at-large  
disowning man-made garbage  
Crisis averted

2984

5-4-2007

Wet thy lips with waters Mine  
that carry thee through thick and  
thin  
unflustered

2985

5-5-2007

Least of all be  
a servant mobilized in full  
I love it

2986

5-6-2007

Cast Me aside in light of darkness  
in trepidations of lost life abroad  
Let loose thy manner  
that scolds thee with harsh thoughts  
of fear and failure in rampaging  
mind  
Here I am your faithful Servant  
attuning you to go  
between the jeers and jealousies  
of thy monster state  
beckoning thee to come forward  
with Me  
to classic expression mode  
dovetailed with thee  
in supreme hour of fates entwined  
Lessen thy hold on do little land  
compounding thine oath to serve of  
Me  
Will for Me to do thy will

2987

5-7-2007

Squirreling along  
lift thyself up to domain's demands  
calling upon thee to square thyself

with God

Fear not thy failure self  
that wastes away from the  
kingdom's touch  
Cast thy bread upon the waters  
Let no stone sink  
emblazoned with the Word of God

2988

5-8-2007

Sit not at My side  
when rhapsodizing with choral  
master  
of world of raucous din  
Mobsters finish last  
in deputizing helpers of Mine

2989

5-9-2007

What would you have of Me  
that I cannot provide  
aces high  
Listen down deep for thy  
thoroughfare  
that calls to thee for modest gains  
at no expense  
fitting thee with tunic of relief and  
revival  
Woes to thee when not at My gate  
of resuscitation and recall  
Shout for joy  
Ring around a rosy  
Dance to the light of the moon  
Make do with all of you  
riding high in the sky  
latched onto Whirlwinds of love  
emancipating the pack  
from its feet of stone unduly  
delayed

2990  
5-10-2007  
Hunker down listless one  
on boardwalk of fraudulent fairway  
Stairway to stars beckons thee  
for joyous travel to kingdom home  
uplift

2991  
5-11-2007  
Rest not on thy laurels

2992  
5-12-2007  
Reach not for Me in tender course  
when grimy with sordid sawdust  
mind

2993  
5-13-2007  
Richness blooms in the kingdom of  
God  
salivating over bountiful love  
and treasures of the heart  
Hatred and hope incapacitated  
lift thee away from interior womb  
Lovelessness chides thee  
in sour disposition  
mocking Me with My feathered  
song  
and grace abundant  
Strike hard at submission  
to My name and law  
that wills thee to wellbeing  
and service to all in All  
Reach out to the multitudes  
worn down by beastly minds  
segregated from kingdom of God

wrapped in delusions of non-  
existence  
Place them within call of My Voice  
attending to their recovery and  
well-being

2994  
5-14-2007  
Makeshift platform  
dooms soothsayers' proclamations  
that end of world is near  
that we don't have room like we  
used to have

2995  
5-15-2007  
Label thyself of Me  
thy domestic Partner  
laminating victory pole  
with sign of the Cross

2996  
5-16-2007  
Rule not from your seat  
that empties out into trash can of  
rubble  
Listen to Me  
thy Manager and Trainer  
casting thee into the sea of iniquity  
to fulfill obligations  
held by Me hand in Hand  
in perpetual love and discipline  
Set thyself down in listless world  
partaking not in delicacies of death

2997  
5-17-2007  
Fortunes founded  
Hell held up as hopeless cause

2998  
5-18-2007  
Set thyself down to Me  
anchored in realm of supernatural  
Let bliss be thy guide  
which is provided to you in full  
measure

2999  
5-19-2007  
Devious be when not in Me  
cloaked in heartaches and  
embryonic woes  
Happiness lies in hills of home  
where sunbeams dance in rows  
upon rows  
of disciples devoted to lands of the  
lost  
recovered and regained in paradise  
recollected

3000  
5-20-2007  
Sense Me in thy presence  
undoing logjams of fumbling  
falsehoods  
conjured up by Master's nemesis  
seeking downfall from heaven's  
graces  
Latch on to trip abroad  
that feeds thee with nourishment  
well spent for thy retention  
and release to those about you  
awaiting the sign of kingdom  
coming  
Tolerate all woe and injustice  
for My gain in world-at-large's  
return

Shoo away all misplacement  
Pathway secluded  
Set not thy feet upon stone  
waltzing in dung of everyday world  
Wipe your feet in waters of change  
that bring thee to throne of God  
enlisted in campaign for purification  
rites

3001  
5-21-2007  
Fly not with wings of the Dove  
unless submitted to Me for  
grounding  
Behold the truth of Being  
'lest you navigate by chance  
Sent forth  
lilies progress

3002  
5-22-2007  
Hinder thyself with foam striped  
sight  
clothes attired  
Heist in progress

3003  
5-23-2007  
Look not towards outer sites  
that command thee to defer to them  
Listen to My Guide and My Guide  
alone  
that twists thee to return  
into the shell of protective cover  
and stream of thought  
that blends thee with Me  
Rocket into sounds of fury  
of world part

with tender tomes of your Lord and  
Savior  
soothing storms of ignorance and  
dismay  
lifting thee into the light of salvation  
proclaimed

3004

5-24-2007

Hit the road with suicide squeeze  
lost in time

3005

5-25-2007

Set forth thy way  
Milk of human kindness  
withers away  
in throne room of luscious  
dandelions  
hedged in and aborted

3006

5-26-2007

Lift not thine eyes  
to heaven's world  
gazing at sights of perturbing planet  
Be called for knowledge awaiting  
thee  
that springs thee free  
to bolster word of God  
in communion with land of the free  
wellings of truth  
Just rouse around His people  
on My behalf

3007

5-27-2007

Electrocute  
Hear Me not when you talk

from mind of mope and muddle  
molecules

Sit with Me in confidence  
Dogfaces tripped  
in valley of deceit  
wear smiles of resurrection  
blowing hard within the land

3008

5-28-2007

Lose not thy grip on Me  
Who jostles thee when fled far  
afield  
Hoist My flag of kingdom come  
Give it away faithfully  
to those who come to receive My  
word  
Stand tall and true in forum of  
debate  
Beam out thy mind filled with  
Challenge for change  
Demolish thy fears and forecasts  
Make music of My words  
delivered in falsetto  
peaking wistfully  
Stolid be midst briars of the  
circumference

3009

5-29-2007

Wholesome thy view of eternal  
scene  
bending towards thee  
locked into place sublime

3010

5-30-2007

Realize helpless are thee

to sounds and sights of world  
foreboding  
that knock at thy door  
with vengeance seeking  
Listen to Me  
Who rules the waves of curriculum  
that pierces through the armor  
of vested interest  
immobilizing you in plane of defeat  
Intercept My calling for franchise  
opening

3011

5-31-2007

Loosen thy belt to expand thy wings  
flying in rarified atmosphere  
of the Cause of love

3012

6-1-2007

Dip your fingers in waters  
supplied by kings of the earth  
bruising them  
High priest of loveless land  
kanoodles with infidels  
basking in burning sands  
of hellfire  
leaving scorched earth as destiny

3013

6-2-2007

Rampage through muddle known  
systematically delivering live  
message  
of currish behavior  
dwelling in the hearts of man  
and healing of same

3014

6-3-2007

Listen not to themes of harm  
and degrade  
that deflower you  
from corpus of heaven  
Let loose thy wicked ways  
that manifest in thoughts  
of violence to self and others  
Let themes be of peace and joy  
that slather you with contented  
mode  
and assuredness of well being  
that neglect not the Source of love  
invasive of your life  
and time and being  
For this be the truth of you and Me  
in eternal rest  
Speak for Me

3015

6-4-2007

Everything is all right  
Hold up together the principles of  
love  
founded by Me  
blooming in minds opened to its  
seeding  
Admonish otherwise the forces of  
folly  
flabbergasted  
Listen to Me to tell you  
what words or thoughts to use  
Wait for My interdiction  
Clueless art thee  
interspersing My watery Self with  
thine  
Knock on the door for entry Mine

3016

6-5-2007  
Hellfire falsehood  
explained by Jesus  
Settle into place of worship  
zoned free and clear of judgment  
formed  
Listen to Me for what you want  
Lie down beside Me

3017  
6-6-2007  
Gone the evidence  
of routine twisted lives  
when God appears in thy mind and  
way  
Ripples of peace  
exude from forsaken land  
now open to wings of glory  
expounding the call of love's return  
to centrality sensibility

3018  
6-7-2007  
Sit still beside Me  
lessening thy gait  
awakening to Perfection muscling  
thee  
to forlorn spots requiring attention  
Placed well are thee  
to accomplish My will  
goaded into action by descending  
awareness frame

3019  
6-8-2007  
Miscarriage of justice reigns  
in shoeless walk to disciples  
on barbed streets

Scattered art we in scenes of  
discontent  
foisting Birdseed on unexpected  
deteriorated wanderers

3020  
6-9-2007  
Insulate thyself to cares of world  
that grind down thy wherewithal  
to fly in humble serve of God the  
King  
Inundated thee  
by wear and woes of foster lands  
trembling in the clutches of  
madness  
wasting away  
Bliss be thine in succor of My truth  
that leads thee out into kingdom  
reborn  
to thy aware and reabsorption  
Wake not from sleep led life  
'til dawn of resurrection comes thy  
way  
Pale the view  
laid low in concupiscence fireworks  
Can you get next to the window  
Moonbeam shines in

3021  
6-10-2007  
Turn about thy head to My  
command  
listening for Me to send thee news  
of My whereabouts and mending  
ways

and improprieties  
that rattle thy mind with aimless  
wanderings

Thy will be done

concert  
plugging thee in to living raiment of  
My provide

3022  
6-11-2007

Relegate matters to lost  
and found  
and leave them there  
for His pickings  
Hold still thy mind  
rapturing in self-glorification  
Ease thyself back to Me  
as Center of thy will  
Let Me and My way  
do the thinking and calling  
that promotes My cause  
Weaken not to do honor to Me in thy  
resolve

Wait for Me in sunshine driven days  
lighting up the world  
in dazzling pyrotechnics of joy and

Curbside service required  
in lack luster campaign  
delineating horror show demise

Ripped by Me  
toppled over  
come to My side and be with Me  
Douse yourself with longevity  
and clear thinking  
Rely on Me thy Administrator  
well spent  
Footless in chancery  
spellbound by maudlin thoughts  
you creep through skylight to  
heavenly graces

3056

7-15-2007

King James I

3057

7-15-2007

Hasten to Me with thine ills and  
ways  
that decline My will and wants  
for thy thanksgiving  
Place Me on thy mat  
for care and wellbeing truly  
delivered

to thine arms and heart availed  
Realistic be in shutting down thy  
tampering  
that delays My process  
for avenging the hits and hurts  
of delinquencies  
of the world apart in fantasy and  
gloom

Landslide victory coincides  
with dubious doubts of malarkey  
posted by world of make believe  
haberdashery

3058

7-16-2007

Wash not thy feet in holocaust land  
bleeding sores of retribution  
Lift thy feet from waters of  
tribulation  
and place them in tributary of love  
Lift up thine hearts to Me  
Who shaves thee of impurities  
Wander not from My zone of well-  
being  
Lessons of loneliness expunge  
awareness  
of treatise by God forthcoming

3059

7-17-2007

Vengeful thine eyes  
glued to source of malevolent  
power  
casting hatred across the soul  
Adamant be with scissors poised  
to cut out the heart of the savage  
beast

3060

7-18-2007

Reach not for My arms  
when you connive to lessen aware  
of footsteps cast in My image  
flouting decency and dignity  
upheld  
Rig support for loyalty Mine  
Hopeless art thee  
when drawn together  
in fruitless world of Germ Plasm  
displaced  
Harness thyself to epidemic power  
of Wind Overseer

3061

7-19-2007

Peek about  
denizens of forest

3062

7-20-2007

Set forth thy ways in transient day  
expounding love of God for drifting  
children  
Uplift wings

3063

7-21-2007

Faithful be to Me  
thy Mainstay that pursues thee  
through haunts unbearable  
and sacrifice inconceivable  
Withstand thy moment untrue  
in falsehood based  
leaving no stone unturned  
ferreting out lies of malarkey  
melancholia  
Sweet dreams absorb thee  
in stance of heaven observed

3064

7-22-2007

Sacred be thee  
moonstruck  
Cast about thy sense of seeds  
promulgating peace on earth  
for foster children of a lowly god  
Rip open forecast sealed  
of truth preserved  
for return to man  
littered with phony documents  
of dismal plane  
Wait with Me thy place and tour  
salvaged securely

3065

7-23-2007

Rest awhile  
sandblasted by inner core  
distilling life anew  
Rant and rave in tremulous voice  
destined by larcenous state exhaled  
Inner boroughs proclaim  
beauty of truce declared  
whetting thine appetite  
for supping at the King's table  
Lock hands with strangers too  
that console the world of twisted ties

3066

7-24-2007

Slander not  
thy soul's becoming rich  
in influence zoned  
tasting of God's love  
Hallow My thoughts  
transposed in thee  
for care of others reminded

Lesson learned  
Decrepit mind  
postponed  
deterred

3067

7-25-2007

Seek not fellowship with golden  
hordes  
spaced out in global scene  
Root thyself in Me Who guides thee  
to wholesome task performed  
in My honor  
Foolishness set aside from foreign  
intrigue  
Loosen thy footsteps plodding in  
grassy knolls

3068

7-26-2007

Roll with the Wind  
Sought for advice gleams in sun lit  
land  
perused by seekers swayed by the  
Spirit  
to cast facsimile of sweetened love

3069

7-27-2007

Set forth thy route to kingdom home  
Risk not thy fortune in hands of  
gladiators  
tilling soil of combustion  
Reach for watered flowers  
prancing on dunes of posterity  
flicking dew drops of salvation

3070

7-28-2007

You're up to no good  
Don't be a patsy

3071

7-29-2007

Waste not thy time with devil's drills  
Abstain

3072

7-30-2007

Seek not thy fusion  
with Thunderbolts from heaven  
Gravity exhumes body from the  
grave  
lifting heart to true home  
nestled in the arms of God  
tortured no longer by hands of  
man's limits

3073

7-31-2007

Bring up lassitude laden lethargy  
Listen to Me Who rules thy ways  
juxtaposing news of kingdom  
with dread driven mind  
Hopeless art thee  
king of your own mountain  
listening to doomsday news of  
human prattle  
Let Lighting strike  
reinvigorating you to glorious  
purpose  
superimposed upon worldly woes  
whispers

3074

8-1-2007

Hold up thy head to transform thy  
body  
into the working Image of Christ  
Lessen thy viewpoint and adopt  
Mine  
working through you into the ages  
that come  
Swallow thy pride  
and liquidate totality  
of fetching sequence of thoughts  
derived from madness mind  
of human crowbars  
Sink into Me lobster mind  
rescued from scene of dismay  
lopsided in nature made

3075

8-2-2007

Solidify thy message  
Do little contained in scissor grip  
grasp  
of human monkeyshines  
placed apart from leadership of  
Holy Spirit  
Blessed be Fire of revival

3076

8-3-2007

Magnify thy sight withholding  
nothing  
that comes thy way from Me  
thrown out by the Holy Spirit  
Let be done what will be done  
according to My rule  
See for yourself thy gains  
Loving nature places thee in  
forefront  
whistling tunes of glory beheld

3077

8-4-2007

Hear Me at eventide  
Circular the road for calling  
Wish not for hardship denied  
Fair skies overshadow bleak  
moments

3078

8-5-2007

Foster love  
Cross the water

3079

8-6-2007

Wish not for more than you can  
chew  
Ring in the new year with the new  
Hardy art thee

3080

8-7-2007

Listen to Me Who sings to thee  
of questions and qualms answered  
in forthright manner preserved  
Reason not thy will nor way

3081

8-8-2007

Set forth thy views with aplomb  
sandwiched between Cardinals  
and Mayflower stalwarts  
losing track of cast off views  
abalone pure

3082

8-9-2007

Lift up thine eyes to meet Mine

Who greets thee with salutations of  
love

3083

8-10-2007

Willingness to lead wells

3084

8-11-2007

Ire sparks confusion  
laden with damning results

3085

8-12-2007

Richness lies in kingdom of heaven  
laden with fruits of the vine  
Lilliputian minds bedevil thee  
when opposed not by friars of the  
Lord

Slip into gear constituting helm  
Sink not into mire of focus  
leading thee into nostalgia  
for lost world

Post thyself at gate to heaven

3086

8-13-2007

Gunga Din

3087

8-13-2007

Nasty thy disposition  
Wait for Me

3088

8-14-2007

Realize the themes of everyday  
tales  
thrown at you by entrepreneur

of lifeless warts

Heed the warning

Life is like a river flowing in infinity

Tarry not in dawn of dread

lip-synched with arrival of heaven's  
songs

3089

8-15-2007

Happily will thee transmit  
Host Me 'lest thee forget  
the way to My return  
to amicability and lightning

3090

8-16-2007

Consummate be thy love for Me  
engaged in triangle with world at  
large

3091

8-17-2007

Kiss Me gently with lips entwined  
resting in heart of Mine  
leading to nowhere visited  
Cheerful be  
that Rainforest seduces thee  
to glowing health and well being  
tantamount to life in kingdom home

3092

8-18-2007

Whip not thyself for sandy trap  
Stuck art thee  
in tale of twisted derivative

3093

8-19-2007

Hindsight secures Knowledge

that all is real  
in land beyond this world  
zipped into our carcass of mental  
mutation

3094

8-20-2007

Pugnacious  
Corrupt thee be  
unfounded in wanton life  
Putrid the life of worldly power  
financed by soul of man sold out

3095

8-21-2007

Twilight gathers shadows of love

3096

8-22-2007

See to it that you absolve  
all nations and peoples of guilt  
Censored be the thoughts of dirt  
minded humanity  
playing with God  
Head to toe be clean  
of toadyism to world  
of magnified errors righteousness  
Willful be to Me

3097

8-23-2007

Goodness rules the airwaves  
catching bystanders in the process

3098

8-24-2007

Hints of holiness hold court  
in bean ball game

lessening hold of outrageous  
pinnacles  
of twisted delirium

3099

8-25-2007

Waste not thy time in dribble lore  
descending 'pon thy head from  
mucous mind

3100

8-26-2007

Lost thou are  
fishing in muddy waters  
for worth defined  
Insist on Me defined

3101

8-27-2007

Lip service sinks questions  
of valid proportions  
that negate calamities of worldly  
construction  
Waken to call of the Nibelung  
browsing about in short order  
Negative thinking pollutes thy mind  
with gumdrops of delusional  
divisiveness  
Cease thy way of being  
Last longer with Me  
Who proposes to thee  
the way the truth and the light

3102

8-28-2007

Hold Me tight  
arms locked in welcome adoration  
Hurts set aside in will of God

3103

Raintree showers world with deluge  
of love  
Wash thine eyes with saline tears  
of Milk Maid turned to son  
seeking solace for cold world  
of mutual madness suffered by  
inhabitants

3104  
8-30-2007  
Tenacious thy hold be on Me  
succumbed not to hell bent drive  
to seclusion and oblivion  
Manicure thy words

3105  
8-31-2007  
Hold up thy heart to Me to divest  
thyself  
of mind  
Let thyself be tuned to Me  
Cringe not at the thought  
of My Presence within  
that zooms to awareness  
as replace of faulty product's  
festering  
that crushes thee with burdens  
unbearable  
Rejoice with newness of spirit  
rejoined  
kindled with love and sweet life

3106  
9-1-2007  
Wrest not thyself from Me  
thy Lord and Master of all that be

3107  
9-2-2007  
I'll give you a riptide  
I'll stop the stopper  
Pancakes crystallize

3108  
9-3-2007  
Dominance kills thy brothers' world  
Foot entrapment

3109  
9-4-2007  
Frenzied  
lift thy nose up off the floor  
smelling rootless life in bumper  
crops  
It cheers you up

3110  
9-5-2007  
Sensibility languishes in trip to God  
absolving thee of human wrongs  
Negligible thy mind  
as ruler of world contemptible  
Placid Mine for life of ease  
Correctible  
summit thyself for lifeless horror  
diminution

3111  
9-6-2007  
Soup to nuts  
cast out flames of love  
determined to beguile less  
fortunate  
hooked in by status of world  
jeopardy

High standards maintained in  
abysmal land  
of soak and joke bedevilment

3112

9-7-2007

Chase thyself from boundaries of  
glory  
limiting room  
rattling gates  
Let drift thy mind

3113

9-8-2007

Root root root for the home Team  
listening for the score  
Relish each at bat  
mattering more and more  
You broke the bitter bond  
You're gripping posterity

3114

9-9-2007

Manage well thy moods uplifting  
sensing doom of mother Earth  
Cast aside thy reflections  
on all that is  
in world of make believe play  
dough  
Start up thy tune of depression  
overcome  
by false leads truncated  
in slop land of miniscule minds  
Meaningless gambols  
soon to be dispatched govern thy  
ways  
Fence in thy thoughts that erupt  
from fear  
Static caused imbroglio

stifles sound of music  
embracing thee with call of return

3115

9-10-2007

Wrestle with Me thy Soothsayer  
Who preserves thy right to  
enclosure  
Wait not for Me in Rainshower  
Of meditative service  
Roost thyself in canvas shack  
feeding broth to swine herd  
slipping in slop

3116

9-11-2007

Wish not for warts on face of God  
Seek out tissue  
clear of stain and dissipation

3117

9-12-2007

Let thyself be true to Me  
thy Seeker and Redeemer  
slowing thy descent and  
rejuvenation

3118

9-13-2007

Cure  
Poison the air with talk of love  
angelic

3119

9-14-2007

Wash thy hands of sands of time  
demolishing dreamscape of lost  
horizons

Sink not into despair over future  
holdings  
Trust Me in all endeavors that  
consume thee

3120

9-15-2007

Rash not be  
living inside Me  
thy Conquistador and Rainmaker

3121

9-16-2007

Into the heavens you go  
consumed with vigor and vitality  
Let be what will be  
Intent be on flow of history's  
megalomania of man

3122

9-17-2007

Wait for Me where the sun shines  
gloomy days set aside  
Seat thyself in shade  
awaiting Me to appear  
in all My glory  
Then wilt thou know the glorious  
side  
of life being  
percolating inside thee in unison  
with Me  
Loosen thy tongue to speak words  
of Mine  
hastening to the forefront of thy  
delivery  
Regiment thyself to plan with Me  
thy style and way of delivery  
Level thyself for meeting with Me  
plumb line sure and accurate

3123

9-18-2007

Christ becomes thee when sought  
by bleeding heart of nondescript  
life

Fuel thyself when called

Lost art thee snoozing away in  
wayward land

Listen to song of love

zeroing in on couched miscreant  
that awakens thee to land beyond  
of mistletoe and manna

3124

9-19-2007

Reach not for sugar coated sweets  
in My domain  
Strength galore be thy bid fulfilling  
Let thy lips taste the power of God  
delivered into thy hands for thy  
usage and Mine

3125

9-20-2007

See Me in dreams looking for you  
as foretaste of life in world of God

3126

9-21-2007

Destined to be worthwhile in My  
Name  
procrastinate not in thy symphony  
of sound

3127

9-22-2007

Whisper not thy words of truth  
Be bold in Me thy Savior true

3128  
9-23-2007  
Listen to Me for thy fame and  
fortune  
ministered to thee in palatable  
portion  
Wait and see thy road to nowhere  
cemented over with new crux and  
signpost  
wintering in warm spell of fusion  
formed  
Regulate thy throttle tie

3129  
9-24-2007  
Hear Me close to you  
that you admire My way of thinking  
and doing  
Relevant be when focus fused on Me  
dovetailed on structure posed by  
Me  
Listen for cracks in cranium  
that wish thee different than what I  
propose  
in instants of frenzy and  
pandemonium

3130  
9-25-2007  
Alleviate thy sins  
Lessons of life pour in on scalded  
wings  
transposing thee from higher order  
to Mephistopheles' mind  
Lean back  
refreshing thyself with cooling  
water

liberating thee from madness mind  
of meaninglessness

3131  
9-26-2007  
Leave not thine entrails  
carousing in the world of want  
listening to the voice  
of the macabre and dissolute  
that engages thee with savagery  
and delight  
Want Me thy King Who saves thee  
from masterminds of coercion and  
deceit

3132  
9-26-2007  
Gilligan's Island

3133  
9-26-2007  
Horse play self defeating

3134  
9-27-2007  
Seethe not in remonstrating lost  
ways of cuckoo land

3135  
9-28-2007  
Contrived course blossoms not  
in fairyland bound by stricture of  
Regal law

3136  
9-29-2007  
Wait not for Me  
succumbing to the world

basking in the light of darkness  
viewing

3137

9-30-2007

Wake not to Me snoozing at the  
switch

bedeviled by birds of the air in  
swampland

Make fit My amends of lifeless  
world

that stills the noise and crackle  
of birds and beasts fluctuating in  
time

with My healing balm and soothing  
air

Wait for Me at the learning gate  
where I meet you with golden tongues  
to lift thee to the heaven paradise  
Hope lasts in Minds glued together  
awaiting change of new world  
dialogue

Fuse thyself with Me for forfeit  
declared

3138

10-1-2007

Lopsided  
Speak of Me

3139

10-2-2007

Sacrifice thy self for My command  
diligently doing what thee hear and  
see

Awaken to My call  
that presents thee with closure

3140

10-3-2007

Cast Me not away  
forsaking Me in times of loss  
Reach not for Stars of heaven  
beating your brow against cold  
stone

Locked into Me be thy pride and joy  
and untarnished image  
leading thee to serve and servitude  
in the glory of Me  
thy Maker and Solicitor of heavenly  
grounded beings

Detail progresses in linear path  
serving God the King

3141

10-4-2007

Cavern of heaven inoculates thee  
with grains of truth  
subsiding the rages of hell within us  
most gently with measured dosage

3142

10-5-2007

Sanction prosperity in land of love  
when turned to God for false  
premises removed

Accommodate Me that wills thee  
to success in fermented fields  
of growth and labor harmoniously

3143

10-6-2007

David received a sight of heaven  
Reason not with thy knobby head  
massacring truth at heaven's  
doorstep

Waiting in shadows is mind of Mine  
delivering salvos of reality

to counter madness moments  
of human glop's putrid waste

3144

10-7-2007

Gratuitously accept the Divine Gift  
that sways thy life to receive pardon  
for thy lost lives and discomfort  
suffered

Castigate not My ways  
that flow within you  
ameliorating views contrary to Mine  
Let Me blossom

3145

10-8-2007

You will hear one sweet hymn  
when awoken from dreams of death  
measured in this world as real  
Topsy turvy world of madness mode  
disintegrates at sight of wisdom

Source  
sowing seeds of hallucinations  
revisited  
and rebuked  
amazed

Crafty thy ways of appealing to  
others

singular in content of human ilk  
Docile be to latitude of Me  
that floats on floor of forgiveness  
unhampered by  
flights of fancy domestic drapings  
Least be for more of Me bandying  
about

3146

10-9-2007

Sit still while I tell you what to do

Hazy be locked into nomenclature  
of fruitless path  
deciding not in vestibule  
of God's kingdom glory  
Worthless be thy ways of glory  
picking  
in tandem with meat and potatoes  
Seeds of sweet soil lift thee  
to stratosphere of salty life

3147

10-10-2007

Harvest coming deluge  
centered in Me  
Loosen thy belt for cream and sugar  
Clamor forms from listeners to  
broadcasts  
seeking venting of unknown  
feelings surfacing

3148

10-11-2007

Fountain of praise  
erupts with joy  
when thronged with patrons  
Listen to Me in stereo  
waving off signals of shredded  
seeds

3149

10-12-2007

Settle down to thy task undone  
awaiting lead for the newborn  
parameters  
Listen for My gentle steps  
taken in accord with leisurely timed  
progress

3150

10-13-2007  
Fancy footwork displays skills  
of lockjaw scientist  
skipping through the world of Nod  
reaching out to curmudgeons  
wanting healing of lonely existence  
extenuating circumstances

3151  
10-14-2007  
Farewell to earthbound treasures  
masking thy true view of love  
Paltry thy view of My shadow  
pursuing thee  
Mock Me not with caution extended  
fleecing Me of power portrayed

3152  
10-15-2007  
Send forth thy vibes  
that conquer all falsehoods  
leading into perdition's home  
Dwarfed art thee by Me  
Maker of eternity

3153  
10-16-2007  
True to Me be  
in search of your yearning  
for expression of tranquil heart  
Solution to soul fumigation lies on  
rocky shore

3154  
10-17-2007  
I'll let you get Me  
I want to encourage you  
to speak words in the silence

Seek no further than My heart and  
thine  
fused together in unbreakable bind  
Bring to Me thy storeroom  
to be filed with memos  
of My thoughts and deeds  
granted to thee for fulfillment's  
tasks

3155  
10-18-2007  
Wasted be when cooked in thine  
own broth  
Palate tickled by divine brew  
accompanying Chef of heaven-  
made stew complete

3156  
10-19-2007  
Faith fixed  
Hammer away  
Rest not on thy laurels  
Cyclical growth proceeds  
on transformed stage  
Deify the Rose bud

3157  
10-20-2007  
Destitute be in land of facsimile  
deprived  
Washed out sands breed cavities of  
decay

3158  
10-21-2007  
Forsaken not art thee by My banner  
of love and care in world of want  
and woe

leading thee to better times and  
better places  
Fortunate art thee to assume  
command  
of bungled life  
left in the lurch  
by web of deceit and betrayal  
Moved art thee to My side  
that feeds thee substance of  
whereabouts  
grounded in reformation and  
recovery of spirit on high  
Hallelujah  
Waste not thy time in mundane  
thoughts  
sickening thyself with meaningless  
chatter  
untrue of Godly domain  
Rest in confidence that all is well  
that all will be as proclaimed by Me  
Sit thee well with Me  
and simply wait for My coming  
in fullest bloom for circuit required

3159

10-22-2007

Bread basket filled with media  
moments dripping  
Wenches and floozies thine eyes  
doth see  
picturing them  
instead of Me systematically  
Chagrin be thy passion  
Wipe clean thy slate  
with silent eyes peered at Me  
thy Sovereign  
Tears well at strain of sight

3160

10-23-2007

Zest for life compounds problems  
of wicked sphere  
Joy of living has head start  
Decide thee will to throw in with Me  
in tight spots and tenuous times  
This was always under your cap

3161

10-24-2007

Wrest control from Father God  
when plant thy feet in muck and  
mire  
Send forth alias thoughts  
to My care and subsequent  
amelioration  
Whitewash dispensed  
Listless be in room of facsimile  
Wash thyself with water of heaven

3162

10-25-2007

Set fire to hearts of man unkind  
with ways of God kindled anew

beckoning thee to follow My lead  
Symphony awaits My plan for yours  
Let dust gather on mind of yours  
that impedes growth of Mastermind  
second to none in foster care  
and longevity of Spirit's role  
Direct thyself to My side  
Waterhole unplugged for thy usage  
Soothe thyself with calm assurance  
that all is well as meant to be  
salvaging salvation  
Damnation denied  
Hex obliterated

3166

11-6-2007

Whisper sounds of love to waiting  
world  
poised for sellout of doomed  
civilization  
marching nowhere simultaneously  
Seek Me indefinitely  
Keep thine eyes on the source of Me  
blooming in the desert  
of disrepair and disrepute  
Lower thyself into stagnant waters  
that repel voices of foreigners  
to kingdom of heaven

3175

11-7-2007

Walk not in the path of man  
lumbering through the valley of  
death  
and despair  
Speak to Me of trail through  
bitterness  
raising you to heights  
of resurrection and accord  
lasting through all of eternity in  
kingdom of lush life

of love and tranquility  
Wash not thy hands in sands of time  
Beautify them in clasp of God

3176

11-8-2007

Wisk out the cobwebs  
of thy satanical mind  
flowing through you  
in your unwatered trough  
Doomsday approaches thy literal  
mind  
sought out by clandestine Spirit  
emerging with joy  
and transfiguration centered  
Rejoice My loves for care delivered  
for thy wounds

Wish not for things undone  
laid in the course of history  
Emancipate thy mind for love of  
God

Rouse not thy sleeping self  
when filled with feelings of self  
import

Cruise in zone of detachment  
that blends thee  
with God assuming command  
of life and limb

3182

11-14-2007

Digging a hole for coming of the  
kingdom  
jibes with musical entourage  
heavenly born

Listen to song of love delivered  
awaited with eagerness  
by holy children in child birth labor  
Rule thy ship in maiden voyage  
fostering good will testament

thy Leader and faithful Servant  
Who promises thee love true blue  
and uncorrupted thinking  
for My aware and following

3184

11-16-2007

Waste not thy mind on brogue of  
world  
that whittles away on tree of truth  
Let loose of thy hound's tooth  
bickering with others as formula  
one

The fish tank was almost empty  
in the thirties and forties  
Yes that means you

3186

reckless with grandeur and  
parsimony

abroad

away from license to love  
compassionately  
midst stress of homeland blooming

tinkering with Gas Tank  
Fuse to kingdom ascent  
bringing thee back  
to wondrous sights and sounds  
of ecstatic world brimming with  
delight

3188

11-20-2007

Bright be thy future in service born  
Listen to Me for all signals  
betraying thy useless ways and  
foment  
chastising waste and willfulness  
Look lively

11-21-2007

Stay still  
for Me to settle thy mind  
brimming with fear laden thoughts  
and noxious odors of warped  
mentality

Hinder not the efforts of locale  
functioning to lift heart from jig saw  
puzzle  
perpetrating fraud on icons of  
heavenly dwelling  
Landslide provided for ill kempt  
dreams demolished  
Listen for sounds of saints marching.

Wander about in monsoon of  
madness  
delegating authority to mind of  
treachery  
and betrayal hoodwinked  
Mastermind seeks thee  
on dereliction of duty squatting  
pose  
leading thee to superior Mainbrace

11-25-2007

Plant the seed of divine endurance  
that supersedes the idols of distrust  
Listen not for Me  
planted in the undergrowth of  
naked world  
Shed thy visibility for all to see

3194

11-26-2007

Willed  
you wait  
Lost in fog art thee  
demonized by mind of insanity

Straight laced  
cast thy vote with Me  
Who sees thee in calm of storm  
homogenized  
Course of action decided  
Administratively wait for decisive  
moment

Reckless be with stones of worship  
Holiness is bound to Me

holy cross of Christ  
perseveres in mission  
accomplished  
for leaders in salvation  
Consistent be with whim and way  
angling with Me

thy Sharpshooter and Leader  
perpetual  
Reach out for hands-on direction  
simultaneously

3199

12-1-2007

Solid the energy you can have  
when deployed bidden by Me  
Washed out thine own  
cashiered by droves of loveless  
pedestrians  
Mark My word for thy journey  
Spooked art thee  
licentious in grasp of demeaning  
world  
You can see the holes in it

3200

12-2-2007

Sanctify thyself in Me  
through Whom you receive  
the gift of life  
holding the hand of God  
that whispers to you of love  
sustained  
Sooth thy heart with non-  
compliance  
to world weaned away  
from fruit of eternal being  
that fulfills thee exclusively

3201

12-3-2007

Will thyself to be with Me  
Who holds thee in honor formed  
Let be thy past and problems  
unsolved  
Worship thy truth in Me

Who absolves thee of madness  
made  
Made sure art thee of ilk and love  
bestowed  
Walk with Me  
thy tender Heart  
Who awaits thy coming to be near  
Me  
Concupiscence portrayed

3202  
12-4-2007

Wash your hands of useless  
thoughts  
that permeate your being  
Leave alone thy ways and will  
Let escape the buried Me  
calling thee to salvation principles  
that guide thee  
through wiles  
of human nature haunting thee  
Let Me see you on the beach of  
discovery  
bringing thee harmony and well-  
being  
from My well of living waters  
bestowed upon thee generously  
with care and caution

3203  
12-5-2007

See through the wiles of everyday  
world  
sanctioning madness as bumper  
crop  
Loquacious be serenading the  
hearts  
of long suffering days and nights  
in tinsel world of drooping dreams

and wallowing wanderings  
Let loose of thy barbarous ways  
contaminating sandstorms of  
diplomacy  
Ruthless ways discarded  
when replaced by love of God  
personified

3204  
12-6-2007

Feel free  
Let be what is of Me  
Fire up  
Shut down thy nave  
that casts aspersions upon others

3205  
12-7-2007

Culturally deficient band  
Circle thyself with waves of granite  
pushing off disciples that woo thee  
Lest thee forget Me  
move thyself to My side  
whereupon thy ways become My  
ways  
Wistful be for My beginnings

3206  
12-8-2007

Count your blessings  
Dawn to dusk make way for Me  
that carries glad tidings  
for world apart from Source of life  
Rest assured

3207  
12-9-2007

Let not thy functioning  
be guided by end runs

Rest in savvy of judicious God  
penning solutions  
to troubled minds in reverse  
Let blessings be delivered  
for harmonizing lives  
in synch with each other  
on treason's floor  
Lower the boom on destiny's  
foreclosures

Challenges met by superior God  
wishing for well-being put in place  
Friendship sustains thee  
Let bitterness come  
chased by gophers of doubt  
Relinquish grip on shortsightedness  
that dismays thee  
Fortunes founded in Me  
thy worshipped Leader

3208

12-10-2007

Relentless be curbing the hours  
spent in musing human activity  
at farm of fraud  
Ghost town messages  
purvey scene of mix-up  
with scented sights of heavenly  
home  
forecast living within  
stimulating you to access terminal  
exit  
Slender is the time of trial  
burlesque  
portraying seedy beings  
that mock the ways of heavenly  
born  
Whisperings of truth sustain thee  
in feed mills of grotesque portions

3209

12-11-2007

Restive be in shade  
waiting for Me to come to you  
to negotiate concourse  
Loosen thy button

3210

12-12-2007

Step not on the toes of others  
who seek thy defamation  
Look inside to see Me  
Who quells thee with looks of love  
and understanding  
Then will you see  
what I would see  
to calm thee and make useful My  
ways  
in world of want and woe  
dramatized  
Make tidy thy declarations oe'r  
abominations  
Historically flit thee about  
seeking Moon Maiden  
in dense fog of offshore world  
Place thy hand upon My shoulder  
that I may brace thee  
for assumption of daily needs and  
deeds

3211

12-13-2007

What I fulfill you will fulfill  
Desist thy spanking of thyself  
Raptured be for love of Me  
engrossed in soul's manicure

3212

12-14-2007

Tighten up on thy roller coaster ride  
zooming around on thy red balloon

3213

12-15-2007

Reach out for the hand of God  
Lust slakes thy thirst  
for endogenous zones of human  
frailty

3214

12-16-2007

Lean into Me thy righteous Ruler  
waiting for you  
in time zone of earthly conform  
all made cold  
Hilltops bare of snow  
proceed to melt lower dimensions  
casting thee in tower of direction  
Lovesick art thee perpetrating fraud  
upon thyself in dishonest world of  
self regard  
Center on Me thy boon Grantor  
with adoring ways supplied  
Cast Me aside flagrantly  
when duped by heady ways  
Recirculate thine attentiveness

3215

12-17-2007

Wash not thy clothes  
Leap into time  
whistling tunes of dandies  
Register thy vote for kingdom home  
garb  
Naughty behavior fades

3216

12-18-2007

Walk with Me  
thy Tool for understanding  
waiting for thy footsteps near  
Raucous be the world  
set afire by blind thieves  
of identity prolapsed  
With Me stay zeroed in  
on cool waters of musk-like tide  
Destiny dawns on thee

3217

12-19-2007

Situation controlled  
De-icer working  
Sun shines through clouds of doubt  
Mortgage yourself to Me  
Who sponsors thy life in perpetuity  
Think of Me as thy will and way  
Breeze through thy problems with  
Me

3218

12-20-2007

Realize the truth about the human  
race  
scalded by heresy and insane belief  
Forthright be in tumult of world  
proclaiming Me King and Master  
of all life reserved with Me thy  
Source  
Let thy spirit be raised  
to heights unlimited with Me  
to fashion thee in My way and mold  
Forsake not My love and guiding  
truth  
before thee for all eternity  
Sit still and long for Me  
thy ever-blessing Companion  
Root in My footsteps

Who casts shadows o'er thy life  
Let be known My Presence with  
thee

3219

12-21-2007

Walk not on nimble feet  
on broken streets of worthless land  
Be quick to step aside  
in fractured moment  
when doomsday call is recognized  
Spires of hope  
level grounds of conflict  
Tentacles of desire retract  
touched by holy order

3220

12-22-2007

Scandal touches thy vein  
loosening sediment of shame  
that flows through faucet of  
engineering  
casting knowledge of dipsomania  
extrusion

3221

12-23-2007

Hooked into Me thee be  
for credit extended  
in this world of want and woe  
wasting away thy life force  
Bewitched art thee in phony form  
leading life of cruel and gruel  
Blessings extended lead thee  
to sands of time abbreviated  
and focal Force compelling thee  
in land of manifest destiny and God  
within

3222

12-24-2007

See not with thine eyes  
but with Mine  
thy perfect Viewer  
'lest thee stop the look of  
unadorned love

3223

12-25-2007

Wipe not thy shoes on muddy soil  
destined to forsake mystical land  
Shoulder thy burden with Me in tow  
questioning derelict decisions  
Depend on Me thy fruit Giver and  
Retainer

3224

2-26-2007

Useless be for sake of Me  
thy divine Spirit Source  
Who wells in thy heart forever and  
ever  
Spark of life contains gratis info  
leading thee for future purpose and  
reasoning  
Depend on Me you must  
for all-is-well state of mind  
delirious with joy and satisfaction

Rich nor poor can win at all  
Quality of life clasps prize

3226

12-28-2007

Hear you I do

See Me in the glades of summer  
solstice  
Wait not for Me in gloom of shade  
Resist call of hardship and  
heartache  
There I am in midst of you  
with call of love  
Hasten to Me

3229  
12-31-2007  
Rest enough  
upper hand

3227  
12-29-2007  
Wait not for Me  
Seek Me not in vain  
classified as wondrous Healer  
for all mankind  
Let this be known  
Wasted not be thy style of prayer  
and commemoration

3228  
12-30-2007  
Walk not in fields of Mine  
possessed by mind of dispossess  
Listen to Me thy sheltering Wind  
Who guides thee through thick and  
thin  
of workaday world  
with sureness and safety  
At home art thee with Me  
My flower of cultivation and  
nourishment  
Peer into Me  
Help thyself to Me  
Who consigns peace and love to  
thee  
Meet Me in morning light  
where there live with Me  
thy soul Maker
