where
and when

in kingdom home
reserved for thee in perpetuity

shoes

as a perk
Forsaken not art thee in roam

lifelong dream

of wear and woe capsizing thy
frigate

3267

2-4-2008

Reach not for My pockets
troubadour

casting aspersions on self and
others

Let sing thy soul to Me of love
that casts aside connubial bliss

as format for pleasure

Work thy way to Me

Who sings of thee

in tones bright and fluent

gesticulating welcome

Alter thyself in ways and words

3268

by My willing their course and
resolution

Make hay while the Sun shines
glittering on the landscape
Dream land calls thee away from
Me
percolating with sounds of
sorrow and fury
Listen for Me to tune you in
for wanderlust withdrawal
and reason recovered

3274
2-11-2008
Roost in Me where thee belong
Cold hands and cold heart
warmed by the fire of My love
Tranquil be My ways that enfold
thee
boxed in by world of dust and
doom
Sit still with Me thy Keeper
Loosen thy tongue for Me
to march broadside in
Countenance

contains seeds of victory
My contact with you

when enthused with earthly
passions
and delights

Who gains thee free transport
from harlequin nights

3278
2-15-2008
You're not to be a sore loser
Be a winner

rain
delivered to you
by cloudless days of oceanic
delight

3281
2-18-2008

Who proclaims thee free
of all false roads and imaginings

3282
2-19-2008
Waltz with Me
thy Sunshine Girl
splendid in the light of day
Hear celestial home

3283
2-20-2008
Symphony of sound vacates
premises
lorded over by Band Master of
dominant theme
Wise heads prevail in heavenly
scheme
Listen not to sounds of fury
that bellow in nuisance land of
obstruction

2-21-2008
Reason not thy way
of gloom and doom originated
Listen to Me for love beguiled
substantiated

Lottie Lenya
Fatal action

3289
2-26-2008
Labor with fields of fire
cast down unwittingly by fools of
failure
Help yourself to My endeavors

submitting yourself
to My rule and regulation
Beside you I sit
See Me

3290
2-27-2008

See Me through foggy glasses
disdainful of My leavening effect
See not with thine own eyes
Let Mine be the Source of vision
parroting not the sightedness
of lost souls in massed mayhem
Wait for Me Who knows thee well
Look not for Me in outside world
of sham and shame exist
Look within where I dwell in
glory seed
seething with framework of
healing mores

3291
2-28-2008
Rock a bye baby

3292
2-29-2008
Sense Me in all you do
Broadcast stymied

3293
3-1-2008
Sink not into oblivion
caressing the naval of debris
personified

3294
3-2-2008
Leak not thy vital power

dismissed by human cortex
Let be what will be
Bind nothing up
I could lead this man

3295
3-3-2008

Lessons of life distant
Reach not for smoking gun
tuned into loveless world
Seek help from formidable Foe
that clues thee to love's presence
in tales of woe

3296
3-4-2008

Secular world meets needs
of ingrate child of God
flourishing in scum of
disillusionment
Waste not thy time
in warp of world insignificant
Suit your self
By Me receive holy intention
Lost not be when seeketh Me
Blessed be he that knows this
salient rule

3297
3-5-2008

Hasten to Me with troubled brow
leaning on Me for resolution

3298
3-6-2008

Signal Me not when cast Me out
in flower gardens of hell
damnified
Settle down thy mind earthling

linked to Me in golden sphere
Listen to Me peruse you
for My benefit and minds other
than yours

3299

3-7-2008

Wrap yourself in Me
thy classic mode and medium
Exclusive be thy role with Me
buttressed in character and
wisdom led

3300

3-8-2008

Host Me in your mind
I am thy cause
I am thy home
Quill in hand keep going

3301

3-9-2008

Healed art thee of wounds
imagined
locked into storeroom
of deceit and misery
Let loose thy mind of northern
spheres
and return to warm waters
of justice and peace
Kingdom made of infinite love
and tender care
Waste not thy life serving Me
All is fair in love and war

3302

3-10-2008

Surrogate parent

lessen thy travail wandering
about
in meaningless mind
Stick close to Me
thy Mentor and Benefactor
Safe at home be with Me
Rest awhile with Me
Let the waters roar

3303

3-11-2008

Reach down inside you
for Me to find
locked into safety of My
ministering stream
Cool thy brow
Be worried not for I am with you
Lead thee I will
Sense Me you will
Wait for Me in due time
I'll be there
Look at Me and see

3304

3-11-2008

Hell breaks loose in fields of
stone
Lost art thee
out of touch with dew-dropped
seeds of glory
formulating passage to rainbow
room
of heaven's domicile

3305

3-12-2008

Listen for Me to instruct you
in like ways of Mine

Make way for Me that carries you
to finish line
Truce exists when people agree
to stay friends
looking neither front nor back for
reasons
Otherwise
derby time

3306

3-13-2008

Fleebag essence
Listen to Me needle nose
'lest you perceive Me falsely

3307

3-14-2008

Want not of Me
when climbing mountain of
doubt
Rest awhile with Me

3308

3-15-2008

Stargazing

3309

3-16-2008

You've got to get it done
Wake not to sunshine gleaming
in eyes of glassy stars
that behooves you to not think as
I do
Let the King of kings play Its part
in solving ways of ego land
permeating your mind of matter
There will be the Source of
healing
that all is well

and 'twill be well
for near future in your care
Naught else can be
Walk not in muddy fields
disdaining Me as thy Leader
Touch Me not in grass grown
fields
of celebration and joy
dedicated to you in proper
fashion and sequence

3310

3-17-2008

Whittle away at lamppost of love
forgiving others for what they do
Leadership royal
functions in you
when explained by Me
Complain not of short sighted
views
that contaminate thy field of
vision
All is false viewed by you

3311

3-18-2008

Seek not thy lonely path to
perdition
exchanged for joyous occasion
leading thee to kingdom home
pre-ordained
Let loose thy ways of fomenting
revolution
that succumbs to ways of God
leading thee out of extinction and
demise
Rich nor poor alters your way

3312

3-19-2008
Roost not in tower of hell and
harm
where flags fly of defiance and
diminution
Embark on trail to kingdom
home
where found the tree of life
in servitude to the God of love
and care
awaiting thy arrival

3313
3-20-2008
Wish not for salty brine
as soup of the day
beclouded by monstrosities of
lower life
Set thyself before Me
Who guides thee
to spring brooks of sparkling
waters
refreshing to thy soul

3314
3-21-2008
You have to take things
the way they are today

3315
3-22-2008
Gabriel
Look south for care of Me
set back for thy Windfall

3316
3-23-2008
Wrest not thy life from Me
Who loves thee in all thee do

Wrestle not with mania
forsaking My touch upon thee
Wait not for Me in doomed
failure
saturating thy being
in holocaust of dreams desired
costing thee My lead and
direction
Stimulate thyself with messages
Mine
leading thee to freedom hill
and clear coast to heaven's booty
awaiting thee in summer's and
winter's storms
allotting thee richness of life
in lush vales of home returned

3317
3-24-2008
Listen to Me Who speaks with
thee
Be modest
Forthright be
Let speak the tongue of Me
Who blesses thee with showers
of bold sayings
Recriminations appear lackluster
Certainty of mind dominates
as Me
from Me
thy Ruler and rightful Sage

3318
3-25-2008
If you're angry at somebody
you see them wrongly
See Me as thy King
wanting to save the world

3319
3-25-2008
Let Me love thee as only I can do
awaiting thy return
Recognize Me
Fraternize Me
Make room for Me in the larder
of love
My roommate auspicious

3320
3-25-2008
Sober be about Me
thy flag staff
Count on Me to rein thee in
when disturbed by countering
winds
flaying thy grip on neutrality

3321
3-26-2008
Loose thy hold on misery world
disconcerting
tossing thee to and fro
Bind thyself to Me
wakeful and alert
guiding thee to pastures green
with wares of Mine

3322
3-27-2008
Wish not for superstructure of life
divine
Stroll down the avenue of deceit
and despair

3323
3-28-2008
Liquidate thy thoughts

thy moments

3324
3-29-2008
Come into My path
that sings a song of love
ordained

3325
3-30-2008
Just be peaceful
Worsening thy view of kingdom
home
when cast aside duties
of secular agents of Mine
transposing world
Let noise die down that thou may
hear
the Voice of Me
instructing thee on matters Mine
wasting not time
on useless themes
and tomes of fruitless life

3326
3-31-2008
Wait not for Me daydreaming
your thoughts
Pour thyself down a libation
cooked in hell's tentacles
Swizzled art thee in clutch of
damnation
lousing thee up with hiccups of
fodder laced
Raunchy thy style and make
demonized
Filth be thy hunger fed
Stench be thy grounding
Loiter thee in cesspools

Reach out for Me with grime
filled hands
that I may cleanse thee
Swear to Me allegiance
when called from rump race
that sacks thee with perversity
Let shine thy light
There awesome weapons be
thine
Realistic be about you
and Me thy Savior born
lowered into this world apart
to input love
and wash the linens of unclean
souls
Frazzled thy nerves at point of
entry
of Origin pure revealed in
somatic form
Walk awhile with Me thy
Champion
Who molests untruths
in sincere states of being
returning thee to wholeness core
of life beyond

3327

4-1-2008

Words said in anger
do not pass the test of faith
that calls for peace amongst us
Look deep within where is found
Me
Who sells thee a different
product
than that which is bought alone
Sales slip signed by Me
is assurance that all is well
within and with out

3328

4-2-2008

Reel in thy ways
of absconding with truth
presented
with mealy mouth mutterings
of man's unmentionables
Bait thy hook with trusted word of
heaven's dawnings

3329

4-3-2008

Seek quiet in thy heart
where all is done by Me
and where you will know
what to do
and what to say
as would I
Let peace be yours My son
from Me to you with love
unchallenged
Seek not elsewhere for love of
Mine
Sit still

'lest thee fall into disrepute of
soul

mired in gastric juices
of unleavened Bread
washing away title of son of God
made man

3330

4-4-2008

Reach not for sunshine
when cast thine eyes
on gloom of day
Bunk down with Me thy slippery
Soulmate

Who casts aside troubles and
woes
in favor of commodities
desired by thy spirit entity
enhanced

3331
4-5-2008

Foresee not the future
where plans are made by Me
treasure trove

3332
4-6-2008

Support the ways of love
destined by Me
thine Icon and Truth Giver
submitted to Me in the ways of
the world
Listen to Me in all you do
wherein peace observed
unbroken in time and warp

3333
4-6-2008

See to it that thou worship Me
thy King and Queen of heaven
born
Restricted be when saluting ways
of world
that cast Me aside
in shame and degradation
Renew thy spirit placed before
Me
in proper role and function
Listless be
apart in bombastic world
mocking My part and portion

Let be thy true self cognizant of
Me

3334
4-7-2008

Wish not of buttermilk flavors
when consumed with acidic
content
of raucous malcontent
Let jealousies bypass you
on way out door
lifting good humor into place
of abandoned twistedness
Cool clime
rescinds heated fervor
expressed
Empty thyself of moods
malevolent
Roost in thy thighs
when called by callous heart

3335
4-8-2008

Reach out for My qualities
delivered in sands of time
possessed
Utilize fervently
Wait not for Me when moon
shining
When death stands still
whistle in the dark
Latch on to My ways
leading thee to kingdom home
Show mercy and love to those
about you
twisting in the wind of desolation
and desperation
Finger not their pain

lest they feel guilt and fear o'er
their lost state

3336

4-9-2008

Step not on My feet
coaxing thee to kingdom home
immeasurably sure
Lax are thee in surrender theme
tooting thy horn in breakneck
style
Robust the sound of My calling
filling thee with joy unbounded
in flow and content achieved

3337

4-10-2008

Chewing on leash
of hegemony under tow
breaks down
classic pose

3338

4-11-2008

Gross thy predilections here on
earth
succumbed to beastly ways
wallflower willed

3339

4-12-2008

Cool it
Thy wintry weather perspires
when caught in the breeze
Of Holy Spirit
Reminding us of May day the
Lord chooses

3340

4-13-2008

Waste not thy time
emphasizing meter and rhythm
Enter into Me
thy holy Foot Stool
that brings thee into heaven's
gates fulfilled
crushed and alive
Reach not for Me
questing for thine own mind
scurrilous in its search
for demeaning sentiments
Walk alone with Me
thy fruited Path
of love and care eternally

3341

4-14-2008

Real deal consummated
with Lover Boy of the ether
spread about in much supply
Reach not into the esoteric
consumed by spangles and
jingles
of flagship world
blaring away in savory features
for consumption by son of man
Watch for learning gate opening
up
to stars beyond dippy doodle
display

3342

4-15-2008

Wrestle not with dreams of love
satisfied with Me thy Lover true
Wickedness rules in Earth below
fueled by nonsense classes
of titans of lawlessness

Hell on wheels breaks loose
when gored by platitudes
of dumbfounded opponents
knocking thee
for loveless semester visitation
vexations
Ripeness of spirit required
setting bounds on outbreaks
acclimatized conversely

3343

4-16-2008

Reach not for Me in concerted
action
confused by state of unholy
disarray
Awaken to land of love when
seen by thee
delivered in Lamb's presence
Wilt away doth thee
sounding depth of love dunning
thee

3344

4-17-2008

Moonstruck art thee
trying to shill for Me
masquerading as an agent for Me
Luckless art thee in escapade
denying My role in commanding
vessels
exclusively yours

3345

4-18-2008

Sustain thyself with green leaves
of growth
fostered by hand of God

3346

4-19-2008

Wouldst thee see Me in the rain
drink not of sunshine brewed

3347

4-20-2008

Waste not thy time in wanderings
through volatile states of human
course

All be well in what is of Me
thy silent Partner in proceedings
of life long debacle
Roused in Me thee swerve not
into oblivion of true nature
This shall you gain ever more
in fantasy land undersold
Place Me before you
thy vigilant Healer
compressing tawdry untruths
for disposal

Fixated thee be on global issues
washed away by Gemini called
Seek thee the cause of Me
thy will and way devoted

3348

4-21-2008

You're not given permission to
do this on your own
Sense Me in all thee do
commencing
Waste not thy time meddling
Wait for Me to disarm you
lifting barriers away from Central
Source
Ligature defies separation

3349

4-22-2008

Wash not thy hands in sodden
flesh
'lest you become soiled and
unclean
Winter hovers with cold blasts of
hatred
that dooms thee to a dilettante of
the devil
Make clean thy mind of source of
evil
that thou may be all supposed
as image of Me
thy Rock and Support
Loose thy tongue to speak of Me
thy willing Partner
in sentiment and sensibility
longing for disruptive changes
and stillness re-emerge as center
of love
Walk not with uncertain steps
for I am with you in tongue and
tool

3350

4-23-2008

Honest be about thy views
with those about you in synch
Let others hear what's been said
to you
in like Mind with your Creator
Alternate between you and Me
Wish not for love applied
Let freedom ring

3351

4-24-2008

Face Me
Ditch thyself

3352

4-25-2008

Seek not thy ways that are Mine
tending My sheep in fortune's
favor
Let be heard the love of Me
washing over sick sites
magnanimously cleansing sores
of wounded souls
Lost in teacups
man browses in world of wants
declaring null and void the vision
of God

3353

4-26-2008

Wring thy neck
susceptible to kingdom's belly
aching
What will you have lives across
the border
seen not with eyes of vacant
stares
Wistful thee be for good fortune
laid out on platter of gold
for those who come to investigate

3354

4-27-2008

Murky the mind of God
befuddled by madness of the
human self
benumbed in falsehood trashed
Nest in proximity to Me
resting in halo of golden healing
bound to Me eternally
Frankness called for in sensing
limits

cutting down estimates of self-
worth
Make room for Me
Molder of meaning and mode

3355

4-28-2008

See to it that you love Me
thy Fluency and Mastery
at all times in all places
Look to Me for all you do
in widening circles of
dependency

Listen for Me in broken dreams
and contrite hearts

3356

4-29-2008

Hillsides of happiness numb pain
of retreat
from dormant state upended

3357

4-30-2008

Listen not to Me when talking of
you

3358

5-1-2008

Set forth thy views on forgiveness
made
and peace entwined

3359

5-2-2008

Reach not for silver bells of
heaven chimed
twisted in sea of infamy
struggling for breath in flux

Laser beams of light
penetrate dark passages
with luminescent glow
preparing thee for saunter in
kingdom home
bereft of chilly climes
and dangers about marooned
state

It takes a Woman to do that

3360

5-3-2008

Sample My wares in misbegotten
world
held out to thee with open arms
Forsake not My views
that call upon thee
to damp thine own with alacrity

3361

5-4-2008

Waste not thy time on dregs of
world
pulling thee down to oblivion
caused
Rulership Mine be thy cause
that sends thee to the pits of hell
to extract mankind
from the jaws of deceit and
despair
rummaging in hate and
willfulness
not of Me
Want of Me thy will to be done
sideways and back for all to be
accomplished
Set thyself down with fleeting
mind
causing conniption fits

in fields of gravy

3362

5-5-008

Ransack thy hay seed
meant for glow of grow
in inner sanctum of dust disposal

3363

5-6-2008

Seek not thy soul allied with

3364

5-7-2008

Sing not of frosted leaves
belched out by dyspeptic mind
at odds with holy order
Wait for song of Mine
elating thee with truth recovered

3365

5-8-2008

Wish not for things gone by
that thumb their noses
at the descent of man
Look up at Me thy Father divine

3366

5-9-2008

Treat thyself to treasures below
that call thee to resume
Nonsense submits to eternal joy
Restful the trip to God
beknighted
Lassitude overcome
by sense of well-being called for

3367

5-10-2008

Clean it

Clean up thy mind
that wanders to surfeit land
Let Me loose to feed thee

3368

5-11-2008

Hear Me not when I call
to breathe the breath of God
that transfigures you
to lead children to Zion
Leak thyself into comfort zone
provided by Holy Spirit
that transpires washed by the
blood of the Lamb
given for thy meltdown and
rising up
Feast not on loaves of Bread
fed on swine swill amongst the
briars

3369

5-12-2008

Forthright be in winds of shame
excluding sense of salt air and
sea

3370

5-13-2008

Waste not thy time
fidgeting with the unknown
Let be seen the unmanageable
that calls for solution
from Source beyond thy control
and fortitude

3371

5-14-2008

Listen to Me side with you

3372
5-15-2008
Measure not thy style or mode
in kingdom draw
Listen to Me for what to do
casting about for tasks
immemorial

3373
5-16-2008
Willingness to obey rectitude
satisfies requirement
for harmonious fanfare elevating

3374
5-17-2008
Listen not to solace from Source
above
assuring you that all is well
and beneficial for recovery from
madman's demise
and lunatic longings dispensed
with
replaced by sunshine days of
holiness glorified
Rest awhile in glory state
preserved for thy will and way
retained

3375
5-18-2008
Sanguine thy feast of glory foods
made for you for delivery
Good fortune rains upon you
lifted up by son of God
deliriously happy with service to
mankind

Listen for Me amalgamating thy
themes and efforts

3376
5-19-2008
See Me parading in thy view

3377
5-20-2008
Walk not in shoes debilitating
Listen not for Me to move
sifting out impurities
that stain the process
Wait
Let Me run with the ball
Hold thyself up to receive Me
unbowed and untrammelled

3378
5-21-2008
Seek Me when you doubt and
twist
in internal mindedness of man
ballooning in false premises and
misbegotten knowledge
Let stand in Me alone
the way and will of truth
absorbed inclined

3379
5-22-2008
Tantrums torture peace of mind
standard
denying user manifest destiny
likeness to God

3380
5-23-2008
Wash not thy collar in joy

stagnating in misery
Wish not bad tidings 'pon others
sublimating thyself in
quintessential dogma

3381

5-24-2008

Harken to My Voice
calling thee to newness of spirit

3382

5-25-2008

Rustle the leaves of space
vanquished in perpetuity
lacking sense of self

3383

5-26-2008

Listen to the cistern's flow
bringing thee imposed will of
God alone
in thy life hammered by midnight
madness

3384

5-27-2008

Rivers flow inward
Doubtful be
Hoist thy flag skyward

3385

5-28-2008

Look not beneath
where I am
at all times and in all places
leaving you not alone
in disfigured world
of thine own making and
choosing

Take Me into thy silence
that wields the torch of fusing
oneness

3386

5-29-2008

Torrents of raindrops
wipe clean the torrid landscape
of desolate deserts
and pygmy plantings
of wasteland manicured
Foolhardy to chow down charred
copses
delaying the delicacies of dining
delights
in divinely inspired detours

3387

5-30-2008

Sit not in thy place of honor
homing in
characterized by starches
and grade B thrillers
Listen for Me
in exclusive network
reserved for good will setting
and tales of love
Wounded thee be by family tree

3388

5-31-2008

Roll out the carpet
for heartsong's delight
that capsizes ship of fools'
bleatings and blatherings
Sensible be

3389

6-1-2008

Close thy mouth and tongue
leaving Me be in thy way
Circulate Me as thy cancer
Rotting circumvented with clear
thoughts
and mind of God provided
You walk not in My shoes
dwelling in land of schemes and
derogation

Willingness to run new paths
requires shame filled moments
set aside
and replaced by resplendent
mottos
Dereliction of duty overcome
by spatial shift to remonstrance
of God

3390

6-2-2008

Woodstock

Calamity

Wish not for Sunshine breezes
foretold

Waste not thy vision on
tearjerker episodes
of life abroad
devoid of knowledge of real
landscape
heaven declared

3391

6-3-2008

Realistic moments accentuated
by calls to God seeking fusion
with immortal being
Regard thyself as wasted matter
to be dunked in the fountain of
love

resolving thy views and
participation
in the oncoming kingdom
Bring thyself to Me for viewpoint
shared
and impediments obliterated

3392

6-4-2008

Fork over thy mutilated self
that you might regain the
strength
imbued in thee as listener to Me
Set thyself down for Me to use
Ungainly art thee closeted
against Me
wielding no power that I present
to thee

Open thy heart for Me to enter
Wickedness subsides
Christ arises
Dig not thine own grave
waiting for Me to muster
sustenance

Let splendor enter thy being
unfilled by lost way of
cannibalized world

3393

6-5-2008

Lord

seat me by Thy side
that I may swing with Thee
in joy and satisfaction
Hose me down

3394

6-5-2008

Ruled by savagery

dost thee live in conclave
worshipping no man's land
Relieve thyself of extra baggage
Relive thy name and stores

3395

6-6-2008

Exactitude flourishes in state of
mind
devoted to receiving God
as Partner in ways and wiles of
world deplored

3396

6-7-2008

Hurt not thine enemies
who sow seeds of mistrust and
divorce
Pander not to vengeance
Seek instead reconciliation
letting God lead thee in efforts
made
To see others as lost

3397

6-8-2008

Rest in Me thy son of Mine
assured of heaven and earth
Walk not in silence
being tuckered out and
unfulfilled
in energy quotient
Reach not for Me for health
abroad
in land of misbegotten dreams
and hopeless causes
Lecture thyself on winsome ways
sending forth rancid messages
of doubt and desires

In their place set Me
thy Nightingale on the hill

3398

6-9-2008

Ruffled thy feathers

3399

6-10-2008

Laden the cup by brutal world
Ring in the new
Hustle

3400

6-11-2008

Nuzzle thy nipple
feeding thee apple juice
fermented
foisted on thee by king of fools
departed from My Presence
Depart not longer
Say "present me to You
that I may share in joyous repast
at hands of heaven"

3401

6-12-2008

Vomit out thy filth
that holds thee back from
kingdom grand
emulsified in sediment of love
proclaimed
Rule not with thy wanton state
eclipsed by Elixir of love

3402

6-13-2008

Want not
Seek not

Lost life abandoned

3403

6-14-2008

Waste not thy life
in mind's dilly dallying
in spooky thoughts and lost
meanderings
Souped up be in family tree
derived of Me

3404

6-15-2008

Bottle up thy ways and wants
secluding thyself with Me
thy Guide and Fortune Teller
Rest in Me with assured calm
that all is well and ever will be
in space and time beyond
Richness lies awaiting thy call
for return to essence fulfillment
Magnificence seen in search
within

3405

6-16-2008

Lost amidst you
seek My challenge to reform
your ways

3406

6-17-2008

Listen to Me thine only one
Who forces confrontation with
eternal Core
and illustrious victory over
external forces
Assured enlistment occurs

3407

6-18-2008

Love is indeed enough
to cast aside the ways of man
Plural love does not exist
Dally not in seeds of sex
that float in sea of matrimony

3408

6-19-2008

Do not sail
Realize the truth of lower breed
that moves about in antarctic
world
devoid of forestation and
augmentation
of holy life maintained

3409

6-20-2008

Batten down thy hold
filled with goodies of dementia
locked into paternity of this
world's filings
Let flow the staunching of
disbeliefs
in catacombs of the dead

3410

6-21-2008

Loot not thy soul's existence
persuading thee of co-existence
Watchful Eye peers in
on false mask of deception
donned by devil's drones

3411

6-22-2008

Crumbs of deliverance eke out

in Master mind schedule
assuring you of prompt attention
and attainment

Lower thy self for Me
Expedient thy call to Me
awaiting return to kingdom home

3412

6-23-2008

Cast not thy Fish in devil's brew
brimming with recriminations

Want not thy stool
discoloring purity of sanctity
within

Love others as I have loved you

3413

6-24-2008

Look not towards Me
when sensing world about
Lift thine eyes heaven borne
availing thyself to Maker of
treetop version

3414

6-25-2008

Wrestle thee with tomes of God
providing thee with healing
touch

for miseries of mankind
Obliged be to surrender thyself
to will of Me Who focuses thee
for work and wants in this world
Delay not thy seeking of Me
where fortunes founded and
renewed

3415

6-26-2008

Loosely hold thyself in posture
pure
awaiting impure digested

3416

6-27-2008

Holiday riches
subsumes golden hues
Chorus of hayseeds supersedes
greats of history

3417

6-28-2008

Gems of sorcery
hoodwink slow thinking subjects
caught up in net of subterfuges
railing against recognition of
reality

All is unreal in world of humanity

3418

6-29-2008

Rest awhile with Me
thy Father in heaven
Creator of all that is
that satisfies and completes thy
soul forevermore

Rest in Me
thy Mother Who succors thee
with sweet broth of belonging

O child of Mine
that wants thee
in My eternal Womb of love
treasured in realness born
that thou might know of
happiness and joy
replete and composed

Do this

Be this thy fulfillment and glory

3419
6-29-2008
Lost not art thee in Winds of
change
stabilized by Rudder's sure hand

3420
6-30-2008
Good fortune awaits those who
seek kindness preferred

3421
7-1-2008
Look not to yourself for answers
true
but to Me the Source of all
wisdom
Let think My mind as yours

3422
7-2-2008
Reach not into My pocket for love
abounding
when you glance at Me as far
aloft
Look inside where I reside
one with you and you with Me
There be our nexus fold

3423
7-3-2008
God does not enter into a power
struggle
with yourselves

3424
7-4-2008
Wouldst thee see what I see

Lover of lives

3425
7-5-2008
Rule thyself with Me
'lest you fall away from kingdom
home
unabsorbed with matters
close to thy heart and Mine
Relinquish thy grip on horny
thoughts
that escalate in trips to world of
want
Make Me thy center fulfilling
thee
with waters soft and gentle touch
of love
Wear not thyself out in gloom of
day
Permit Me to see for thee
latitude of what is right

3426
7-6-008
Waste not My time with you
spent in calling thee
to kingdom home possession
lavishing upon you
tender morsels of love and
compassion
Waken to My sight
where you will recall
thy glory and honor bestowed
upon thee
Frazzled not be
when all falls within its confines
and jurisdiction
Settled be when assured that all
is well

in Creation of Mine
untouched by humanstance or
sorrowed song
Let it be
Let it be

3427
7-7-2008
Master be of Me
signifying defeat of holy orders
declined
Wash not thy feet in dirty water
Purity denied by turbulence

3428
7-8-2008
Reach for Me within
where find thee purposeful
meant to be
Rule out thy swats and blows
Tedious thy way
Dump Me when scolding others
for matters not of your concern
Listen for Me to guide thee
in ways of correction

3429
7-9-2008
Desert Me thee will
when cast thine eyes
on signpost to Hades
read as fulfillment of love

3430
7-10-2008
Trundle off to Disneyland
with spikes of marijuana growing

3431

7-11-2008
Wreck thyself with chores of war
bleeding from wounds self-
inflicted
Will not thine injured self

3432
7-12-2008
Decapitate Me

3433
7-13-2008
Exclude God's demise
in purpose and dominion of
worldly view
Beg of Me thy way and want
delivered
Flourish thee will in time and
tank
beholden to Me in song and
bidding
Wipe clean thy slate of forbidden
thoughts
extraneous to My job within thee

3434
7-14-2008
Seek not the sun in shady climes
full bright

3435
7-15-2008
Beware beware
Sought not My view
on kingdom home awareness
Rule thy ship slipshod in absence
Listen for Me
Tune in lest thee falter and
flounder

in care given to My children
Ruminate

3436

7-16-2008

Sassy be when express yourself
as Me
unfounded in My décor
Listen to Me for qualities shown
in speech and interact
Lest you behave
thy will be done moonshine
liquored one
Walk not on solid ground
when clouded in thy vision

3437

7-17-2008

Listen to Me for future abide
Rest assured that all is well
meeting in market place of truth-
be-known
Wait until you hear the signal
Foretold the tale

3438

7-18-2008

Hold thyself up that I may speak
with you
Hear My Voice explain
that which is to be done
All is known and foreseen
All is said and done
All is complete

3439

7-19-2008

Loosen thy tongue to proclaim
Me Master of all

that sees all and does all

3440

7-20-2008

Scent not the passion willingness
Reach into Me for thy resolve
that holds up the kingdom for all
to see
Bless thee I do
cornering thee with paucity of
world
freeing thee for richness of life
centered in Me thy Guardian
Angel
in habitat of holy life observed
Let be thy self with Me

Touch Me

Come touch Me with thy will and
way
Latch on to Me Who pulls thee
closer
to everlasting glory rippling
through thy squad room
Place Me in thy seat
that funnels ways of Mine
to waiting world of dismal souls
repentant

3441

7-21-2008

Short cut to heaven misted over
by palmistry
Sentinels of heaven guide thee
through flames of loveless fiends
endured in mass murder of
sanctity
in world of want
Sucked in be by truth of Real

7-22-2008
Sound track
Holster thy hostility
that seeks ways of disturbance

earth
offering songs of love abided by

3443
7-23-2008
Touch not thy self
in windbag center of you
distorted by no name existence
Ruled by Me thee be
when extending truth of Word
delivered
Lesser voice exhumed by inner
control from Me

3444
7-24-2008
Chances are
rustic scene compliant
Lax art thee tending store
of goodies divine diverted from
delivery

7-25-2008
(No message received this day.
Circumstances prevented
opportunity for meditation)

3445
7-26-2008
Ask not what I can do for you
Ask what you can do for Me
Then will trust be established

and witness begun

3446
7-27-2008
Lost art thee in mortal mix of twist
and fit
bottled in
Reach out to Me thy Vine Grower
Wait until you hear from Me
before doing what you do
Callow be thee without My view
upholding you
Foster nurturance amongst thee

3448
7-29-2008
Waste not thy life
drinking bilge water
designed for sweet wines of fruits
heaven born

Reach not for golden arms
from dilapidated viewpoint of
earth
curved away from central Source
Surely goodness and mercy
will come thy way
when heard the sounds of heaven
within thee

3449
7-30-2008
Reach into Me flower child
for wisdom in thy bosom

Let freedom ring from Sound of
Me
thy Liberator calling thee to new
climes
Let loose thy vibes of freedom
call

3450

7-31-2008

Rule thy ship with wanton hearts
placed in command of holy order
Sacrifice thyself to Me
amidst debris of lost leadership

3451

8-1-2008

Bleach not thy fire
with cold facts of everyday world
Break thy back with weight

3452

8-2-2008

Forsake not thy vows to Me
that occlude the ways of world
familiar
Be unto Me as I to you matching
Wish for naught else desired
in place in time

3453

8-3-2008

Prepare yourself to receive Me
in your lost and wandering world
devoid of love and care
for all and each other

Reckless the sound
of maintenance of dizzying
perfidy
let loose in eyeless state
blinded to all that is real
Reality scheduled to reappear
in snap of a finger
excluded no more
by mindless brain of hapless man
Regulation assured for those who
wonder

3454

8-3-2008

Dote not on thy time or text used
in furtherance of My call
Personages arrive as delegated
by Me
Simplicity rules guided by Me

3455

8-4-2008

Wait for Me in toil thee do
landscaping world of wear and
want
Seek Me in tasks of love desired
handling thee with care and
direct
Sap thy strength when act alone
Fulfillment yours with Me along

3456

8-5-2008

Broad thy base country wide
Wake not to usefulness spread
before thee
bearing brunt of resistance to My
Name
in concord with thee

3457
8-6-2008
Sail on
Set before thee My altar call
winging thee to climes divine
that serve Me in winter of
discontent
observed in thee
Listen for My Voice stringing
thee along
on pathway to the stars where I
am found
awaiting thee now and forever
Tided over be with that assure
from Me thy God and Master be

3458
8-7-2008
Sit still for Me that allows thee
to repossess thy will and work
commanded at My knee

3459
8-8-2008
My servant
Peace on earth good will toward
men
Reach not for change in thy
pocket
Rest awhile

3460
8-9-2008
See not with thine eyes out of
focus
Rule thy house with Me aboard
Who sees all meant to be

3461
8-10-2008
Reach not for Me in boozed state
matriculating in cacophony of
world-at-large
Meaningless the sound of fun and
games
at expense of holy order and
recreation
Listen for sound of Me
re-establishing concert of
devoted beings
waylaid not by
incomprehensible turpitude
There be mellow thoughts and
lives of gain
in silent world of love and
service
for all who may apply
Level thyself with Me thy Pastor
and caregiver
Leave thyself alone and burrow
into Me
where you belong in safety and
well being
Pour thyself into Me
thy willing Companion Who
awaits thy presence delivered

3462
8-11-2008
Lessen thy thoughts and be with
Me
thine Upholder and Reassurance
Listen to Me for thine instruct
and will to perform
Settle in to My Being

3463

8-12-2008
Baste thy cake
See Me in sunshine of dreams
Witness to excursion
Dreary the land when dry
Sleep will thee in world of want
discoursing endlessly on
worthless wares
Turn to Me for future
driven by words of wisdom
planted in thee
from mention by Me

3464
8-13-2008
Listen to Me Who knows thee
well
Forsake not thy dream of
salvation sought
For thou art saved as would be
for all
locked into step with Me
thy sole Creator and Nemesis
of all that is lost hoodwinks
and massive moments of misery
metabolized
Get started on thy calling
loquacious not
delivered in My stead

3465
8-14-2008
Look neither left nor right
but at Center Site of thy being

3466
8-15-2008
Shower thyself with damsels
stricken

leaning on bonds of earthly ties
Well up within thee fruits of
angels
whirling about in never ending
cadence

3467
8-16-2008
Lost in space art thee
coddling make believe
Forward march to kingdom home

3468
8-17-2008
Wrestle not with home ground
stabilized
saturated with love and care for
all aboard
Listen to Me for haunting songs
eclipsing thy mind of mordant
bilge
Surface to Me
thy willing Benefactor

3469
8-18-2008
Rest not in cool breeze of
belonging
shouting out words of bicker and
brine
Let be what will be midst of thee

3470
8-19-2008
Feel not the blues
segregated
wasting away from polluted
landscape
when cometh Me upon the scene

kneeled in service to thee
Mixed messages accompany
thee

in boondoggle land
shredded

Remake thyself in Me thy
Comforter

Who aligns Myself with thy
faction
in accord with Me

3471

8-20-2008

Fly like a bird when trust Me thee
do

dependent on Me
for life saving bistro of love
Mark My Word

Awaken to Me
See what I see in front of you
Do what I would do as sensed

heart in thee
that calls thee back in service of
Me

Reckon with Me thy God

3507

9-25-2008

Wrest control from Me
when shortsighted with thy
glance

3508

9-26-2008

Salty the sea of love
with transfiguration
that our own calling is for

3509

9-27-2008

Darkness consumes thee like
night over day
Shadows cover moonbeams
peeking through night sky
Sparkles of light glisten in soft
sky
bringing peace and penance to
worried souls
bereft of comfort
warding off chill of visionless
land
Make Mine yours

3510

9-28-2008

Semblance of love revealed
cached within thy being
awaiting exploration as sense of
Me
Witness to Me in thy life abroad
seized by Spirit amorphous
Well will thee do in honor of Me
thy Guide and Executor

Relentless be in search of Me
Sweep the Wind away distrusting
Me

with lessons learned in oblivion
Dormant the Spirit awaiting thee
to foreclose the land of Nod
Reach for door handle

3511

9-29-2008

Work for Me thine Invigorator
dunce cap in hand displaced

3512

9-30-2008

Look easy at thy task
being guided by Me

3513

10-1-2008

Loose thy foot upon the stone
rock ribbed in defiance 'mongst
the briars
See Me as thy wish midst
floribunda
smiling at thee with forbearance
of thine unseemly ways
Take a trip with Me
Finite things don't count
Matter of Mine does

3514

10-2-2008

Exercise thy mind transforming
thee
into picture perfect image of Me
thy God and Viewfinder

3515

10-3-2008
Ruled in Breeze art thee
Dig down deep in thy pockets
to support Me in My work

3516
10-4-2008
Last long wilt thee
proposing new words for old
world
waiting for resurrection and
redemption
Wash thine ears
that thou may hear My song to
thee
of mellow times and tinselled
tales
Lift thyself up from thy mood of
madness
Make way for Me thy Moon
Rocker

3517
10-5-2008
Glory be that sees Me
wasted not in human tide of
events
Zoom through world
lighting up catechisms of
holiness pervaded
reaching out to stalwarts of God
on mantel piece of love
Be strong in presentation of Me
as likeness
Reach not for your strength
analyzing your weakness
Salty taste testifies to goodness of
prosperity

linked to well-being of phony set
aside

Dismayed art thee at loss of love
sandwiched in between thee and
Me

Lock horns with Me
I will save thee in titular battle
Overcast clears
Hold My hand
Love returns

3518
10-6-2008
History repeats upsets in
megalomania world
Stealth rules upheavals
Fair play goes by the books
Sin is the game
Total loss
Witness to Me thy Master Rule
Who dissolves dissension
in minds adrift in foreign lands
and leads thee to kingdom home
recovered

3519
10-7-2008
Hidden knives cut through
bombast
of leaning tower expletives
leaving uncovered nascent
blooms
of hardships undone

3520
10-8-2008
Realize the theme of My heart
absorbed in thee

Recognize Me as thy one and
only Leader
Who solves all things
Once again
loyal be to Me My foolish heart
entwined forever with Me
Ruthless be fighting enemies of
Me
overcoming resistance to hold of
Me

3521

10-9-2008

Set thyself before Me
listening for My Word
Do as I say when called upon

3522

10-10-2008

Healed art thee in mind and soul
reduced in loveless state
Busy thyself with Me proclaiming
Wash thy hands of sordid matter
soiling thee with tricks of human
growth
Catch My bait

3523

10-11-2008

Yank thyself up by thy Boot
Straps
as thy years run easier for thee

3524

10-12-2008

Seek not My help when
cloistered with yourself
Stewing over grants-in-aid
delivered from a lean larder

hasten to Me thy grant Giver of
largesse
awaiting thy permission to arrive
in fullness of volume for thy sake
Lost art thee when turned away
from Tender of peace within
Slip thyself in Me thy Adjudicator

3525

10-13-2008

Weighted down art thee at
mizzen mast
sorely moved placed in limbo
Gather thyself up
Come to Me
Falsetto tone removed at reality's
gate
by murmured movements of
momentous love adhered
My child My child in dream
world mutilated
Resurge

3526

10-14-2008

Listen to Me Who knows thee
well
cadaver of the moonlight
You know nothing of value
that benefits Me thy Treetop
Look to Me for advice sound
that wills thee to well-being and
sanity fulfilled
Sit still
You mince words with Me
Be direct
Wait for My answer
You change your mind

3527

10-15-2008

Listen to Me say to you that all is
well

always was and always will be

Listen to Me to prognosticate
thy will and way

Ratchet up thine enthusiasm that
merits support

for holy outcome belittled not

For thine own sake come to Me
thy Muckraker and Guiding Arm
that wills thee well in esteem and
rapport

Look not to Me

when seeking others to be your
guide

Fullness of heart empties out
when dispersed by gravitational
pull

of worthless world demonized

3528

10-16-2008

Chalk one up when midst
sympathizers
called to the Cross by militant
words

3529

10-18-2008

Set thee down with Me waiting
for thy company

Rule the roost with Me
planting seeds of destruction in
no man's land
killing off vagrancies in wasteful
wallowing

Slumber not in lasting delta
devoted to midget mind's
exclusion
and real world of love's return
exclusively

3531

10-19-2008

Hurtle into space reserved by Me
that cools thee from fervor of
human life miscreated

Mend thy ways

Move over

Lend Me thy hand for thy sake
Set to it

3532

10-19-2008

Goose step mealy mouths
quote sin filled rituals
as gospel truth
denying Me a Channel of love
subordinate

3533

10-20-2008

Wish not for things unborn
that blossom in their good time
Set thyself still in golden silence
where is made all matters

and service thereof

3534

10-21-2008

Reach not for outer space

Seek waves of peace engulfing
thee

in exchange for world of

to do thy Godly walk

3535

10-22-2008

Walk not in My way
when calling for others to
confirm thee

steps
to safety abroad locked in
cadence blended
In thy self be true to Me

10-23-2008

Blasé be when not tuned in to

Let go the world that comes
between us
that we might vouchsafe the
parcel
shared amongst us willingly

Wasted not thine efforts made for
Me
Let be what was done
from simplicity of heart
amalgamating in grandeur
scheme
