First through eighth grade students will worship with their parents in the auditorium during the 10am service and then be dismissed into their children (1-4th grade) and middle school group (5-8th grade). They will be dismissed into the children's church service. Here, they will experience more worship time and a Bible lesson that is filled with games and crafts. If the child is younger than first grade they will go into their classes as soon as they get checked in by their parent or guardian.
