

# KIDS DNA GUIDE

## **D = DISCOVER**

We want our kids to discover the truth of the gospel in God's Word by learning to read the Bible and their lives in view of God's story with Jesus as the hero.

## **N = NURTURE**

We want to nurture the hearts of our children with the gospel in view of their everyday lives.

## **A = ACT**

We want to help our children learn to obey God as most freeing and fulfilling life.

**Parents with children (one on one or whole family), or older children in small groups can work through the DNA process together.**

---

## **DISCOVER**

Read an age-appropriate version of story from God's Word, and ask 6 questions:

- 1) Tell me the story in your words! (Help them fill in the gaps)
  - 2) What did we learn about what God is like? (An elephant? No! A Ninja? yeah, maybe? How like a ninja? Was he good? Yes!)
  - 3) What did God do? (In this story? How does this point us to Jesus?)
  - 4) Who are you in this story? (Apart from Jesus? Afraid Because of Jesus? Safe)
  - 5) Do you think God wants you to do anything about what you've learned? (Brave)
  - 6) Is there anything in your life like this story now the Spirit is showing you? (Bedtime)
- 

## **NURTURE**

Try to get them talking about their heart with questions like: What has been hard for you to obey (sin)? What has been hard for you to handle (suffering)? How have you been feeling (emotions)?

## **Let's talk about it . . .**

- 1) What did you do?
- 2) What did you believe? (about yourself, about others, about gospel, about God)
- 3) What does God say is true?

---

**ACT**

- 1) What's one step of obedience you can take and ask the Holy Spirit to do in you?
- 2) Who's someone you'd like to learn about what you've learned about?
- 3) Let's pray together.
