

CHILDREN'S MINISTRY

- We have mounted a locked **deposit box** on the wall behind the Information Desk. If you have any money for camps, t-shirts, special events, or tithes and offerings, please do not hand it to staff members or their families. They are not allowed to take it! Place it in an envelope with your name, the date, the purpose of the money, and the amount, and drop it through the slot on top of the box. Money from the box will be collected weekly.

- **Promotion Sunday** will be August 5th. That's when all preschool, children, and students will move up to their next grade level groups. Until then they will still be known by the grade level they finished this past school year.

- As we get close to the new school year, be looking for **special events** that happen in the Fall like Halfway Day, 1st Grade Bible Night, and Graduate's Club. Parents or children who will be in Kindergarten, 1st grade, and 5th grade will be receiving information about these events very soon!

PASTOR'S HEART

Vince Lombardi, the famous coach of the Green Bay Packers, began his pre-season speech in 1961 to his players with these words, "Gentlemen, this is a football". And Lombardi would go on to a very successful coaching career and have a reputation of always attempting to master the fundamentals and basics of playing the game of football. His philosophy centered around an understanding of the basic core principles and going back to them time and time again.

Last week we looked at BAPTISM and this week we are focusing on GENUINE CONVERSION. As we get "Back to the Basics" its also important for Christ followers to, from time to time, revisit the foundational principles that govern our Christian faith.

In I Peter 3:15 we are reminded why a proper Biblical understanding of our core truth principles is important. Perhaps you will be asked in the future why you believe the way you do. The Bible instructs us that we must be ready and prepared to give the proper response to those that seek out answers to why we have the hope that we do in Jesus Christ. Join us today as we think Biblically on what it means to be a Christ follower.

Becoming a Christ-follower is the only to live with the blessing of God, to die with the peace of God, and to live forever in the presence of God.

Your pastor and friend...

Jimmy Henry
