PASTOR'S HEART

A People After God's Own Heart

A Study Through The Life Of David

Thursday, I had the privilege of watching the final step unfold for one of our church members, Shelby Howell, as she adopted her beautiful little girl into her family. I couldn't help but be reminded of the journey that began in her heart in January of 2017. Faithfulness and obedience are two words that kept coming to mind. God has called us to take radical steps in this world that include being faithful to His Lordship in our lives and being obedient to His will for our lives. The journey is not always easy, and it doesn't always make sense. And still the same remains, His plans are always right. Thank you, Shelby, for being an example for others to follow. An example that models how Jesus adopts us into His family, sits us at His table and gives us the benefits of His kingdom.

Today we will begin a new message series studying the Life of David. The series is entitled **A People after God's Own Heart**. This morning's message is "A Surprising Choice". I look forward to seeing how the up's and downs of David's life help us identify with our own life. And God's desire is for each of us to be a people after God's own heart.

If you are reading this by email, then I encourage all men and boys to come to the Men's Ministry Breakfast on Sunday at 7:00 am. If you are reading this in our services for the first time, I want to say thank you to the Men's Ministry for breakfast. We look forward to periodically connecting boys and men through this breakfast time together.

Your pastor and friend...

Jimmy Henry
