

LifeGroups are the lifeblood of our church. If you aren't a member of a LifeGroup, contact us so we can connect you with a group.

These questions provide a framework for individual or family study and for discussions in LifeGroup. LifeGroups meet at 9:45 AM on Sundays.

Proverbs 22:6

1. Worry about the future can sometimes take hold and threaten to rob us of our joy. What in our world today most tempts you to worry?
2. Sunday's sermon was aimed mostly at parents, but as a church body, we have a collective responsibility to care for all of our kids at Malvern Hill. What can we do as a church body to train up the next generation?
3. Training a child requires us to train "the whole child." Passages like Romans 12:1-2 give advice on how we should build a Christian worldview. What other passages of Scripture provide instruction on how you can and should train up a child?

4. We can't train children in the way they should go unless we know the way ourselves. Read John 14:6-7. What does Jesus say about the way? How can you understand the way better and lead others along it?

5. On Sunday, Pastor Craig encouraged parents to stay focused on the goal of training children up into adulthood rather than just settling for having decent children. How does a clear focus on raising godly adults impact the way a person parents? How might it impact the way we approach our children and student ministries here at Malvern Hill?

6. We train children and then send them out, trusting the Lord to care for them. How does a passage like Romans 8:28 or Matthew 10:29-31 give you hope in God's care and provision for your children?

7. Last Sunday was Mother's Day. We focused mostly on how we can invest in the kids God has given us, but it is also appropriate to reflect on the mother God gave you. How did your mom shape your spiritual journey (for good or ill)?
