Luke 9:10-17

1. How is the ministry of the Holy Spirit often misunderstood or even ignored? What is one thing you should change in your life today to help you rely more on the Spirit?

2. Verse 10 says the disciples had just returned. Read Luke 9:1-6. Where had the disciples been? Why do you think it was important for Jesus to withdraw with them for a time after they experienced great spiritual victory? Based on this passage, how should you respond after a great victory?

3. In verse 11, the Bible says the crowd followed Jesus and his disciples. How did Jesus respond? How is this response similar to, or different from, how Jesus has responded to interruptions in his ministry in recent chapters? What does this teach you about Jesus, and how might you apply these lessons in your own life?

4. Read Luke 9:12-13. What did Jesus say? How did the disciples respond? How could they have responded differently, and what can you learn from this situation?

5. How have you responded when you encountered a need that seemed too large for you to handle? How can you help others to lean on Jesus in their own difficult days?

6. This week's memory verse is Galatians 5:16. How do Galatians 5:17-23 describe the fruit of the flesh and the fruit of the Spirit? How do you open yourself more to the Holy Spirit's leadership by resisting the temptations of the flesh?

7. On Sunday, Pastor Craig said, "God's scraps are better than your provisions." What scripture was he referencing? How can this concept help you trust the leading of the Holy Spirit more?
