Luke 9:28-36

1. What does the transfiguration reveal about the identity and glory of Jesus? How can you apply these lessons and how should the transfiguration change your life?

2. How does Luke 9:28-37 fulfill the words of Jesus in Luke 9:27? How might the transfiguration have helped the disciples to better understand Jesus's command to take up your cross and follow him?

3. Read what Peter said in Luke 9:33. What do you learn about Peter's desire to stay on the mountain top from these words? Why was it necessary for them to leave the mountain and get back to life and ministry?

4. On Sunday, Pastor Craig said, "Who you are in prayer is who you are." How is this true?

5. In Luke 9:34, when the cloud overshadowed Jesus and the disciples, how did the disciples respond? How is this reminiscent of the cloud of God's glory that was present on Mt. Sinai when Moses received the law of God? What connections can you find between God giving the law to Moses that way and the disciples experiencing God's glory with Jesus?

6. Moses represented the law and Elijah represented the prophets. Their presence on the mountain with Jesus showed that Jesus (and the New Covenant) surpassed the law and the prophets. How were Peter, John, and James going to be instrumental in ushering in the New Covenant through the church?

7. The disciples were overwhelmed after experiencing the glory of God. What keeps us from beholding God's glory in our everyday lives? What can you change to experience God's glory more regularly?
