Nursery News– We are extremely blessed to have several families taking advantage of our nursery during the morning worship service. In an effort to make sure that all of our children are kept safe during the very busy time of child pick up, we have two requests:

1. Only **Parents/Adult Caretakers** come into the nursery to retrieve their children. We will not allow children to leave the nursery with anyone other than their parent or adult caretaker.
2. Parents: Please make sure that when you enter the nursery that you **shut the door** to the nursery. It is very easy for little ones to run out an open door and we want everyone to be safe.

Thank you for allowing us to care for your children and let us know if we can do anything to make the nursery better for all involved.
