Summer Reading Assignment for Students Entering 3rd Grade, 2023-2024

Dear Students,

You just finished reading “Little House in the Big Woods” in Second Grade. In preparation for Third Grade, you are required to: read “Little House on the Prairie,” write summary sentences for each chapter, and complete a House shoebox.

Tips for Success:

1. Write a one-sentence summary about each chapter as you read along. Don't wait until you're done reading the book!

2. Re-read your one-sentence summaries if you take more than one or two days' break between readings. That way, you will be able to keep the plot and characters from getting tangled!

3. Use your imagination and the descriptions in Chapters 5 through 10 to fill your House shoebox (p. 131 is a good picture reference) with 10 items in Laura's house; the shoebox and Summary Sentences are due on the first day of school. Enjoy the book, and have fun!
