

Lighthouse Christian Academy  
Incoming 1st Grade Summer Math

This will be your first math grade. All work must be in your student's handwriting. Please write all answers on a separate piece of paper *neatly*. For problems that are not written answers, please write your initials on the paper. Please be sure to number your answers. Please make sure your name (first only) is on every sheet of paper you use. All summer work is due on the first day of school.

1. Count the number of doors in your home.
2. Do 30 jumping jacks and count out loud. Have parent initial paper.
