Dear Pastor,

The family listed above has submitted an application for admission to Lighthouse Christian Academy. The philosophy of Lighthouse Christian Academy is to provide a God-honoring, Christ-centered education for the children of Christian families. We seek to work in concert with the home and the local church to provide this education. Because we believe that church attendance and active participation in a local church are essential for a child's education, we request that this form be completed by the family's pastor as part of the admission process. **The family's application is not complete until this form is received by the school's administration.** Your completed form is confidential.

Thank you in advance for your assistance.

Sincerely,
The Board of Directors
