

Hey VBA Families,

We're excited to kick off our third annual **Turkey Trot on Tuesday, October 28th!** This fun tradition helps us raise funds for important campus improvements. Thanks to your generosity over the last two years, we were able to build the Patriot Patio and update the interior of our education building—two spaces our students now enjoy every day!

Our next big goals include building a new weight room, renovating our bathrooms, and updating our sports operations and game day equipment. Each of these projects will enhance our campus in meaningful ways—providing better spaces for training, competition, and everyday use. Because these are large projects, they may take a few years to fully fund and complete, but every gift this year helps us take the next step toward that vision while continuing other important campus improvements. To help make it happen, this year's goal is to raise \$75,000!

How You Can Help

- Use the attached letter to ask family, friends, neighbors, coworkers, and anyone else who may want to support VBA.
- Each letter should include only one student's name.
- Our goal is for each student to submit at least 10 letters.
- Place your completed letters in the provided envelopes, address them, and return them to school.
- Once you bring back your 10 addressed letters, you'll be entered into our prize competitions (see details on the next page).
- Don't worry about stamps, the school office will handle mailing them!
- You can also share your fundraising link online through social media, email, or text to reach even more supporters!
- If your family or someone you know owns or works for a business that might like to participate, please request a corporate sponsorship packet from the school office—we'd love to partner with them!

Turkey Trot Day

On November 21, students will run the Turkey Trot course, enjoy fall activities, and wrap up the day with our Thanksgiving Feast, where we'll announce the prize winners. Families and friends are invited to come cheer on the runners—you may even spot a turkey or two on campus! 🦃

Thank you for partnering with us to make these exciting improvements possible. Together, we can reach our goal and continue making VBA a place where students think biblically, lead courageously, and impact culture for Christ.

With gratitude,
Mr. G & Mrs. Patience

STEPS TO FINISH YOUR LETTERS

1. PERSONALIZE your letter!

Sign your name, and if you'd like, write a short note to make it personal.

2. FOLD your completed letter and seal the envelope.

3. ADDRESS your envelope.

Write your sponsor's name and mailing address clearly.

4. BUNDLE your letters.

Keep all your letters together with a rubber band, labeled by student, and return them to your teacher or the school office.

All letters are due by Monday, November 4 to be eligible for prizes!

Dear _____,

Victory Baptist Academy will host our third annual Turkey Trot on Friday, November 21! This fun event is one of my favorite school traditions—it's a chance for us to raise money for campus projects while enjoying a day of running, cheering, and celebrating together. Since its founding in 2007, VBA has focused on helping students like me think biblically, lead courageously, and impact culture for Christ. In that spirit, your generosity has given us the Patriot Patio and a revamped education building—both of which we use and enjoy every day.

This year, we're working toward our next big goals: building a new weight room, renovating our bathrooms, and adding updated sports operations and game day equipment. These projects will make a huge difference for our students and athletes, helping us grow in strength, school spirit, and excellence both on and off the field. Because these are large projects, they may take a few years to fully complete, but every donation this year helps us begin that vision while continuing other important campus improvements along the way.

Our goal is to raise \$75,000 this year to make these projects possible. You can learn more and give online at myfunrun.com/turkeytrot.

Would you consider making a tax-deductible donation to Victory Baptist Academy on my behalf? My goal is _____, and I would like to have all of my donations turned in by November 20. Thank you so much for helping make VBA such a special place for me and my classmates!

With gratitude,
