Meet the Teacher

Mrs. Saenz

About Me:

Hi! I'm Mrs. Saenz, and I'm so excited for another wonderful year in First Grade! This is my 5th year teaching First Grade at Fredonia Hill, and before that, I taught Pre-K for two years in Louisiana. I have been married to my husband, Austin, for five years, and we have a sweet 2-year-old son named Corbin. We attend Timber Creek Church in Nacogdoches. In my free time, I love traveling (especially little weekend trips!), spending time with my family, reading, and crafting. I can't wait to learn, grow, and make lots of fun memories with my students this year!
