FREDONIA HILL BAPTIST ACADEMY AGRICULTURE AND 4-H

AND THAT'S AGRICULTURE...

Your students may have come home saying 'And that's agriculture.." to what they eat or wear. Last unit we learned how Agriculture affects our every day - from the food we eat, clothes we wear, our hobbies (sports balls are made from leather which comes from cows/pigs!), our hygeine (ask them what is in toothepaste and shampoo!), and the way we travel. They had so much fun making connections of the things we use daily back to farmers and ranchers right here in our communities.

We are going to deepen that understanding these next two weeks by looking at how exactly those plants and animals get from their farms to our homes - specifically our plates!

I've enjoyed seeing them light up when they make these connections! We are having fun in Ag class!

I want to make sure you consider 4-H - there is much more to offer than just livestock shows now!

You can email me any time if you have any questions and or concerns - bbarton@fhbacademy.org

FARM TO TABLE

⭐ Essential Question:
How does food get from the farm to our table?

✝️ Bible Connection:
James 1:17 – "Every good and perfect gift is from above..."

💡Big Ideas:

- Food goes through many steps before reaching our plates.
- Many people work together to produce and deliver food.
- We should be thankful for the work that provides our food.

✅Students will be able to describe how food gets from the farm to their table.

FHBA 4-H NEWS

Join 4-H! All kiddos welcome K-9! You can enroll in our club online at tx4h.tamu.edu.
Below are some important dates:

- T-Shirt Design Competition Happening now! Submit your design for our Annual Tshirts!
- October 5 - FHBA 4H Club Meeting at 3:30pm in the ZONE
- Oct 5-9 - National 4H Week Celebrations in school
- Oct 5-10 - Pineywoods Fair

To stay up to date with all things 4-H, join our GroupMe 'FHBA 4H Club'
