

Welcome TO 4th GRADE! GO FALCONS!

Dear Parents & Students,

It is a pleasure to have the opportunity to be your child's fourth grade teacher this year! I am looking forward to our very first day together! Most of them will remember me from last year, but I am excited about getting to know them better and meeting those that are new this school year!

I want to tell you a little about myself as a person, and as a teacher. I am Katie M. Hall. I love the Lord with all my heart, and I accepted Him as my Savior when I was nine years old! I have three adult children, four adult grandchildren, one teenager, and my youngest grandchild is 11. I also have two great granddaughters! I was married for thirty-five years, but my husband has been deceased since 2008.

I have been blessed to teach for fifty two years total. Thirty of those years were at Cushing Independent School District mostly as a third grade teacher, and one year as fourth. When I retired from Cushing because of my husband's health in 2003, I continued to substitute at Cushing and Central Heights until 2008. In 2008 I began teaching fourth grade at Nacogdoches Christian Academy for seven years. When they decided to only include preschool age children, God directed me to Fredonia Hill Baptist Academy. This will be my 12th year at this fine school. We had an awesome year last school year and I feel that this one will be also!

MEET THE TEACHER

We will have "Meet the Teacher" on August 20th, (come and go) from 8:00-9:00. This will give parents and students a chance to formally meet me, and they may choose a seat, but I will readjust seating as needed when school begins on August 24th. All students preordered their school supplies from PTO before school ended, so they are already in the classroom!

FIRST DAY OF SCHOOL

I am looking forward to seeing each of you on August 24, 2026 for the first day of school! Students must bring their lunch until after Labor Day, but there will be September lunch orders on line if you wish to order.

- ★ They will also need a healthy snack daily for our 10:00 snack time, and some water to drink (bottled preferred), or water bottle with a tight fitting lid that will not spill if overturned.

DAILY RELEASE

will be staggered~ **2:55-3:20** this year.

It's going to be a
GREAT YEAR
to be a **FALCON!**

Cordially yours,
Katie M. Hall
