Ms. Boyland's Third Grade Open House

Dear Parents,

It has been a wonderful first couple of weeks of school! We are settling into our routines, getting to know one another, and having lots of fun learning along the way.
Please take a few minutes to read below for some important reminders and information. Thank you for your continued support and for helping make this a great start to the school year!

Homework:

- I will send home a homework packet they can work on during the week and be turned in on Fridays. However, if they complete homework they will receive a hole punch.
- I would like for students to practice their spelling words each week so they are prepared for the test. We practice in class but the more practice the better.
- There may be times they do not finish an assignment in class, they will need to finish at home and bring back the next day.

Behavior:

If behavior is repeated during the school day I will be making a note in their agenda for you to sign. If it continues to happen then I will be making a phone call home.
Just a quick heads-up about some extra talking during class recently. Please remind your child that class time is for learning, listening, and letting everyone else learn too. We know they're kids and love to chat, but we just need to work on knowing when it's time to talk and when it's time to listen. Thanks so much for your help and support! 💛

Lunch:

Students will need lunch Monday-Tuesday.
They are able to order hot lunch Wednesday - Friday.
Hot lunch orders will open every month for the following month.
Students are able to heat up their lunch but try to avoid things that take a long time to heat since we only have 30 minutes.
If you are going to eat lunch with your child make sure you check in with the office first.

Water Bottle and Snack:

They need to bring a water bottle everyday. They can have it in the classroom and will need it at lunch. Only water is allowed in the classroom.

They will need a snack everyday. You can send them all on Monday in a bag with their name or send them each day.

You can send money as well for them to buy a snack from the snack cart.

I try to keep extra snacks in case someone forgets theirs but I don't always have extra.

Friday Folders:

On Fridays they will take home an blue folder. On one side it is labeled Bring Back - that is for any important notes or papers that I need filled out and brought back. On the other side it is labeled Keep at Home - that is for completed work, tests, or our newsletter which all need to be looked over but kept at home.

Agendas:

Please check and sign or initial agendas each night so I know that you have seen what is going on during the day.

Absences:

If your child is absent, we HAVE to have a note to count that absence as excused. The note can be from a doctor or a note from home.

Contact:

You are able to email however the best way to contact me is through our GROUPME!

Email: Bboyland@fhbacademy.org

Monday/Wednesday/Friday

7:20- 8:00	Morning Work
