9th Grade Speech

Hello!

Welcome to 9th Grade at FHBA! I am so excited to be a part of this historical year. More so, I am excited to get to know your big kids. It has already been a fun few weeks learning about their hobbies, lives, and witness the sweet friendship this group has.

This year in Speech we will come to understand that God gave the unique gift of speech to man that we can use for the Glory of God. We will explore different types of conversation styles: Impromptu, Memorized, Manuscript, and Extemporaneous. We will learn through reading the text book, open discussions in class, and performances.

There will be homework at least 3x a week. Students are expected to come to class prepared, focused, and thinking critically. At the end of the year, these students will walk away with skills and the confidence that comes from God to be able to communicate effectively in many different scenarios.

We will have daily work, participation, quizzes, tests, and performances. Quizzes will count 1.5x and tests and performances count 2x.

Please continue to ask your students what they have going on at school and reminding them to complete their homework.

I can't wait to see how the skills they learn this year will set them up for success in their future adult lives. I am rooting them on!

If you ever have any questions or concerns, please do not hesitate to reach out by email at bbarton@fhbacademy.org.

Blessings,

Mrs. B (Barton)
