

Dear Pastors and Servants,

Grace and Peace from our Lord Jesus Christ.

Christian Islamic Dialogue (C.I.D.) ministry's vision is to come alongside Christian churches, globally and domestically, for the purpose of training local teams to share the Gospel of Christ with the Muslims in their community.

If there are people in your church who feel led of the Lord to become involved in this training and if you, as the Pastor, would like to share in this vision of introducing Muslims to Jesus Christ, C.I.D. Can give your people the courage and the expertise to send them out with confidence.

We have 4 levels of training for this Outreach ministry:

The first level is available online at [www.cidcenter.info](http://www.cidcenter.info). Click on the teaching tab where it says CID courses. If anyone intends to participate in the entire training and local outreach, it would be profitable for them to listen to all four sessions prior to C.I.D. Team's arrival at your church.

The second level of training begins with the arrival of the CID team. There will be introductions and role-playing and teaching for those who volunteer to go to the outreaches to Muslims.

The third level of training is the actual outreach with the CID team. Trainees will be paired off with experienced CID team members as we go share the Gospel at local Mosques, Malls and other public places. This is where the trainees learn to interact and share the Gospel with the Muslim unbeliever through watching and listening to an experienced team member.. After the outreaches, the teams meet together for debriefing where testimonies are shared of what the Lord has done during the outreach.

The fourth level of training is our follow-up online with your local church trainees as they hopefully continue to do outreach in their local communities.

Our whole team is looking forward to connecting with you and your fellowship.

Until the whole world hears,
