

Greg Moore

Student Pastor

Greg is amazing as he leads the youth of Foundry Church. His focus is to model the “up, in, and out” of a relationship with Christ, as well as equip and empower students to experience Jesus Christ in their lives. Greg has been part of Foundry for 18 years, first growing up in the church and then becoming a staff member.

He is about loving on students, helping them discover the gifts that God has given them, and guiding them to use those gifts. He partners alongside the parents in pointing their students toward the cross. God moved Greg, showing him what it is like to truly love and encourage young people, and to meet them where they are in their journey.

Following high school, Greg spent a season in Poland working as a missions partner at PROeM. It was during this experience that he felt the strong calling to enter ministry. Upon return, he enrolled at Manhattan Christian College, and earned his Bible degree in 2013. Greg and his wife Kylea have two daughters, Hadley and Ember.
