

Mark Eaton

Elder

As one of the Elders of Foundry Church, Mark says it is important that we care for the people in our church, our community, and our world. The institution of marriage is one area of special interest to Mark and his wife Karie; creating a safe environment where we, as a church, can come alongside couples through the various stages of the relationship. Also important is supporting the staff through living out the mission of Loving God, Loving People and Serving the World.

He expresses that he fully supports taking the better way of Jesus to a busted world. We want to be a church that meets people where they are and to do life together. Mark acknowledges that God has moved him in this ministry by experiencing authentic relations with those in his community and exposing the needs of the community. Through Mark's eyes, Foundry Church wants to bring the meaning behind the church's name of Foundry by taking the better way of Jesus to a busted world. We are imperfect and broken. Through the refinement process of our community, rooted in biblical truth and grace, and doing life together; Foundry Church is a church for the lost, the found, the hurting and the growing.
