

Life Group Agenda - “The Sifter”

Love

What happened this week that our group can say “amen” to? What can we celebrate with you?

What happened this week that is unfortunate, that we can pray for God’s provision?

What do you need that we can provide for you? Support physically, emotionally, or spiritually?

Grow

Text: John 6:60-71

1. Have you ever left a church?
2. What caused many of the disciples to turn away from Jesus?
3. Are there any teachings of Jesus that are hard for you to believe? Does it make you want to not follow?
4. What are you doing to grow, confirm, or defend your position?
5. According to the text, what keeps you following Jesus?
6. How does this challenge or encourage you?
7. Pray for faith and courage to believe and follow.

Worship

Would you be willing to praise God for saving you in spite of our bent nature? Could you read this verse and then finish the statement, “God you saved me even though I am....”

But God demonstrates his own love for us in this: While we were still sinners, Christ died for us.
Romans 5:8

Go

Thanksgiving and Christmas is coming. Who will you gather with that is outside the Gospel? Family members who are religious? Friends who don’t know Christ? If you are seeing them soon, who can you pray for? What would you say to them? How would you bring it up?
