Women's Group with Dee Harris

The Church of Small Things—The Million Little Pieces That Make Up a Life is open to all women. Melanie Shankle speaks directly to the heart of women of all ages who are longing to find significance and meaning in the normal, sometimes mundane world of driving carpool to soccer practice, attending class on their college campus, cooking meals for their family, or taking care of a sick loved one. Through humorous stories told in her signature style, Melanie helps women embrace what it means to live a simple, yet incredibly meaningful life and how to find all the beauty and laughter that lies right beneath the surface of every moment. **Nursery, Kids' Place and Koinonia Youth Group provided.**
