

Jesus! Others! You!

Warm World School celebrates the birth of Jesus all month long in many ways. If you could take a look in our classrooms, you would see advent wreaths, angels, and ornaments adorned with glitter and glue from corner to corner.

To help us understand the real meaning of Christmas, we would like to help our students understand having a JOYful heart for others.

Can you help by providing unwrapped and brand new items listed on our website and on the back of this note!

Your child will bring the donation to drop off on **Wednesday &/or Thursday, December 9 & 10.** After chapel, they will get to lay their donations at Jesus' feet!

All donations will be given to Integris Children's Hospital.

All donations must be **New** and **Unwrapped**, please. Thank you for your donation!
