

Jesus! Others! You!

Warm World School celebrates the birth of Jesus all month long in many ways. Just take a look in our classrooms and you will see advent wreaths, nativities, angels and ornaments adorned with glitter and glue from corner to corner.

To help us understand the real meaning of Christmas, we would like to help our students understand having a JOYful heart for others. We would love for our students to bring donations for

Integris Children's Hospital.

Can you help by providing items from their wish list?

The wish list can be found on each program page of our website! Your child will bring the unwrapped donation to his/her teacher on...

***December 4th** for MW Caterpillars, Butterflies & Monarchs

***December 5th** for TR Caterpillars, Kites & Kindergarten

We will have a special chapel for just our students and teachers. There they will get to lay their donations at Jesus' feet.

All donations will be picked up by
Integris Children's Hospital on Tuesday, December 5th.
