

# Contract to be signed by parents before returning to school.

Must be signed and dated by both parents before entering school or returning to school.

I will self-screen my children and those in direct contact with my children (not limited to parents) each day before coming into VVP. Anyone noticing symptoms through self-screening, should remain at home until **ALL** the following statements are true:

- My child and those in direct contact with my child (not limited to parents) have had no fever for at least 72 hours (that is three full days of no fever **WITHOUT** the use of medicine that reduce fevers).
- My child and those in direct contact with my child (not limited to parents) have **NOT** had any other symptoms associated with COVID-19 (for example, coughing or shortness of breath).
- To my knowledge, my child and those in direct contact with my child (not limited to parents) have not been exposed to someone with COVID-19 in the last 14 days. IF THE PARENT IS A FRONTLINE WORKER, THIS EXPOSURE IS ONLY ALLOWED WITH FULL PPE AS PART OF THEIR JOB. Frontline parents will make every effort to fully decontaminate before exposing students of VVP.
- To my knowledge, my child and those in direct contact with my child (not limited to parents) have **NOT** been around someone that has been out of the country.
- If my child or those in direct contact with my child (not limited to parents) had symptoms, it has been at least 10 days since the onset of the symptoms, and have been symptom free and fever free for 3 days at a minimum.

I will abide by all procedures, policies, and guidelines presented by Valley View Preschool to the best of my abilities.
