I have enclosed a **\$100.00** registration fee. I understand that the **\$100.00** registration fee per child holds my child's spot for the next school year. I understand that this registration fee is nonrefundable, as it secures a spot for my child. Should I change my mind, or plans change for my child's care next season, Valley View Preschool will not be able to refund my money due to the fact that they may not be able to fill the spot immediately, if at all.
