**First Name:**                      **Last Name:**

**Class Code: 2hqa29**

Have your child work on Number Facts, Word Study, Decodables, or Sight Words. Be sure to mix it up so they are practicing a variety of skills. Each of these sections is very user friendly, and you should easily be able to navigate them!

Please have your child go on this site for 20 minutes each week. I will be able to logon to see how often your child is doing his or her work, and it will count as a grade next year!

If you have any questions over the summer, feel free to contact the office at (215) 736 2391.

Thank you for your support! See you in August!

Mrs. Brown
