

Meal Ticket Procedures

Calvary Christian School students can choose to buy lunch or pack lunch every day. A menu is provided on the website and also via the newsletter email sent to parents. There is one lunch menu choice per day. On the day that a student chooses to pack lunch, that student simply brings a lunch ticket to school. The ticket is collected in the classroom during morning arrival procedures to provide for that day's lunch count for the kitchen.

See the website for current lunch ticket prices.

Single tickets are \$3.75 as of the 2017-2018 school year.

Discounts are offered for buying in bulk.

Grades K-5 pack a snack daily, regardless of the choice to pack or buy lunch on a given day.

Be sure to pack a snack every day. Please call the school if you have any questions.
