Attleboro Trip December 19!

On Wednesday, the kids will get the chance to minister to the residents of Attleboro Village. Attleboro is a retirement/nursing home in Langhorne. The first graders will sing Christmas carols and pass out crafts for the residents to enjoy this Christmas season. This is a sweet way for the children to minister and remind those in our community that Christmas is *really* about the birth of our savior! Your child should wear his or her regular uniform, but they can jazz it up with fun Christmas accessories!

Thank you!

Thank you all so much for contributing toward the Carter's gift card! I am blown away by your generosity! I love Carter's, and I can't wait to buy clothes for Caroline! God bless you all!

This Week in First Grade...

In math we will continue learning about patterns.

In science we will continue learning about living things.
