

June 2018 Child Care Newsletter

www.calvarychristianschool1.org

Summer Schedules

Our summer schedules start to alter between June 18 and the end of June, as many children withdraw for the summer. We are working on adjusting our staffing accordingly for less children in many classes. Updates coming ☺.

Sunscreen

It's getting sunnier out! If you wish your child to have morning sun protection, please apply sunscreen **before** coming to child care in the morning. If you wish us to reapply it in the afternoon, please fill out the attached Sunscreen Permission Form with a new bottle of sunscreen and take it to the CLASSROOM. We suggest the spray version for ease of use ☺

Sprinkler Day!

We will start our summer SPRINKLER DAY each Thursday morning, starting June 21. Kids come to school with bathing suits ON, water shoes ON (**NO open toe shoes or flip flops**), sunscreen ON and clothes on top - with towel and dry shoes and dry underwear packed. Everything needs to be labeled! Fun Sprinkler Days on Thursday mornings, starting June 21!

Upcoming Dates

- Monday, July 4 - Building Closed
- August 20 - 23 - Transition Week
- Friday, August 24 - Building Closed
