Label, Label, Label

As we walk into the fourth week of school, we already have a pile of sweaters, and water bottles that appear to have no home. As all uniforms look alike, labeling sweaters, sweatshirts, water bottles, and outerwear, is absolutely crucial. Please, please, please label all your children's belongings with a Sharpie. When we find items, the first place we look is the tag, so please label all tags and water bottles.

Thank you!

See You At The Pole

We will have a special time of prayer outside circled around the flagpole on September 24th at 9:10 AM.

Please come and join us if you are able.

Transportation

**Should you ever have any bussing needs, please contact the bus company directly.
Call the office for more information.**

Social Lists

Class by class social lists will be sent out this week. Each class list will include the child's name, parent's cell phone, and parent email address. Should you not want your child included in the social list, please contact Miss Renee by Tuesday, 9/16/25. If we do not hear back from parents, we will assume you want your contact information shared.

Parking Lot

We've had some near misses in the parking lot most recently. We want to ask that all families consistently enter the parking lot via the entrance (closest to the car-wash), and then exit through the parking lot through the exit (closest to the parked church/school vans). Should you ever have someone different drop off/pick up your child, please make sure to communicate this to them.

Church Picnic this Sunday

All families are invited to Calvary's annual church picnic this Sunday in the parking lot. Service will begin at 10:00 in the main sanctuary and then we will move to the parking lot afterwards. We will have an outdoor baptism before starting the picnic festivities as well. There will be plenty of food and fun. No cost – just bring a lawn chair.
