

Dear Bethel CRC,

At a recent Think Global lunch, I teamed up with the Vocational Formation Office at Calvin seminary to highlight the students who have engaged in cross-cultural experiences this past year. Four students visited different areas in India where the Timothy Leadership Training materials are being used. Jeff helped develop these materials for the Bangladesh context 20 years ago! Three students spent time with an inner-city ministry in Nebraska, one student went to Oman with the Al Amana Centre, and one student went to the Caribbean Island of St. Thomas.

We heard from their experiences, and celebrated the opportunities for learning, praising God for the work He invites us to join around the world.

I am ever grateful for your dedicated support. It's hard to believe I have just 3 more months before I retire from my ministry with Resonate Global Mission at the end of June. I have mixed feelings about leaving work I've been a part of for so long, but am excited to take up my new roles at Calvin seminary. Look for a prayer update letter from me soon!

May your Lenten wait find joyful celebration this Easter!
