

Dear ETM Parent,

Hello from ETM! Fall is almost here and that means a new ETM year. We as leaders are excited about the upcoming year – for the opportunity to help your child in their faith walk and as we get to know who they are.

We wanted to send you a letter talking about the year and some upcoming events. One thing to note is that every ETMer MUST have this year's Bethel Medical Waiver signed in order to attend off campus events. This can be found at [www.discoverbethel.org/grow](http://www.discoverbethel.org/grow).

Our kickoff event for the year is Game Night at Bethel church! There was also talk of making your own pizza for supper...ice cream might also be found... 😊

Also on the Bethel website is the schedule of the dates and events ETM will be doing this year. Since the dates were made so far in advance – please note that the dates and events are subject to change throughout the year. But we wish to give you some indication as to what and when ETM was getting together. Generally ETM meets twice a month.

ETM meets once a month on Sundays from 6:15-7:30pm (on the week Student Life does not meet) and once a month on a Saturday – usually in the evening – giving parents an evening out or off! Our Saturday meeting will be a fun outing or activity of some kind.

In February we are doing our Sunday meeting with Student Life until 8:30. We will meet at 6:15 for supper with Student Life and join them for the whole meeting – giving ETMers a chance to see what happens in SL!!

Again, we as leaders are very excited about the upcoming year and serving your child(ren) in ETM. Our biggest prayer and goal is that your child(ren) meet God in many different ways through ETM this year. We also love it if your ETMer brings friends to ETM!

If you ever have any questions or concerns, please feel free to talk with Sarah or one of the other leaders. We are happy to talk with you as together we help these children grow in faith.

In Him,

Sarah Rinkenberger (Youth Director)  
Ben and Heather Byma  
Brent and Kara Kunnen  
Ryan and Debbie Ohm
