Bethel Church,

After much prayer and discernment, we have concluded that, by God's grace, Bethel is now able to meet the shepherding and pastoral care needs of our congregation through the leadership of the Lead Pastor, us the Council, and the many faithful volunteers within our church. As a result, we want to share that Bethel will be concluding the Visitation Pastor position at the end of 2026.

This extended transition has been planned intentionally in order to honor Pastor Dan and Sandy and to allow time for a healthy and thoughtful transition. We are deeply grateful for Pastor Dan's faithful work to our church since he was hired as our Interim Visitation Pastor in 2021. The conclusion of this staff position does not diminish our gratitude for his ministry or our desire for his continued involvement at Bethel.

Bethel Council
