## Dear Friends & Family,

*Great is the Lord, and greatly to be praised; And His greatness is unsearchable. - Psalm 145:3*

Last September 25, we started the new school year for WOLBI Philippines. Even with a lower than expected number of students this year, we continue to stay committed to train these young people in reaching their generation with the Gospel and to deepen their faith.

We thank the Lord for the privilege Mike has to minister at Word of Life Argentina. Mike is one of the speakers during the missions conference on Nov 30 - December 3. Please pray for him as he travels to Argentina and then to Brazil after the Conference.

## Upcoming Indo-Pacific Regional Retreat

On November 13 - 17 we have the privilege of hosting 15 countries for our Indo-Pacific Regional Retreat. We appreciate all your prayers as we gather together.

- **Pray** for safe travel for more than 230 people flying in from different countries.
- **Pray** for good weather, good health and protection for everyone.
- **Pray** for this retreat to be an encouragement to our team.
- **Pray** for our Indo-Pacific Team as we continue to further the Gospel in this part of the world.

Last September 21 - 30, Mike had the privilege to be in Vietnam ministering with our team. The first few days of the trip were spent in Saigon meeting with ministry leaders and joining a couple of the different outreaches. One of the outreaches of WOL Vietnam is a weekly English Club which invites college age young people for conversational English. This has become a great opportunity for gospel conversations. During the last several days of the trip, Mike traveled to Hanoi to meet with ministry leaders and conduct Youth Ministry Training with church leaders. *The leaders are very eager for Word of Life to finish translating our Youth Ministry Curriculum and Leadership Training Materials. Lord willing we will see a great ministry among the Vietnamese churches in the near future.*

With God's blessing and through your partnership and investment, the ministry continues to expand and move forward reaching youth with the Gospel.

**Thank you for your faithful prayers and generosity. God is using YOU to make a difference!**

**Serving the Lord with you,**  
Mike, Pretty, JM & Hannah
