**"And let the beauty of the Lord our God be upon us, And establish the work of our hands for us; Yes, establish the work of our hands!"
- Psalm 34:8**

Dear Family and Friends,

What an amazing year it has been! Because of your faithful partnership, we have witnessed how God continues to move throughout the Indo-Pacific. Despite the many challenges, especially in restricted countries where sharing the Gospel is not open, we are continually encouraged by seeing God's hand at work. Please continue to pray for us and our teams as we persevere faithfully in reaching this part of the world with the Gospel!

"In Vietnam, Christmas time is harvest time. Vietnamese people are more open and willing to accept invitations to Christian concerts and events. The team of Word of Life Vietnam poured our hearts into proclaiming the Gospel as we organized 8 evangelistic events. We had the opportunity to return to a location where in 2024 our program had been forced to cancel. This year, by God's grace, we were granted permission from local authorities. A street in front of the house church was closed and transformed into a stage. As music echoed in the neighborhood, more than 300 people came and I had the joy and privilege of preaching the Gospel to the crowd!"

- Tuan Le, Word of Life Vietnam Field Leader and his team

"It was such a great opportunity to reach out to 790 young people and serve with youth Pastors and ask how can we serve and encourage them. Please pray for our Word of Life Papua New Guinea Team as we continue building relationships with the local churches and impact this country with the Gospel!"

- Enoch Umpeng WOL Papua New Guinea Missionary

We praise God for His faithfulness and power as more than 987,000 people were engaged with the Gospel in 2025 through the ministries of Word of Life across 16 fields in the Indo-Pacific. A significant part of this impact came through the Eternity 5 million campaign last May, where the Lord opened doors, softened hearts, and drew many to hear the message of eternal life. Thank you, because this is an answer to your prayers and support! We know we cannot do this in our own. Together, we bring all the glory to God!

Through your partnership, the Gospel continues to reach beyond. Thank you for standing with us and investing in what God is doing in this part of the world!

Please pray with us for.....

- Mike & JM trip to Word of Life Japan on February 12-16.
- Mike speaking on March 6 at the Word of Life Europe Staff Conference in Budapest, Hungary.
