

Restoration Church “Out Front” Roles

GROUPS TEAM-LIVING ROOMS

We believe life-change happens best in community. We aspire to be a life-changing community that encourages you to live your life with others. We define groups by any intentional gathering of people. If that is to study the word, eat a meal together, talk about finances, go bowling, play basketball or bocce, quilt or however you find yourself living your life, God's Kingdom can be present. God's Kingdom can be advanced. Our groups are non-threatening and easy to invite friends to. You are already living your life in ways you find interesting--why not invite others who like doing those things to do them with you? Why not do it for the glory of God?

GROUPS TEAM-KITCHEN TABLES

We are always looking for qualified, passionate group facilitators. If you are pursuing Jesus and can lead a conversation, we have an extremely important role for you. It doesn't require a master's degree in Biblical Study or theology; it requires your pursuit of Christ and your willingness to serve.

WORSHIP ARTS TEAM

Do you play an instrument? Do you love to sing (and do others love to hear you)? Do you find that singing or playing an instrument is a primary way you worship God? Consider helping lead our community in song. For the Sunday morning teams, an application and try-outs will be required. Or perhaps you are a master potter or painter? We would love to highlight the creativity God has given us.
