

## **Restoration Church Behind the Scenes Roles**

### **ADMINISTRATION TEAM**

Do you have a propensity towards organization? Do you appreciate clear and clean systems? We need volunteers to collect and organize data, assist with mailings and various other administrative duties.

### **AUDIO/VISUAL TEAM**

This is not just about turning dials and running cables. It is about creating worshipful environments and assisting in the singing, teaching and formation of the congregation. If you understand computers and audio systems, this might be for you. If you can listen to a song and parse out the various instruments/vocal parts, you probably have an ear for mixing sound. And that is a gift. We can teach you the system.

### **CUSTODIAL TEAM**

The fact is we don't have a full time custodial worker. We rely on the generosity of the church body to keep our building looking (and smelling) nice. Most of us clean our homes on a regular basis, would you consider volunteering a couple hours a month to assist in cleaning our space?

### **DÉCOR TEAM**

Every now and then (mainly Christmas), it's nice to decorate. If you have an eye and gift to make a room feel festive, this is for you!

### **GARDENING/LAWN TEAM**

Every spring, summer and fall (winter is, well, winter) we need to recommit to beautifying our property. If you like digging in dirt as you plant flowers or distribute mulch, here is a beautiful service opportunity for you.

### **SNOW REMOVAL TEAM**

Do you know how to use a shovel? Perhaps on our somewhat cold winter mornings you wouldn't mind doing so here at Restoration Church? This team is responsible for removing the snow from our walkways if it happens to still be there Sunday morning.

### **VIDEO TEAM**

Do you love putting videos together? Do you like creating your own videos? Are you creative? Do you like telling stories? We want to share the stories of our neighbors, co-workers and associates (you know, the cashier at the grocery store we want to tell the stories of the people we are reaching. And we want to do this often.
