

## **Restoration Church Hospitality Roles**

### **COFFEE TEAM**

Coffee creates an immediate warm atmosphere. It screams of good conversation with good friends. Brewing coffee, setting up our station and stocking supplies on Sunday morning are some of the parts of this important job.

### **GREETER TEAM**

Do you love saying "hello?" Well, there is more to being a greeter than that! You are the first line of contact someone might have with Restoration. You model God's love with every "hello and handshake."

### **USHER TEAM**

Distributing our worship guide, helping some to find seats, receiving the offering and counting attendance are some of the roles of this very important role.
