

We are committed to creating a safe and welcoming environment for our community to know God and build their relationship with Him. Here is how we are currently navigating this challenge and how we expect our community to comply, in a spirit of love for their neighbor.

- **We are going to begin with one service at 10am. We will adjust this as necessary, however.**
- **We will live stream our 10:00 a.m. service** to our [Church Online Platform](#) and [Facebook page](#). The service will be immediately available for on-demand worship access.
- To help ensure that we have a seat for everyone, **we will need you and your family to register**. When you register, you'll see that there is limited capacity, so register early!
- Diaper changing stations are available in both the men's and women's restrooms. *Sorry, dads, you're not off-the hook!*

What about Children's Ministry?

Our Director of Kids Ministry, Kate Haas and her team have been hard at work preparing for your family to return to Restoration Kids on Sunday mornings. Check back in early 2021 to learn how we will be helping to disciple your children on Sunday mornings. Your kids are certainly welcome in our sanctuary and we've created RC Kids Kits to help them stay occupied as they learn alongside you.

Other General Notes:

- If you're feeling sick or you have been exposed to COVID-19, please worship with us via our live stream from home.
- **A mask or face covering is required** for everyone 3 years and older while entering and exiting into the building, moving through the church, any time you cannot maintain social distance with those outside your immediate family and while singing. If you need a "mask break," during the message is the most appropriate time to do so. If you come without a mask, we will have them available to you and ask you to use it.
- **Arrive 15-20** minutes early to allow time to get seated in the Commons. Doors will be locked after the service begins, so please arrive early!
- **Please enter through the front doors** if you register to sit in the sanctuary, a member of the Hospitality Team will be ready to greet you!
- Seating in the Commons will be spaced out to allow for distancing. When you enter the Commons, please be sure to keep **three chairs distance between you and the next family**. (Three seats equal roughly six feet.). Our hospitality team will be prepared to help you find a seat.
- **Hand Sanitizer Stations will be available** throughout the building.

- To help maintain physical distancing, **restroom access will be limited to no more than three (3) people at one time.**
- **Communion** will continue to be pre-packaged and available on tables as you enter the Commons on communion Sundays.
- **Bring your own coffee!** Our Coffee Ministry is not yet available. If you need your morning coffee boost, you're welcome to bring your own (with a secure lid)!
We are putting these policies in place and ask for your cooperation because we desire to protect those who are most vulnerable. We are a church committed to loving one another well and this is one way we are able to do this. Complying to these guidelines will assist in preserving the possibility of continuing to meet in person. Thank you for your cooperation.

If you have any questions, **please let us know**. We are excited to see you and worship with you whether online or onsite!
