

New **Classic** Worship Service

Beginning Sunday, September 11, 10:30 am, Sanctuary

SMCC invites you to celebrate with us as we launch a brand new third service on September 11. It is exciting as we prepare to bring creativity and energy to this new experience for God's people. We are grateful for the roots that the 11:15 am Gathering service planted in our church's worship narrative and it is those roots that have allowed us to dream about what could be.
