About M&D...

M&D teaches kids to lead worship in the form of a musical. We create arts and crafts, play skill-building music games, practice songs, and expand on talents. M&D presents one musical a year and sings in worship three times a semester.

Fall Semester kids build musical skills, become comfortable with singing in worship services, audition for lead roles, and begin learning the songs for the spring musical. Kids create arts and crafts.

Spring Semester kids will present the musical using the skills they learned in fall, and create arts and crafts. If your child would like a part in the musical, s/he will need to participate for both semesters, as we work towards the musical all year.

Parents/Guardians are required to:

- Attend one Parent Meeting per semester and read weekly email updates.
- Provide snacks for the class once per semester.
