The Solution to Our Problem

Introduction and Review (*Hebrews 1:7-8*)

1. The Problem: Man _____ Dominion by His _____ (*Hebrews 1:13, 2:2-5-8; Matthew 28:18, 27:46; Psalm 22:1; Psalm 8:1-6; Genesis 1:26, 2:16-17, 3:4-5*)

2. The Solution: Jesus _____ Dominion by His _____ (Romans 5:6-8; Hebrews 2:5, 8-9; Galatians 3:13; 2 Corinthians 5:21; 2 Timothy 1:10; 2 Peter 3:9-10, 13)

Discussion Questions (Hebrews 2:5-9)

1. Review Hebrews 1:4-14: How does the author show that Jesus is superior to the angels? Given that *Jesus is seated on the throne, ruling with a scepter and his enemies are as a footstool*, what might you expect to see in our world?
2. **Man's Problem:** Read Psalm 8 and Hebrews 2:6-8: How do these passages apply to Man? (Genesis 1:26) Why, *at present do we not yet see everything in subjection to him* (Man)? (Genesis 2:16-17, 3:4-5) What is Man's Problem?
3. **Jesus's Solution:** Read Psalm 8 and Hebrews 2:6-9: How do these passages apply to Jesus? What is Christ's solution to Man's Problem (Hebrews 2:9; Romans 5:6-8; Galatians 3:13; 2 Corinthians 5:21). Why, *at present do we not yet see everything in subject to him* (Jesus)? (Hebrews 2:5; 2 Peter 3:9-10,13)
4. How does knowing that there is a world to come where Christ will rule in righteousness help you to live in and not grow attached to this current world of suffering, sin, and death?
