You are responsible for providing first aid and emergency transportation in the event of an emergency. (Seeker Springs will provide a listing of area medical facilities and maps to the facilities.)

You shall obtain the names and addresses of all its participants, emergency contact names and telephone numbers for all your participants, a listing of any persons with known health conditions requiring treatment, restriction, or other accommodation while on site, and for minors without a parent on site, signed permission to seek emergency treatment or a signed religious waiver, and share appropriate information with Seeker Springs.
