

Ignorance is NOT Bliss  
**1 Samuel 13-14**  
Pastor Ben Tacoma

**Historical Narrative**

Jonathan, King Saul, and Samuel

*Philistine at Geba*

Jonathan and his armor bearer

*Philistines at Michmash*

Jonathan and King Saul

*Philistines defeated*

**Gives and Takes Away**

God says: No Saul Dynasty! Saul will be replaced as king.

God saves Israel (using the faithfulness of Jonathan, who will sadly now never be king)

God holds Saul to his foolish command and his foolish oath...

**Ignorance Is No Excuse**

Lessons from Saul's bad example:

Keep God's commands, even in extreme cases  
Ignorance about God will lead to trouble  
Keep the faith!  
Remember God, don't use God

But Jonathan...

1. Jonathan knew God
2. Jonathan had faith in God
3. Jonathan sought and obeyed God
4. Jonathan was prepared

**Ephesians 4:17-24**

In Christ ignorance is no excuse! Be like Jonathan, not like Saul.

How do we throw off our former ignorance and grow in the knowledge of faith in God? How can we be 'Jonathans' not 'Sauls'?

**2 Timothy 3:16-17**

*All Scripture is inspired by God and is profitable for teaching, for rebuking, for correcting, for training in righteousness, so that the man of God may be complete, equipped for every good work.*

# The Samuel Challenge

During the week read 1 Samuel 15 and answer these questions:

## Historical Narrative:

What are the time, place, people, and circumstance?

Has it changed from the previous section?

Is it connected to the previous passage?

## Theological Revelations:

What does God say in this text?

What does God do in this text?

What is God like based on this text?

## Models of faithfulness:

Are there models of faithfulness in this text?

What do they say?

What do they do?

What are they like?

Are there any New Testament passages that affirm that we should also say, act, or be like this as Christians?
